Mound City News prints first offset newspaper at new plant

In what has been described as bold and bucking the trend, the *Mound City News* has just printed its first offset newspaper. The eight-unit Goss Community web press is housed in a new building in Mound City. The new facility is located on the corner of US Highway 59 and State Route N.

The latest trend in the newspaper industry is to consolidate printing operations and large corporations have purchased and merged some of their newspapers.

In rural communities, the readership is loyal and local news dominates the pages, which is what the readers want and expect. "With all the mergers and consolidations, the need for a web printing operation in northwest Missouri was evident," commented Adam Johnson, owner of the *Mound City News*.

Currently, the new printing operation prints the *Mound City News*, *Tarkio Avalanche*, *Fairfax Forum* and *Atchison County Mail*.

"The first week (printing the October 7 editions) was spent adjusting the press and tweaking all the little things to enable us to print good looking newspapers," said Johnson. "This week will hopefully go a little bet-

ter now that a lot of the initial adjustments have been made," he went on to say.

"The hope is that we can offer our printing services

to all area newspapers in the next several weeks after we are comfortable that we can print quality products," Johnson says.

The new state-of-the-art computer to plate system that the new plant has enables quicker set-up and better color matching capabilities.

"Like anything new, it won't be without glitches, but we hope that the web printing operation will continue to grow to a point that we can hire additional employees. We also plan to offer additional printing capabilities in the future," Johnson went on to say.

"We are proud of the fact that the majority of the building supplies, construction components and laborers involved have been from Mound City and the area," Johnson emphasized.

After the building is completed on the inside, an open house will be held. The Mound City Kiwanis Club had an opportunity to take a tour on Wednesday, October 6, and members made many positive comments.

Mound City Foods becomes Mound City Thriftway

Jim and Sherry O'Neill finalized the purchase of Mound City Foods from Dave and Dorothy King on Tuesday morning, October 12, and will rename the store Mound City Thriftway.

Jim and Sherry reside in Holton, KS, and own and operate a grocery store in Holton, KS. The couple has three grown daughters and three grandchildren.

Jim has worked in the grocery business since he was 16 years old in Topeka, KS. Jim and Sherry purchased their first store in 1994, and subsequently the store in Horton in 2004.

The couple is excited with the purchase of a store that has such a heritage. Jim and Sherry have many plans that will update and modernize patrons' shopping experience, but at the same time will honor the store's historical virtue.

While the store will remain open for business, keeping its regular hours of operation, it will undergo a transformation in the weeks to come. Plans are to have the majority of the

store reset finished by October 29.

New checkouts were being installed on Tuesday, October 12, as some of the first changes to the store. New lacquer shelving will be installed that will add additional inventory space both in shelf depth and height. More freezer space will be added, as well as refrigeration and produce upgrades.

The original hardwood floors will be cleaned and sealed for protection and preservation. Plans will be detailed later on another aspect of the decor that will build on the store's nostalgic value.

"One of the most significant changes our customers will notice is the pricing," commented Jim O'Neill.

The store had previously used Affiliated Foods warehouse, but Jim will be using Associated Warehouse Grocers. This change will bring many new and different products to the store. The O'Neills foresee as many as 2,000 new items which include the switching of brands. In addition to national brands, the store will now carry Best Choice and

Always Save brands. It will implement a bakery program and expand on deli items.

Aside from the warehouse changes, several other key components will be driving grocery prices down for customers at Mound City Thriftway. The owners will implement the Kraft Everyday Low Price Program, a Was - Now Price Program, Temporary Price Reduction (where low prices are passed down from the manufacturer to the consumer) and a Price Buster Program (private label items that the warehouse puts on sale).

All the current staff members at the store are staying to work at the new Mound City Thriftway.

"We like to give back as much as we can to the community," stated Jim O'Neill, who is from a small town and appreciates small town values. The one reason that the O'Neills chose Mound City above others was because "we could tell people here wanted a good store," Jim went on to say.

This week, October 13-19,

Shurfine, Shurfresh, Valu-Time and Saver's Choice products will be sold at 25% off. The sale is limited to stock on hand that needs to be moved to make room for the new inventory.

While the changes planned won't happen overnight, Jim feels that his customers will see quite quickly that the store can provide quality products at competitive prices.

New Mound City Foods owners- Sherry and Jim O'Neill, took possession of the store that will now be called Mound City Thriftway on Tuesday, October 12. The Holton, KS, couple purchased the grocery store in Mound City from David and Dorothy King.

Jonathan Miller retires from funeral industry

Jonathan Miller of Mound City recently announced his 'retirement' from Pettijohn & Crawford Family Funeral Service effective October 11, 2010. Jonathan has managed the funeral home in Mound City nearly 16 years, extending professional, caring and compassionate service to families.

"It's hard to believe that it has been that long. The Miller family has a thirty year relationship with Pettijohn & Crawford and it is hard to see it come to an end," remarked Jonathan.

The Miller family purchased the funeral home in 1981 from Iris (Crawford) Sitherwood. Rick and Sue Miller, Jonathan's parents, owned and operated the funeral home until selling to the Meierhoffer family of St. Joseph, MO, in 1999. Until recently, Jonathan and his wife, Paula, had lived in the funeral home since moving back to Mound City in 1997.

"I learned from one of the best," commented Jon about the training imparted from his father, "they were big shoes to fill."

Jonathan felt it was time to move on, however, and dedicate himself to his insurance agency. Jonathan plans to continue as agent for Shelter Insurance in Mound City where he has been working since April 2004.

Changes in the funeral business over the last decade and the emotional aspect of the business are two of the reasons Jonathan cited for the transition.

"Call me old school," Jonathan stated, "but as times change, there are still certain principles and ways of doing business in a small town that I am not willing to compromise. I will just continue those 'old school' ways of service in my insurance agency, but with 100% of my time dedicated for that purpose."

Remembering

by Eugene Poynter

Did you see that object? Some of the talk the other week, between all the politics, was about "flying saucers". It made me think how active something of other made the news almost every day back in the 70's. Of course, it was denied that it could be outer space travelers. Whatever they were, a lot of us thought they were an exciting event to see.

Back in those times, we were living in Lyon, KS, most of the time. I was a communications technician for the pipeline that goes through here and I was assigned a couple hundred miles of our microwave system in Kansas. We had just let a company put in a new Collins Electric System and we were having a lot of trouble with it. This was one of these turnkey jobs that was supposed to be 100% perfect, but I guess someone must have forgotten to turn the right key.

On this particular bitter cold night around midnight, I found myself fixing troubles in our Relay Station near Hopewell, KS. When I walked out to my van to go home, I noticed a large area of light changing in size and color over what appeared to be an area near St. John, KS, just north of where I was. At first I thought the city must

be on fire, but as I got closer, I could see that this was happening over the top of the electric substation just east of that town. All at once, it raised up and stayed in one spot, just pulsing bright and dim with changing colors. I stopped my van, got out and just stood in front of it leaning up against the hood wondering what to do next, when it shot in a direction toward me, made a right turn at a high rate of speed, went straight up and was gone in a matter of just a few seconds. I just stood there in the cold wondering if I had just imagined it all.

We had been to the EAA Airshow in Oshkosh, WI, that summer and had watched the Military Harrier perform. It's a big jet craft that can hover, move straight up or down, left or right, go in a circle and go forward at a high rate of speed and disappear. This UFO could do this much faster than the Harrier could, only it didn't make any noise. The Harrier made you have to cover up your ears, it was so loud, so it couldn't be one of those. It was like nothing I had ever seen or read about. It took a while for me to settle down enough to drive back home.

I kept still about my adventure until the papers started carrying articles

about sightings near that area. Since I was driving the company's first van loaded with electronic test equipment and parts, instead of the more comfortable and useful big station wagons, I had been getting a lot of kidding about it so I told everyone I thought the UFO was going to take the van away from me, so I had stood out in front of it to protect it. Most didn't believe I had seen anything anyway. One of them said the UFO was going to take me for an earth specimen and the van scared them off.

During that period, Betty also had a similar event happen to her. Since she had a full-time job at a bank, she had to do a lot of her house cleaning later in the evenings. One night, she stepped outside to shake out a rug on the front porch, and looked up and there was what appeared to be a UFO in the sky nearby. She watched it disappear similarly to what I did. The next day, the Hutchison, KS, paper had a series of reports on different sightings in the vicinity. One of our good neighbors said the UFO was still looking for me.

Whatever they are looking around for, I feel they are still here looking. So watch out!

Tiffany Heights news

October 4-10

As another month was upon those at Tiffany Heights, residents enjoyed the afternoon on Monday, October 4, with "Did You Know?" Residents always enjoy learning those odd and unique facts about each month. Did you know that during the month of October there is a special day for National Cake Decorating, chocolate cupcake day, and, if all else fails and one is daring enough, there is a day for chocolate-covered insects.

The monthly resident council was held on Tuesday afternoon. This month is Residents' Rights Month and Sharon Smith, S.S.D., reviewed these rights with the residents. Rhonda Krueger was chosen as Employee of the Month. Rhonda works in the nursing department and has worked for Tiffany Heights for two years. In her spare time, Rhonda enjoys spending time with her family and working on ceramics. Rhonda lives in the Mound City area.

A couple residents have been added to the Mile Club. Those residents make a mile are Mary Lou Nauman and Beverly Quimby. Arnold Rehm made his second mile around. Tiffany Heights joined in the resident rights

celebration this week and invited residents from the Oregon home to travel here and play resident rights bingo with the residents at Tiffany Heights. The game was played several different ways. Winners and special guests received candy bars as a gift and everyone enjoyed cookies and punch together.

Bingo volunteers on Thursday were Shirley Jackson, Jean McCall, Inez VanOrman, Gordon Robbins, Pat Johns and Lucille Stull.

Men's Day was held during the morning on Friday. Residents read several stories from the "Down on the Farm" book about autumn happenings. This always details several stories relevant to personal lives of residents. The stories are always interesting. This time residents were invited to Oregon Nursing Home for a relaxing afternoon of country music and fellowship. Those traveling to Oregon were Helen Hatch, Alice Myer, Ruth Swymeler, Alberta Linck, Arnold Rehm, Jenny Grable, Alois Wilkinson and Emma Jones.

Sunday morning services were provided by Larry Brickey and family. Afternoon worship was conducted by the Methodist Church.

Bernice Ann Chaffee

Bernice Ann Chaffee was born in Topeka, KS, on December 24, 1931, to Milton Aaron and Mable Evelena (Johnson) Palmer.

Bernice graduated from Topeka High School in 1950. She married Thomas Chaffee on June 6, 1951, in Huntsville, AK. The couple recently celebrated their 59th wedding anniversary.

Bernice was an active partner in Tom’s construction business, often serving as office manager. Bernice managed all the farm office duties as well as being very active in the 20 plus years of horse racing throughout the country. Bernice was involved from the foaling of the mares to selling or racing of the colts.

Bernice loved the outdoors. She was an avid deer, turkey and duck hunter. Bernice was inducted into the Water Fowlers Hall of Fame in Mound City, MO, in 1996. She was an avid fisherwoman.

Bernice also loved to travel. Such experiences took her to places like Australia, South Africa, Europe, Mexico, Canada and most of the 50 states. She loved to see new things and places.

Bernice was an active member of the Northland

Christian Church where she sang in the choir and, for many years, managed the Saturday Night Alternative.

Bernice was preceded in death by her father; mother; infant daughter, Jill Kay Chaffee; and son, Scott Allen Chaffee.

Survivors include husband, Thomas Chaffee of the home; sons, Terry (Rebecca) Chaffee of Overland Park, KS, Kurt (Kristie) Chaffee of Carbondale, KS, and Teg (Andrea) Chaffee of Topeka, KS; and siblings, Darlene (Joe) Pollom, Judy (Marvin) Shreiner and Marvin “Butch” Palmer, all of Topeka. She will be dearly missed by her seven grandchildren and four great-grandchildren.

Memorial services will be held at 2:00 p.m. on Friday October 15, 2010, at Northland Christian Church in Topeka, KS.

In lieu of flowers, memorials may be made to the Heartland Hospice or to the Golden Rule Lodge #90 AF & AM.

Davidson Funeral Home in Topeka, KS, is assisting the family with arrangements. Online condolences may be made at davidsonfuneral.com.

Lois Elouise Davidson

A longtime resident of Canon City, CO, Lois Elouise Davidson, widow of the late Fred H Davidson, passed away on Thursday, October 7, 2010.

Lois and Fred were united in Holy Matrimony in Kansas City, MO, on June 24, 1944. They moved to Canon City in 1966, and had resided there until their deaths.

Lois was the daughter of Mr. Louie R. and Jetta (Ashlock) Potter of Mound City, MO. She was born on August 12, 1919.

Lois is survived by one sister, Clarice (Potter) Kuhn, of Mound City, MO; and one nephew, Steven Swaim, of Maryville, MO.

Lois was preceded in death by her husband; parents; three brothers, Roy, John and Keith; and two sisters, Christine Potter and Ina (Potter) Swaim.

Beloved by family and friends alike, Lois will be greatly missed.

Funeral services were held Tuesday, October 12, 2010, at 2:00 p.m. at the Holt Chapel of the Garden in Canon City, CO. Bill McDowell officiated. Interment followed at Lakeside Cemetery in Canon City. Arrangements were handled by Holt Family Funeral Home in Canon City.

John A. Miller

John A. Miller, 54, of Craig, MO, passed away October 1, 2010, at Tarkio Rehabilitation Center in Tarkio, MO.

John was born in Fairfax, MO, on February 28, 1956, and attended school in Mound City, MO. He was preceded in death by his father, Maurice Miller; and his son, John F. Miller.

Survivors include John’s mother and stepfather, Beverly and Ronald Gilland, Craig, MO; sons, James of Mound City and George of Linden, KS; daughter, Tiffany Miller of Kansas City, MO; brothers, Steve and Robert, both of Craig, and Bill, Tarkio; sisters, Kathy Frost of Excelsior Springs, MO, Patty Osten of Skiatook, OK, and Tammy Thomas of Cameron, MO; and nine grandchildren.

The body has been cremated under the direction of Chamberlain Funeral Home, Mound City, MO. A private family memorial service will be held at a later date.

Memorials may be directed to Kendallwood Hospice or Tarkio Rehabilitation Center.

75th anniversary celebration at Squaw Creek to peak on Saturday

The 75th Anniversary Celebration at Squaw Creek Refuge near Mound City will peak this Saturday, October 16, with the beginning of a free public refuge bus tour at 10 a.m. and later in the day at 3 p.m. Refuge volunteers will be honored at 12 noon and visitors are invited to stop by the headquarters to see wildlife exhibits complimented with the appearance of local bird carver, Mike Moseman, displaying artwork and demonstrating his unique techniques in carving.

The highlight of Saturday’s activities will be having refuge staff members host a 2 p.m. ceremonial program with invited dignitaries and special guests to the refuge. The public is invited to attend this event free of charge in the headquarters’ auditorium. Guests may view the history of Squaw Creek National Wildlife Refuge in scrapbooks dating from the 1930’s to present.

Kyla Watkins commissioned as 2nd Lieutenant

Kyla (Young) Watkins, daughter of Kyle and Tami (Boyd) Young of Catoosa, OK, was recently commissioned as a 2nd Lieutenant in the U.S. Army and has just completed six weeks of Officer Leadership Training at Fort Sam Houston on San Antonio, TX.

Kyla is the recipient of an Army Scholarship for medical school and is in her second year as a student doctor at Rocky Vista University College of Osteopathic Medicine in Parker, CO.

Kyla graduated a year early from Catoosa High School in 2004. She earned her Bachelor’s of Science Degree in 2008 from Lindenwood University in St. Charles, MO.

Kyla and her husband Stephen live in Parker, CO, where Stephen is employed as the Communications Pastor at Creekside Bible Church.

Chapter HP PEO will enjoy a social meeting on Wednesday, October 20.

The chapter will visit the Remington Nature Center in St. Joseph, MO.

Detailed arrangements for the trip will be forthcoming.

William White Chapter meets

The William White Chapter, NSDAR, met Tuesday, October 5, at Sharp’s Grove near Craig, MO, for the fall evening meeting. The meal was a German October fest served by the ladies of the church.

Mary Lee Privett, Regent, opened the meeting with the Pledge of Allegiance and singing of the national anthem. Betty Bussard gave the prayer and devotion. Corey Kudrna, from the Squaw Creek Wildlife Refuge, gave an excellent program.

The meeting was opened with the DAR ritual. The guests were introduced: Marilyn Larsen, Springview, NE; Karen Fischer, King City, MO, and Janice Phelps, Rock Port, MO, are sisters joining William White; and Patty Hatfield-Deering, Rock Port, a DAR member transferring to William White.

The Constitution minute, President General’s message, National Defense report, Indian minute and Women’s issues were all given.

The Northwest District meeting was attended by Regent Privett, Susan Rippen, Annamarie Hunziger, Iona White and Carolyn Bahler Hautzenroeder. Annamarie was honored by the national NSDAR Genealogical Records Committee for her contribution indexing 100,679 names from books in the NSDAR Library. She

was ranked 9th in the nation indexing.

The Holt County Historical Society is holding a Family History Conference on October 16 and the chapter is participating with a table.

The next meeting will be lunch on Tuesday, November 2, at Sharp’s Grove. The program will be about the American Revolution. Reservations should be made with Regent Privett.

Anyone interested in becoming a DAR member should contact a local member for information or Regent Privett at 660-442-6126. It is an organization open to those that can prove an ancestor had an active part in the establishment of this new nation, which was to become the United States of America.

TOPS meets

TOPS 1163 met at Mound City Concordia Lutheran Church on Monday, October 11, 2010.

Eight members weighed in. Lela Boyd and Ramona Rhoades tied for best losers for the week.

President Nina Boyd brought the meeting to order.

The members talked about plans for the fall rally on Saturday, October 16, in Cameron, MO. Six members plan to attend.

Roma Chaney will present the lesson next week, as time ran out at this week’s meeting.

Dear Friends:

Time flies when you are having fun! Wow!

Did these eleven years really fly by!

When we walked into the store on August 9, 1999, we didn’t realize what a challenge or a joy it would be. We painted, took out, replaced, adapted and made the store our own. Everyone was very patient with us and happy about the changes we were making. Now it’s time for more change, but not by us, but by a new face, who is very enthusiastic about the store.

We want to thank everyone for their patience, their acceptance and their support. We could not have succeeded without you.

With heartfelt thanks,

Dorothy and David King

VanOrman to celebrate 95th birthday

Inez (Taft) VanOrman of Mound City was born October 25, 1915, in Obion County, Tennessee. Her parents were Fred Kirby and Olive Ruth (Ridings) Taft.

Inez married John E. Van Orman in Poplar Bluff, Missouri, on May 9, 1934. She is the mother of three children: Nana Ruth Mulvania, Rogers, Arkansas, John VanOrman, Jr., Loveland, Colorado, and Jane Ann Egbert of Lincoln, Nebraska.

No formal celebration is planned for the honoree, however, cards may be sent to: Inez VanOrman, 111 E. Davis Street, Mound City, MO 64470.

Keenagers' Club meeting

The Keenagers' Club met at the Tri-City Friendship Center in Maitland, MO, for the first meeting of the month on Monday, October 4. Fern Metcalf of Maryville, MO, was hostess to six regular members and two guests. The guests were Brenda Long of Mound City and Evelyn Haeffle, also of Mound City. Long was driver for those who came from Mound City.

After lunch, the group played cards. Metcalf, the hostess, won high score and Lois Carter of Barnard, MO, was second high. The next October meeting will be on Monday, October 18, with Diane Smock serving as hostess.

The beautiful sanctuary layout- Of St. John's Lutheran Church in Corning, MO, that was built in 1893 was designed by Pastor Proft. Peter Thull of Rock Port, MO, was the contractor for the project.

St. John's Lutheran Church celebrates 150th anniversary

St. John's Lutheran Church in Corning, MO, celebrated its 150th sesquicentennial anniversary on Sunday, October 10.

Pastor Bob DenOuden of Chino, CA, a pastor of the tri-parish from 1986-1999, preached at the morning service. The morning liturgist was Pastor Jenkins who preached there from 1974-1988. Soloists for the service included Nancy Jenkins and Bernie Heits. Seth Jenkins performed a trumpet solo.

Other pastors and pastors' family members included: Pastor Schrieber's wife and two daughters from Wisconsin, who served from 1942-1948. (The church's stained glass windows were put in in 1943.) Members of the Pastor Faszholz family from Omaha, NE, also attended the celebration. Pastor Craig, who served as liturgist at the afternoon service,

Mound City Board of Aldermen minutes

Some water customers to see rate increase - All sewer customers to see 5% increase

The Mound City Board of Aldermen met on Thursday, October 7, 2010, at 7:00 p.m.

Present for the meeting were Larry Russell, Stan Seitz, Jim Krueger, Robert Heck and Duane Nauman.

There being no additions, deletions or corrections, Alderman Krueger moved to waive the reading of the minutes from the September 9, 2010, regular meeting and approve them as presented, Heck seconded. Approved unanimously.

Presentations/Guests

Russ Northup and Jonathan Miller, Mound City Builders: Russ Northup and Jonathan Miller were present representing Mound City Builders and stated they have a contract with Northwest Health Services to purchase the building at 502 State St. Northwest Health Services is waiting on a federal lien to be released before the sale is finalized. Northup and Miller requested that the City extend the deadline to replace or repair the handicap accessible area of the sidewalk. They are aware that Mound City Builders will be responsible for the repair and/or replacement of the handicap area once the sale is completed. They do not want to spend any money on the project until everything is finalized, which could be as late as November 30. Council members agreed to give an extension until April 1, 2011, and may reevaluate the deadline at that point depending on the weather. Northup and Miller stated that they will meet with the council at a later date to discuss the possible options and designs of the curb. Miller has visited with several concrete contractors about the sidewalk and they all say that due to the height of the curb there will be problems with washout on any zero entry curbing. They also are not sure a 40' handicap accessible area is needed.

Steve Portman - Bids for Concrete Drive: Mr. Portman was present to submit a bid for the concrete drive, but the bid letting was on Tuesday, October 5, at 2:00 p.m. Council members reviewed the only bid submitted which was from J & E Concrete for \$9,500. Tabled for discussion later in the meeting.

Old Business

Siren Project: Bids for Removal of Old Siren at City Hall Park – There were no bids received for removal of the old siren at City Hall Park.

Remote Informer at Tiffany Heights – As part of the new siren project, the City purchased two remote informers. One of the remote informers was given to

Tiffany Heights but administrator Tammy Yocum said they may not need the unit as the new sirens could be heard throughout the building when they were being tested. She is willing to return the unit if the council knows of another location for it. There was brief discussion as to where else it could be placed but no decision was made at this point. The informer for the school had to be returned but another should be received at anytime.

Misc. – Alderman Seitz reported that he spoke with Marty Liles and Matt Sonnor, MoDOT, about the handicap accessible area on State Street and according Sonnor at least a 5 foot handicap accessible area is required.

New Business

Davis Creek Bridge Repairs – Mayor Russell had asked Steve Portman to do an assessment on the Davis Creek Bridge as far as repairs to the decking. Portman reported that the bridge itself is structurally sound, but about six feet of concrete on both sides needs repaired. In his opinion, there is no need to replace the whole deck if the City is planning on having it overlaid next year when MoDOT is doing Route E. Russell also reported he talked with the fire department about washing the bridge to get a better look at damaged areas but Chief Rother did not want to wash it off until just before any repair work because the pressure of the water would wash away concrete and expose more rebar. Portman felt the most cost effective solution would be to saw out the bad sections and then pour in new concrete. Half of the bridge would be done at a time and the project could be completed in one and a half to two weeks at an estimated cost of \$6,000. Mayor Russell also consulted with Jeff Karsten who recommended replacing the entire deck and using an epoxy sealant for around \$35,000. Tabled until city officials know the outcome of the community survey for the CDBG grant.

Public Hearing

Water & Sewer Rate Increases – Council members discussed the proposed increase in water and sewer rates. The rural PWSH has noticed an increase in usage over the past year which resulted in a lower cost per gallon. The proposal is to leave the PWSH base rate, for the first 1.2M gallons, the same, but lower the amount of the second tier rate from \$4.43/1,000 gallons to \$4.29/1,000 gallons. There is a proposed 4% increase for other local users. The water rate analysis rec-

ommended an increase from \$6.57 per 1,000 gallons to \$6.90 per 1,000 gallons. The \$5.65 base charge would remain the same. The average user of 5,000 gallons per month would see a 4% increase. Alderman Nauman made a motion to approve the new water rates, Seitz seconded. Motion carried.

Council members reviewed the sewer rate analysis which indicated a 5% increase is needed to support the costs of operation, debt and repair/replacement reserves. Alderman Seitz moved to increase sewer rates, as proposed, to a base charge of \$5.40 per month plus \$3.62 per 1,000 gallons, Heck seconded. Approved unanimously. Ordinances will be prepared to implement these changes.

Sonny McCormick was present and questioned why fluoride is being added to the water and also discussed the condition of alleys and trees. Alderman Nauman will follow up on the fluoride concern.

Department Reports

Police – Monthly Report: Chief Panning reported problems with the department's computer and presented several quotes for a new system. Alderman Seitz will work with Panning to get a new system purchased. Council members reviewed the monthly report and Panning discussed recent and upcoming training.

Alderman Seitz reported that City Officers will not be on the park grounds as security at the WineFest this weekend but will be on their regular patrol and available for call if needed.

Sewer – Mayor Russell has been asked about selling the walnut trees from the lagoon ground. Alderman Seitz will take a look at the trees before a decision is made on selling them.

Water – Publish RFP for Cleaning Lime Pits: Council members agreed to advertise for bids for removing sludge from the lime pits and hauling it to the lagoon ground with bids to be reviewed at the November meeting. Alderman Heck suggested the sludge be stockpiled away from the creek and in the open area to make it easier for spreading next spring.

Street – Bids for Sale of Spreader: No bids were received.

Kelly Graves reported that 50 tons of road salt has been delivered. Council members discussed hauling in several loads of 3/8" chips before winter. A door is needed on the front of the salt dome to keep rain off the salt. Mayor Russell will talk to the original contractor about a door.

The clerk informed the council of the potential for a city gasoline tax, authorized

by the state constitution, for street repairs and improvements. The tax requires a 2/3 majority approval by voters. Council members also discussed needed repairs to 9th Street.

Equipment Building: Construction Specs – No update at this time.

Park/Pool – Pool Financial Report: The clerk reviewed the pool's year-to-date revenues and expenditures for the 2010 season. At this time there is an operating loss of \$9,700 which is less than last year.

Prepayment of Lease Principal: After review of current debt service fund balances, Alderman Heck moved to approve a \$30,000 prepayment on the pool lease principal in addition to the annual payment of \$25,000 due January 1, Seitz seconded. Approved unanimously.

Ordinances

Bill No. 10-7-2010(1): Award Contract for Concrete Drive was placed on its first reading. After further discussion no motion was made to award the contract due to lack of funds. This may be rebid next spring.

Award Contract for Removal of Siren at City Hall Park: There were no bids for removal of the siren at City Hall Park. The clerk will contact Glenn Caton about disconnecting the power to the old siren.

NUISANCE VIOLATIONS/DANGEROUS BUILDING – No discussion.

Administration

Approve Special Tax Bills for Nuisance Abatement: Alderman Nauman moved to approve a Special Tax Bill for nuisance abatement at 508 Mound, Heck seconded. Approved unanimously.

Executive Safety Committee Meeting Minutes: Council members reviewed the minutes from the Executive Safety Committee meeting.

MO One Call: Clerk Smith reported that MO One Call will be notified when there is a temporary change in the contact list for emergency dig notices.

Use of City Property: 4-H Paper Drive at Pool Parking Lot Oct 10th: This annual event is scheduled for this Sunday afternoon. Insurance information has been sent to MIRMA.

Financial Reports: Clerk Smith reports that the Dollar General TIF project will be paid in full this month. The project was originally approved in Aug. 2002 with an estimate of 15 years to retire.

Meeting Date: Council members set the next meeting for Tuesday, November 9, 2010, at 7:00 p.m.

Miscellaneous: The clerk reminded the council that Fall Cleanup Day is scheduled for October 24 and also reported that five catering licenses were issued for the WineFest on Saturday, October 9, at Griffith Park.

Accounts Payable – Alderman Heck moved to approve the bills paid subsequent to the September 9, 2010, meeting and to approve and pay the current month's bills as presented, Krueger seconded. Approved unanimously.

At 8:50 p.m. Alderman Heck moved to close the meeting pursuant to RSMo 610.021(1), Seitz seconded. Approved unanimously.

Alderman Nauman moved to come out of closed session at 9:29 p.m., Krueger seconded. Approved unanimously.

Alderman Heck moved to adjourn the meeting at 9:30 p.m., Krueger seconded. Approved unanimously.

Preschool teacher, Lisa Caton- Received her flu shot by nurse Connie Jackson at the Mound City School on Tuesday, October 12. The Holt County Health Department held flu clinics at all Holt County schools.

School employees get flu vaccines

Holt County Health Department (HCHD) nurses, Brenda Nelson (administrator) and Connie Jackson, teamed up with Holt County School Nurse Susan Lentz to provide flu prevention clinics in Holt County schools this past week.

A clinic for students was held at the HCHD on Wednesday, October 6, from 4:30 p.m. to 6:00 p.m. Students could receive the flu mist nasal spray or the vaccine.

Flu clinics were held at Holt County schools for school employees. The vaccines were administered at

Mound City R-2 on Tuesday, October 12, at South Holt R-I on Thursday, October 7, and at Craig R-3 on Friday, October 8.

The hope is by vaccinating students and school employees, the community at large will remain healthier during the flu season.

School Nurse Susan Lentz has begun her elementary classroom disease prevention education reminding students about handwashing, coughing in your elbow and not your hands, and keeping your hands away from your eyes, nose and mouth.

MIM project going well at Nodaway-Holt

The Nodaway-Holt School District was chosen as one of thirteen schools in Missouri to pilot the Missouri Integrated Model (MIM), an innovative program directed at goals identified by parents, teachers, administrators and state personnel. MIM has the goal of creating effective schools where parents, community members and school staff work together in making date-driven decisions to ensure positive social and educational benefits for all students.

Nodaway-Holt has been on board with the program since its inception in 2007. The Nodaway-Holt district team is comprised of Rita Carroll-Elementary Principal, Ethan Sickels- High School Principal, Cindy Lemar, Andrea Sturgis, Robin Shamberger, Stacey Calfee and Melissa Jackson.

The leadership team recently completed a self-study to determine prioritized needs, working with five basic areas. After highlighting the district's needs, the team created

an action plan.

One priority for the district was to develop a shared mission and vision, which provide a road map to the school improvement endeavor. The district's mission is "Quality education today for a successful tomorrow." The district's vision is "Be a quality system: enlighten, instruct, intervene, model and collaborate."

"It's bringing our K-12 staff together as one, instead of looking at it as independent elementary and high schools with different goals," stated Nodaway-Holt Superintendent Karma Coleman.

The MIM program is a 3-tiered model focusing on support for students in academic and behavior areas. It provides for academic intervention.

"It is easier to set district goals and achieve them with this grant. It provides the funding for the professional development that the entire district needs," stated Coleman.

4-H Interstate Show display

The 4-H Interstate Show was held October 7-9 at the East Hills Mall in St. Joseph, MO. Holt County 4-H Shiloh and Sunrise club members displayed 39 projects in this show. Members creating exhibits were Gabrielle Heck, Carina Metzgar and Kimberly Corbin from the Shiloh Club; Emma Ezzell, Bryan Nowling, Jonathan Nowling, Olivia Richards, Rachel Kurtz and Sophie Richards from the Sunrise Club.

Grape stomping at a new fund raising event

Guests at a new fund raising event - Sponsored by the Northwest Missouri Enterprise Facilitation, had the chance to stomp grapes on Saturday, October 9, in Mound City. The ladies pictured above anxiously await their turn to stomp grapes during the process of wine making. The event brought people from all over northwest Missouri and adjoining states. The winefest at Griffith Park provided a “life enhancement” opportunity for all who attended.

GREAT Northwest Winefest

The GREAT Northwest Winefest - Was held in the beautiful fall setting of North Griffith Park in Mound City on Saturday evening, October 9. Around 300 guests relaxed and enjoyed wine samplings from several wineries as well as artisan booths, gourmet food, and fabulous entertainment.

Holt County Commission meets

The Holt County Commission met Monday, September 20, 2010, at 9 a.m. with Presiding Commissioner Mark Sitherwood, First District Commissioner Bill Gordon and Second District Commissioner Don Holstine present. Road and Bridge Supervisor Daryl Biermann met with the commission to discuss bridge replacement project BRO-29 on Ironwood Road. Mr. Biermann stayed for a conference call with the Missouri Department of Transportation (MoDOT) and Burlington Northern Santa Fe (BNSF) Railroad regarding the closure of West Prairie Road and the modification of the approach on the south side of East Prairie Road, all in the southern part of Holt County near Forbes. Holt County's attorney, Ivan Schraeder, joined the conference call. After consideration, MoDOT agreed to elevate T Highway in the area parallel to the East Prairie Road crossing by two feet to allow for a nine percent grade in the approach to the railroad crossing. The grade is currently 19 percent. The county agreed to two separate contracts: #1 between the county and MoDOT for right-of-way work on the approach from T Highway to the railroad crossing; and #2 between the county, MoDOT and BNSF for the closure of West Prairie Road, for which an incentive of \$50,000 has been offered to the county. All parties agreed to revise current contracts and move forward with preliminary design for the modifications at East Prairie Road. Commissioner Gordon left the meeting. After review, Commissioner Holstine made a motion to accept the minutes as written by County Clerk Kathy J. Kunkel. The motion was seconded by Commissioner Sitherwood and passed.

The commissioners took a conference call with

Phil Schrick, PE, McDonald & Warger, Liberty, MO. Mr. Schrick is the county's engineer for BRO projects 29 and 30. Tom Williams, Oregon, MO, approached the commission to request a waiver for a 12-ton bridge on Honeydale Road. Mr. Williams plans to make improvements to his airstrip west of the bridge, but needs contractors to haul asphalt materials to the site, crossing the bridge over the weight limit. Commissioner Sitherwood agreed to look into the project and determine if the county can waive the ton limit. Being no further business, the commission adjourned until Monday, September 27, 2010. The Holt County Commission met Monday, September 27, 2010, at 9 a.m., with Presiding Commissioner Mark Sitherwood, First District Commissioner Bill Gordon and Second District Commissioner Don Holstine present. Brenda Nelson, R.N., Health Department Administrator, joined the commission to give an update on her department. She also presented contracts for renewal. Mrs. Nelson discussed upcoming flu vaccine clinics scheduled at the annex building. Assessor Carla Markt met with the commission to review a recent ruling by the State Tax Commission on the Board of Equalization appeal of Golden Triangle Energy, Craig, MO. The State Tax Commission has ruled in favor of Assessor Markt, finding the value of the newly constructed portion of the plant to be \$10,600,000, following a hearing on July 29, 2010. This sum is greater than \$9,186,521 originally applied to the tax books by Mrs. Markt. The actual cost of the improvement to the plant was \$17,000,000, with completion of the project in 2008. Golden Triangle Energy (GTE) has asserted the

value is \$7,600,000. The Holt County Commission, in 2007 and 2008, offered to issue Chapter 100 Bonds for up to \$16,000,000 for the new construction for a period of ten years with a payment in lieu of taxes built into the bonds. GTE declined the bonds. The original plant, placed in Chapter 100 Bonds in 2000, will complete its bond contract in 2011 and will be placed on the tax rolls for January 1, 2012. GTE has 30 days to appeal the State Tax Commission ruling on the new construction. Marty Lyles, MoDOT, presented a set of preliminary plans for review by the Holt County Commission for modifications to East Prairie Road at the Burlington Northern Santa Fe Railroad crossing along T Highway in southern Holt County. The commissioners agreed to contact David Potter and Rodney Wales, landowners at the site. Both landowners will review plans and request for additional right-of-way. The commissioners requested that MoDOT consider an elevation greater than two feet on T Highway to allow for a more moderate grade on the south side approach to the railroad crossing. Road and Bridge Supervisor Daryl Biermann discussed upcoming FEMA work and rock truck repair. County Clerk Kathy J. Kunkel provided updated budget information for the county's General Revenue Fund and the Road and Bridge Fund. The commissioners reviewed the data from the close of the third quarter. Being no further business, the commission adjourned until Monday, October 4, 2010. The Holt County Commission met Monday, October 4, 2010, at 9 a.m., with Presiding Commissioner Mark Sitherwood, First District Commissioner Bill Gordon and Second Dis-

trict Commissioner Don Holstine present. Assessor Carla Markt approached the commission to further report on Board of Equalization appeals by Golden Triangle Energy, Craig. Mrs. Markt plans to meet with GTE in the coming week. Rodney Wales, Oregon, met with the commission to review preliminary plans for the elevation of T Highway and the modification of the approach to the south side of East Prairie Road at the Burlington Northern Santa Fe railroad crossing. Road and Bridge Supervisor Daryl Biermann discussed grading and work schedules for road work. He requested temporary help for grading work, while an employee is on leave. The commissioners agreed to a part-time, temporary employee to fill in as needed at a rate of \$11 per hour with no benefits. Commissioner Holstine left the meeting. The commissioners discussed a request from Corning Special Road District Board Chairman Russel Grundel. Mr. Grundel would like the county Road and Bridge department to continue to haul his CART road rock for 2011, with the district paying the county for any costs incurred. The commissioners declined the request. Special Road Districts will receive their allotted share of the Local CART ½ cent sales tax each month, and will be required to purchase and haul their own road rock. The commissioners reviewed budgetary expenses for the 2010 year and projected expenses for 2011 with County Clerk Kathy J. Kunkel. Additional discussion was held on the county's share of group health insurance costs. Being no further business, the commission adjourned until Tuesday, October 12, 2010.

Beautiful weather draws great crowd to Family Fun Day at the refuge

Beautiful weather drew the largest crowd ever to the 5K run to Squaw Creek National Wildlife Refuge on Saturday, October 9. Over 75 runners participated in the race, with Paul Grant of Mound City, MO, crossing the finish line first. He ran in the men's category as a 17 year-old, and finished with a time of 20.25. A complete list of competitors and times will appear in future editions of this paper.

In celebration of the refuge's 75th anniversary, a Family Fun Day was held on Saturday too. Family Fun Day events took place all around the auto tour loop with activities drawing anywhere from 29 to 120 people throughout the day.

Families picked up their information packet at the headquarters and set out to enjoy archery, nest building, canoeing, searching for frogs, fur trapping demonstrations, 22 caliber hand rifle shooting, public fishing, goose hunting demonstrations, hikes, displays and other activities.

Refuge information and upcoming activities can be found on its website at: www.fsw.gov/midwest/squawcreek.

Mound City junior high ends season with a win

The Mound City Lady Panther volleyball teams travelled to Graham, MO, on Thursday, October 7, to play the Nodaway-Holt Lady Trojans in junior high and varsity volleyball.

In the junior high's last match of the season, the Lady Panthers dropped the first game 25-20. They came back with a vengeance and sealed a 25-12 win in the second game. In the final game, the score reflected good play as it varied point by point. Mound City ended up with the advantage and a 25-23 game and match win.

Lena Ashford had eight aces and five assists for Mound City. Kendey Eaton had two aces, two kills and five digs. Emily Wedlock had six kills. Grace Newcomb had two aces, a kill and a dig. Mae Sanders had an ace and Lily Forehand had two aces. Megan Grover had a kill. Tasha Ritchie had two aces and a dig. Hillary Russell had an ace and a dig.

The team finished the season with a 3-3 record.

Mound City Coach Kayla Schoonover commented on the junior high Lady Panthers' season, "The girls played very well and showed

much growth throughout the season. I was pleased with the way they finished their season, by not giving up and pulling out a win."

The varsity Lady Panthers took the floor and pulled off a commanding 25-6 and 25-16 conference win over the Lady Trojans.

"The girls are playing strong and are pumped with all the support from the crowd," commented Mound City Coach Kayla Schoonover.

Alex Phillips had two aces, two assists, five kills, one block and two digs for the Lady Panthers. Taylor Miles had two aces, 12 assists, one block and two digs. Tori Ingram had five kills. Abby Haer had four aces and a kill. Emilee Messer had three aces, two kills and three digs. Haylee Clifton had three kills and a block. Taylor Blevins had two digs. Katie Portman had two aces. Kirstan Buckles had a kill.

The Lady Panthers are 15-2 on the season and 4-1 in the conference. Tonight, the Lady Panthers host a tri-meet with Sacred Heart and Pawnee City beginning at 5:30 p.m.

Senior Lady Panther golfer Taylor Blevins- Finished out her season shooting a 103 at the Sectional 4 Golf Meet on Wednesday, October 6, at Mozingo in Maryville, MO, just missing the score cutoff for the state tournament.

Blevins close to state golf repeat

Taylor Blevins, number one golfer of the Mound City girls' golf team, finished sectional golf on Wednesday, October 6, just one place away from another state golf opportunity. The Sectional 4 Golf Meet was held at Mozingo Golf Course in Maryville, MO, hosting qualifying participants from District 7 and District 8. Of the 21 participating schools, four teams and individual participants totaling 51 girls competed for a chance at state competition on October 18-19. Elizabeth Sivill from

Chillicothe shot a 78 to win the sectional meet. The Maryville team finished first with a 361 and the Kirksville team second with a 379. Mound City senior golfer Taylor Blevins shot a 103 and finished in 20th place. Cutoff for state qualifiers was 19th place with a 101. Taylor finished the golf season and her high school career with a great record. Lady Panther golfer Abby Haer finished the season with a 114 and 28th place while Alex Phillips was 29th shooting a 115.

CFX quarterback Nathan Hinrichs- Dropped back to pass in the CFX Hornets' game against the Tarkio Indians on Friday, October 8, in Tarkio. Nathan had a 53-yard pass to Jordan Stoner for a touchdown in the contest.

Hornets fall to Tarkio

The CFX Hornets lost to the Tarkio Indians on Friday, October 8, in Tarkio by a score of 68-14. The CFX Hornets allowed Tarkio 24 first quarter points, as the Hornets were unable to reach the end zone. The Hornets connected on a 53-yard pass from Nathan Hinrichs to Jordan Stoner to get on the board. The Hornets left the half trailing 40-6. "I was extremely impressed with the effort and intensity the kids showed to start the second half," commented CFX Coach Grant Tysdahl. "We need to bring that same intensity at the beginning of each game throughout the rest of the season in order to be competitive." After a Tarkio touchdown, Jordan Stoner ran the kick-off back for a 72-yard touchdown to score for the CFX Hornets. Nathan Hinrichs threw the conversion pass to Tristan Ray to pick up the extra points. The Hornets trailed at the end of three quarters, 48-14. The Tarkio Indians added three fourth quarter touchdowns to seal their Homecoming victory. Several Hornet players were injured during the game and CFX Coach Tysdahl commented, "I was impressed with a bunch of non-starters who saw valuable playing time due to injuries. They did a great job filling in various positions throughout the evening." Thauan Andrade carried nine times for 36 yards for CFX. Nathan Hinrichs had four carries for 20 yards. Michael Eddlemon had nine carries for 13 yards. Jordan Stoner had three carries for 6 yards. Jordan Stoner had three receptions for 51 yards and a touchdown. Nathan Hin-

richs was three of eleven for 51 yards passing. Kalab Long led the defense with 15 tackles. Michael Eddlemon had 10 tackles. Steven Gibbons, Tristan Ray and Jordan Stoner had six tackles each. The Mound City football team- Put on another impressive defensive display in its shutout game against the North Nodaway Mustangs on Friday, October 8. The team recorded 83 tackles, three sacks and three interceptions in the contest. Pictured above, Kase Newcomb #2, worked to get around the right side as Kyler VanSchoiack #22 (center) and another Mound City defender (left) watched the pitch out to the Mustangs' left side.

Panthers pummel Mustangs

The Mound City Panthers travelled to Hopkins, MO, on Friday, October 8, to play the North Nodaway Mustangs in conference football play. The Panthers shut out the Mustangs and extended their season record to 6-1 with a 48-0 win.

The Panthers put in two quarters tallying 20 points in each period, to take a 40-0 lead at the half.

Mound City scored its first touchdown on a 58-yard run from Lucas Schawang. Lucas picked up the second touchdown on a 38-yard run. Josh Owens added the conversion points. The last touchdown of the first quarter came on a 30-yard pass from Lucas Schawang to Miles Jumps.

Josh Owens reached the end zone first for the Panthers in the second period, from an 11-yard run. Lucas Schawang escaped the Mustang defense again for another long touchdown

run, this time for 65 yards. Josh Owens picked up the final touchdown of the half on a 24-yard pass from Lucas Schawang. Mound City led 40-0 at the break.

The third quarter saw another Panther touchdown, when Lucas Schawang intercepted a Mustang pass and returned it 58 yards. Montana Schawang added the extra points. The Panthers finished with the 48-0 win.

The Panther offense combined for 283 yards rushing and 84 yards receiving.

Lucas Schawang carried eight times for 199 yards. Thomas Shifflett had one carry for 40 yards, Josh Owens carried three times for 30 yards and Brett Johnson had three carries for 19 yards. Montana Schawang had four carries for 11 yards, Zach Kahle had three carries for six yards and Pat Hurst had one carry for three yards.

Four receivers had one reception each on the night: Miles Jumps for 30 yards, Josh Owens for 24 yards, Jake Reilly for 19 yards and Zach Kahle for 11 yards.

Lucas Schawang completed four of ten passes for 84 yards and two touchdowns.

The Panther defense tallied 83 tackles for a total loss of 12 yards and had three sacks. Lucas Schawang, Miles Jumps and Jimmy Hurst each had an interception. Kaisten Ashford recovered a Mustang fumble.

Kyler VanSchoiack led the Panther defense again with 19 tackles. Josh Owens had 13 tackles, James Walker had 12 tackles and Lucas Schawang had 11 tackles. Kase Newcomb had five tackles and Jimmy Hurst and Miles Jumps had four tackles each. Jake Reilly, Drew Ireland and Trevor Boyd had three tackles each. Zach Kahle had two tackles. Adding one tackle each were Montana Schawang, Pat Hurst, Spencer Staples and Dalton Dreher.

The Mound City Panthers, who are 4-0 in the 275 Conference, will host the Tarkio Indians in district play on Friday, October 15. Game time is 7:00 p.m.

Lady Knights on the road

The South Holt Lady Knight volleyball team was on the road this past week, playing Mid-Buchanan in Faucett, MO, on Tuesday, October 5, and in Rock Port, MO, on Thursday, October 7.

The Lady Knights lost the match with the Lady Dragons of Mid-Buchanan, 25-16 and 25-8.

Darien Fouts had five assists for South Holt. Jenna Kinney had a kill, an ace and a dig. Darian Kurtz had a dig. Cami Scroggins had three kills, two assists, an ace and two digs. Alex Ripley had two kills and two digs. Toshia Jones had two kills and a block.

In Thursday night's conference match with the Lady Jays at Rock Port, the Lady Knights played a tough first game, falling 25-18. The Lady Knights lost steam as the Lady Jays pushed out another win, 25-11.

Toshia Jones had two kills and six digs for the Lady Knights. Alex Ripley had a dig. Cami Scroggins had a kill and three assists. Jenna Kinney had five kills and two digs. Darien Fouts had six assists, four aces and a dig.

The Lady Knights are 8-11-1 overall and 0-4 in the conference. The Lady Knights play in conference action against the Lady Indians in Tarkio tonight.

Junior High Panther Hayden Marrs (#15)- Rushed toward the end zone for another touchdown in Mound City's game against the West Nodaway Rockets in Burlington Junction on Monday, October 11. The Panthers finished with a heartbreaking 50-44 loss, as the Rockets scored in the final ten seconds of the game.

Panther Kase Newcomb- Snatched this pass and raced down field in the junior varsity Panther game against the Rock Port Blue Jays at Burlington Junction. The Panthers finished with a 46-26 win.

Panthers' junior high and junior varsity teams finish seasons at Burlington Junction

Both the Mound City junior high and junior varsity football teams travelled to Burlington Junction on Monday, October 11, to play two different teams. Mound City's junior high played the West Nodaway Rockets, but Mound City's junior varsity played the Rock Port Blue Jays because of lack of junior varsity players on the West Nodaway junior varsity team.

The junior high contest was high action and scoring. The game was in a 44-44 tie with just seconds left on the clock, when the West Nodaway quarterback launched a pass that was caught for the winning score. West Nodaway finished with the 50-44 win.

Scoring touchdowns for the Panthers were Hayden Marrs- 4 touchdowns, Miles Loucks- 2 touchdowns and Kyler Miles- 1 touchdown. Hunter Holstine picked up the only conversion points of the game.

Hayden Marrs and Miles Loucks led the junior high team in rushing. Nathan Hayes and Hunter Holstine were defensive leaders.

"I am pleased with the way we ended our season. We were down the first half, but came out fired up the second half," stated Mound City Coach

Jason Tenney. "We blocked and tackled like a good football team. We attacked and played excited and it was fun to watch."

Mound City's junior varsity took on the Rock Port Blue Jays. Despite a strong offensive attack by the Blue Jays at the onset, the Panthers gained momentum and finished with a 46-26 victory.

Thomas Shifflett scored two rushing touchdowns for the Panthers, and sparked the onset of the third quarter with a long kickoff return for a touchdown. Luke Sanders had two rushing touchdowns as well as throwing a touchdown pass to Hayston Wilson for a score. Hayston Wilson also caught a conversion pass for two Panther points. Pat Hurst had a rushing touchdown. Brett

Johnson added a conversion to the win.

Kaisten Ashford and James Walker were the Panthers' leading defenders.

Proposed Amendments to the Constitution of Missouri and Statutory Propositions

To be submitted to the qualified voters of the State of Missouri at the General Election to be held Tuesday, the 2nd day of November, 2010.

CONSTITUTIONAL AMENDMENT NO. 1
[Proposed by the 95th General Assembly (First Regular Session) SJR 5]

OFFICIAL BALLOT TITLE:
Shall the Missouri Constitution be amended to require the office of county assessor to be an elected position in all counties with a charter form of government, except counties with a population between 600,001–699,999?

It is estimated this proposal will have no costs or savings to state or local governmental entities.

Section A. Section 18(b), article VI, Constitution of Missouri, is repealed and one new section adopted in lieu thereof, to be known as section 18(b), to read as follows:

Section 18(b). The charter shall provide for its amendment, for the form of the county government, the number, kinds, manner of selection, terms of office and salaries of the county officers, and for the exercise of all powers and duties of counties and county officers prescribed by the constitution and laws of the state; however, such charter shall, except for the charter of any county with a charter form of government and with more than six hundred thousand but fewer than seven hundred thousand inhabitants, require the assessor of the county to be an elected officer.

CONSTITUTIONAL AMENDMENT NO. 2
[Proposed by the 95th General Assembly (First Regular Session) HJR 15]

OFFICIAL BALLOT TITLE:
Shall the Missouri Constitution be amended to require that all real property used as a homestead by Missouri citizens who are former prisoners of war and have a total service-connected disability be exempt from property taxes?

The number of qualified former prisoners of war and the amount of each exemption are unknown, however, because the number who meet the qualifications is expected to be small, the cost to local governmental entities should be minimal. Revenue to the state blind pension fund may be reduced by \$1,200.

Section A. Section 6, article X, Constitution of Missouri, is repealed and one new section adopted in lieu thereof, to be known as section 6, to read as follows:

Section 6. 1. All property, real and personal, of the state, counties and other political subdivisions, and nonprofit cemeteries, and all real property used as a homestead as defined by law of any citizen of this state who is a former prisoner of war, as defined by law, and who has a total service-connected disability, shall be exempt from taxation; all personal property held as industrial inventories, including raw materials, work in progress and finished work on hand, by manufacturers and refiners, and all personal property held as goods, wares, merchandise, stock in trade or inventory for resale by distributors, wholesalers, or retail merchants or establishments shall be exempt from taxation; and all property, real and personal, not held for private or corporate profit and used exclusively for religious worship, for schools and colleges, for purposes purely charitable, for agricultural and horticultural societies, or for veterans' organizations may be exempted from taxation by general law. In addition to the above, household goods, furniture, wearing apparel and articles of personal use and adornment owned and used by a person in his home or dwelling place may be exempt from taxation by general law but any such law may provide for approximate restitution to the respective political subdivisions of revenues lost by reason of the exemption. All laws exempting from taxation property other than the property enumerated in this article, shall be void. The provisions of this section exempting certain personal property of manufacturers, refiners, distributors, wholesalers, and retail merchants and establishments from taxation shall become effective, unless otherwise provided by law, in each county on January 1 of the year in which that county completes its first general reassessment as defined by law.

2. All revenues lost because of the exemption of certain personal property of manufacturers, refiners, distributors, wholesalers, and retail merchants and establishments shall be replaced to each

taxing authority within a county from a countywide tax hereby imposed on all property in subclass 3 of class 1 in each county. For the year in which the exemption becomes effective, the county clerk shall calculate the total revenue lost by all taxing authorities in the county and extend upon all property in subclass 3 of class 1 within the county, a tax at the rate necessary to produce that amount. The rate of tax levied in each county according to this subsection shall not be increased above the rate first imposed and will stand levied at that rate unless later reduced according to the provisions of subsection 3. The county collector shall disburse the proceeds according to the revenue lost by each taxing authority because of the exemption of such property in that county. Restitution of the revenues lost by any taxing district contained in more than one county shall be from the several counties according to the revenue lost because of the exemption of property in each county. Each year after the first year the replacement tax is imposed, the amount distributed to each taxing authority in a county shall be increased or decreased by an amount equal to the amount resulting from the change in that district's total assessed value of property in subclass 3 of class 1 at the countywide replacement tax rate. In order to implement the provisions of this subsection, the limits set in section 11 (b) of this article may be exceeded, without voter approval, if necessary to allow each county listed in section 11 (b) to comply with this subsection.

3. Any increase in the tax rate imposed pursuant to subsection 2 of this section shall be decreased if such decrease is approved by a majority of the voters of the county voting on such decrease. A decrease in the increased tax rate imposed under subsection 2 of this section may be submitted to the voters of a county by the governing body thereof upon its own order, ordinance, or resolution and shall be submitted upon the petition of at least eight percent of the qualified voters who voted in the immediately preceding gubernatorial election.

4. As used in this section, the terms "revenues lost" and "lost revenues" shall mean that revenue which each taxing authority received from the imposition of a tangible personal property tax on all personal property held as industrial inventories, including raw materials, work in progress and finished work on hand, by manufacturers and refiners, and all personal property held as goods, wares, merchandise, stock in trade or inventory for resale by distributors, wholesalers, or retail merchants or establishments in the last full tax year immediately preceding the effective date of the exemption from taxation granted for such property under subsection 1 of this section, and which was no longer received after such exemption became effective.

EXPLANATION—Matter enclosed in bold-faced brackets [thus] in the above bill is not enacted and is intended to be omitted from the law. Matter in bold-face type in the above bill is proposed language.

CONSTITUTIONAL AMENDMENT NO. 3
[Proposed by Initiative Petition]

OFFICIAL BALLOT TITLE:
Shall the Missouri Constitution be amended to prevent the state, counties, and other political subdivisions from imposing any new tax, including a sales tax, on the sale or transfer of homes or any other real estate?

It is estimated this proposal will have no costs or savings to state or local governmental entities.

THE PROPOSED AMENDMENT

Be it resolved by the people of the state of Missouri that the Constitution be amended:

One new section is adopted to be known as Article X, Section 25 and to read as follows:

After the effective date of this section, the state, counties, and other political subdivisions are hereby prevented from imposing any new tax, including a sales tax, on the sale or transfer of homes or any other real estate.

EXPLANATION—New matter enacted and intended to be included in the law is shown underlined thus.

PROPOSITION A
[Proposed by Initiative Petition]

OFFICIAL BALLOT TITLE:
Shall Missouri law be amended to:

- repeal the authority of certain cities to use earnings taxes to fund their budgets;
- require voters in cities that currently have an earnings tax to approve continuation of such tax at the next general municipal election and at an election held every 5 years thereafter;
- require any current earnings tax that is not approved by the voters to be phased out over a period of 10 years; and
- prohibit any city from adding a new earnings tax to fund their budget?

The proposal could eliminate certain city earnings taxes. For 2010, Kansas City and the City of St. Louis budgeted earnings tax revenue of \$199.2 million and \$141.2 million, respectively. Reduced earnings tax deductions could increase state revenues by \$4.8 million. The total cost or savings to state and local governmental entities is unknown.

Be it enacted by the people of the State of Missouri as follows:

Section A. Sections 92.110, 92.112, 92.210, 92.220, 92.230, 92.240, 92.250, 92.260, 92.270, 92.280, 92.290 and 92.300 are repealed and five new sections enacted thereof to be known as sections 92.105, 92.110, 92.112, 92.115, and 92.125 to read as follows:

92.105. It is the intent of sections 92.105 to 92.125 that starting in 2011, voters in any city imposing an earnings tax will decide in local elections to continue the earnings tax. If the majority of local voters vote to continue the earnings tax, it will continue for five years and then will be voted on again. If a majority of voters in any city having an earnings tax vote against continuing the earnings tax, it will be phased out pursuant to section 92.125 in such city over a period of ten years. Further, sections 92.105 to 92.125 prohibit any Missouri city or town that does not, as of the effective date of this section impose an earnings tax, from imposing such a tax on residents and businesses.

92.110.1 After December 31, 2011, no city, including any constitutional charter city, shall impose or levy an earnings tax, except, a constitutional charter city that imposed or levied an earnings tax on the effective date of this section may continue to impose the earnings tax if it submits to the voters of such city pursuant to section 92.115, the question whether to continue such earnings tax for a period of five years and a majority of such qualified voters voting thereon approve such question, however, if no such election is held, or if in any election held to continue to impose or levy the earnings tax a majority of such qualified voters voting thereon fail to approve the continuation of the earnings tax, such city shall no longer be authorized to impose or levy such earnings tax except to reduce such tax in the manner provided by section 92.125.

2. As used in sections 92.110 to 92.200, unless the context clearly requires otherwise, the term "earnings tax" means a tax on the:

- (a) salaries, wages, commissions and other compensation earned by its residents;
- (b) salaries, wages, commissions and other compensation earned by nonresidents of the city for work done or services performed or rendered in the city;
- (c) net profits of associations, businesses or other activities conducted by residents;
- (d) net profits of associations, businesses or other activities conducted in the city by nonresidents;
- (e) net profits earned by all corporations as the result of work done or services performed or rendered and business or other activities;

92.112. As referred to in section 92.110, the term salaries, wages, commissions and other compensation shall not include any contributions to any deferred compensation plans, including but not limited to, any salary reduction plans, cafeteria plans or any other similar plans deferring the receipt of compensation by a resident or nonresident if such contribution is not subject to Missouri state income tax at the time such contribution is made.

92.115.1 Any constitutional charter city which as of the effective date of this section imposed or levied an earnings tax, may continue to impose or levy an earnings tax, pursuant to sections 92.110 to 92.200, if it submits to the qualified voters of such city on the next general municipal election date immediately following the effective date of this section,

and once every five years thereafter, the question whether to continue to impose and levy the earnings tax authorized pursuant to sections 92.110 to 92.200, and if a majority of qualified voters voting approve the continuance of the earnings tax at such election.

2. The question submitted to the qualified voters in any such city shall contain the earnings tax percentage imposed and the name of the city submitting the question and shall otherwise contain exactly the following language:

Shall the earnings tax of ____%, imposed by the City of _____, be continued for a period of five (5) years commencing January 1 immediately following the date of this election?

____ Yes
____ No

3. If the question whether to continue to impose and levy the earnings tax fails to be approved by the majority of qualified voters voting thereon, the earnings tax levied and imposed on the effective date of this section shall be reduced pursuant to section 92.125 commencing January 1 of the calendar year following the date of the election held under this section or January 1 of the calendar year following the calendar year in which such election was authorized under this section but not held by such city.

4. No city which has begun reductions of its earnings tax pursuant to section 92.125 may, by ordinance or any other means, with or without voter approval, stop or suspend such reduction.

92.125. If no election is held pursuant to section 92.115, or if in an election held to continue to impose or levy the earnings tax a majority of such qualified voters fail to approve the continuance of the earnings tax, the earnings tax levied and imposed on the effective date of this section shall be reduced as follows:

(1) Beginning January 1 of the first calendar year following the calendar year in which the election provided for in section 92.115 was held or the calendar year in which the election provided for in section 92.115 was authorized to be held but was not held, the earnings tax shall not be in excess of nine-tenths of one percent;

(2) Beginning January 1 of the second calendar year following the calendar year in which the election provided for in section 92.115 was held or the calendar year in which the election provided for in section 92.115 was authorized to be held but was not held, the earnings tax shall not be in excess of eight-tenths of one percent;

(3) Beginning January 1 of the third calendar year following the calendar year in which the election provided for in section 92.115 was held or the calendar year in which the election provided for in section 92.115 was authorized to be held but was not held, the earnings tax shall not be in excess of seven-tenths of one percent;

(4) Beginning January 1 of the fourth calendar year following the calendar year in which the election provided for in section 92.115 was held or the calendar year in which the election provided for in section 92.115 was authorized to be held but was not held, the earnings tax shall not be in excess of six-tenths of one percent;

(5) Beginning January 1 of the fifth calendar year following the calendar year in which the election provided for in section 92.115 was held or the calendar year in which the election provided for in section 92.115 was authorized to be held but was not held, the earnings tax shall not be in excess of one-half of one percent;

(6) Beginning January 1 of the sixth calendar year following the calendar year in which the election provided for in section 92.115 was held or the calendar year in which the election provided for in section 92.115 was authorized to be held but was not held, the earnings tax shall not be in excess of four-tenths of one percent;

(7) Beginning January 1 of the seventh calendar year following the calendar year in which the election provided for in section 92.115 was held or the calendar year in which the election provided for in section 92.115 was authorized to be held but was not held, the earnings tax shall not be in excess of three-tenths of one percent;

(8) Beginning January 1 of the eighth calendar year following the calendar year in which the election provided for in section 92.115 was held or the calendar year in which the election provided for in section 92.115 was authorized to be held but was not held, the earnings tax shall not be in excess of two-tenths of one percent;

(9) Beginning January 1 of the ninth calendar year following the calendar year in which the election provided for in section 92.115 was held or the calendar year in which the election provided for in section 92.115 was authorized to be held but was not held, the earnings tax shall not be in excess of one-tenth of one percent;

(10) After the ninth calendar year following the calendar year in which the election provided for in section 92.115 was held or the calendar year in which the election provided for in section 92.115 was authorized to be held but was not held, the earnings tax shall not be in excess of one-tenth of one percent;

(11) After the tenth calendar year following the calendar year in which the election provided for in section 92.115 was held or the calendar year in which the election provided for in section 92.115 was authorized to be held but was not held, the earnings tax shall not be in excess of one-tenth of one percent;

(12) After the eleventh calendar year following the calendar year in which the election provided for in section 92.115 was held or the calendar year in which the election provided for in section 92.115 was authorized to be held but was not held, the earnings tax shall not be in excess of one-tenth of one percent;

(13) After the twelfth calendar year following the calendar year in which the election provided for in section 92.115 was held or the calendar year in which the election provided for in section 92.115 was authorized to be held but was not held, the earnings tax shall not be in excess of one-tenth of one percent;

(14) After the thirteenth calendar year following the calendar year in which the election provided for in section 92.115 was held or the calendar year in which the election provided for in section 92.115 was authorized to be held but was not held, the earnings tax shall not be in excess of one-tenth of one percent;

(15) After the fourteenth calendar year following the calendar year in which the election provided for in section 92.115 was held or the calendar year in which the election provided for in section 92.115 was authorized to be held but was not held, the earnings tax shall not be in excess of one-tenth of one percent;

(16) After the fifteenth calendar year following the calendar year in which the election provided for in section 92.115 was held or the calendar year in which the election provided for in section 92.115 was authorized to be held but was not held, the earnings tax shall not be in excess of one-tenth of one percent;

(17) After the sixteenth calendar year following the calendar year in which the election provided for in section 92.115 was held or the calendar year in which the election provided for in section 92.115 was authorized to be held but was not held, the earnings tax shall not be in excess of one-tenth of one percent;

(18) After the seventeenth calendar year following the calendar year in which the election provided for in section 92.115 was held or the calendar year in which the election provided for in section 92.115 was authorized to be held but was not held, the earnings tax shall not be in excess of one-tenth of one percent;

(19) After the eighteenth calendar year following the calendar year in which the election provided for in section 92.115 was held or the calendar year in which the election provided for in section 92.115 was authorized to be held but was not held, the earnings tax shall not be in excess of one-tenth of one percent;

(20) After the nineteenth calendar year following the calendar year in which the election provided for in section 92.115 was held or the calendar year in which the election provided for in section 92.115 was authorized to be held but was not held, the earnings tax shall not be in excess of one-tenth of one percent;

and collect, by ordinance, for general revenue purposes, an earnings tax on the salaries, wages, commissions and other compensation earned by its residents; on the salaries, wages, commissions and other compensation earned by nonresidents of the city for work done or services performed or rendered in the city; on the net profits of associations, business or other activities conducted by residents; on the net profits of associations, businesses or other activities conducted in the city by nonresidents; and on the net profits earned by all corporations as the result of work done or services performed or rendered and business or other activities conducted in the city.

92.112. As referred to in sections 92.110 and 92.210, the terms salaries, wages, commissions and other compensation shall not include any contributions to any deferred compensation plans, such as but not limited to, any salary reduction plans, cafeteria plans or any other similar plans deferring the receipt of compensation by a resident or nonresident if such contribution is not subject to Missouri state income tax at the time such contribution is made.

92.210. Any constitutional charter city in this state which now has or may hereafter acquire a population of more than four hundred fifty thousand but less than seven hundred thousand and inhabitants, according to the last federal decennial census, and any city with a population of seventy thousand or more inhabitants which is located entirely within one county which does not have a charter form of government, but which does have another state as one of its boundaries, and which does not adjoin a first class county with a population of at least nine hundred thousand and inhabitants is hereby authorized to levy and collect, by ordinance, for general revenue purposes, an earnings tax on the salaries, wages, commissions and other compensation earned by its residents; on the salaries, wages, commissions and other compensation earned by nonresidents of the city for work done or services performed or rendered in the city; on the net profits of associations, businesses or other activities conducted by residents; on the net profits of associations, businesses or other activities conducted in the city by nonresidents; and on the net profits earned by all corporations as the result of work done or services performed or rendered and business or other activities conducted in the city.

92.220.1. The income received by any

(1) Labor, agricultural or horticultural organizations;

(2) Mutual savings bank not having a capital stock represented by shares;

(3) Fraternal-beneficiary society, order or association, operating under the lodge system or for the exclusive benefit of the members of a fraternity itself operating under the lodge system, and providing for the payment of life, sick, accident or other benefits to the members of such society, order, or association or their dependents;

(4) Domestic building and loan associations and credit unions without capital stock organized and operated for mutual purposes and without profit;

(5) Cemetery company owned and operated exclusively for the benefit of its members, unless said cemetery is operated for profit;

(6) Corporation or association organized and operated exclusively for religious, charitable, scientific or educational purposes, no part of the net income of which inures to the benefit of any private stockholder or individual;

(7) Business league, chamber of commerce or board of trade not organized for profit and no part of the net income of which inures to the benefit of any private stockholder or individual;

(8) Civic league or organization not organized for profit but operated exclusively for the promotion of social welfare;

(9) Club organized and operated exclusively for pleasure, recreation and other non-profitable purposes, no part of the net income of which inures to the benefit of any private stockholder or member;

(10) Farmers or other mutual hail, cyclone or fire insurance company, mutual ditch or irrigation company, mutual or cooperative telephone company, or like organization, the income of which consists solely of assessments, dues and fees collected from members for the sole purpose of meeting its expenses;

(11) Farmers, fruit growers or like association, organized and operated as a sales agent for the purpose of marketing the products of its members and turning back to them the proceeds of sales, less the necessary selling expenses, on the basis of the quantity of produce furnished by them;

(12) Corporation or association organized for the exclusive purpose of holding title to property, collecting income therefrom, and turning over the entire amount thereof, less expenses, to an organization which itself is exempt from the tax imposed by chapter 143, RSMo;

(13) Federal land banks and national farm loan associations, as provided in section 26 of an act of Congress approved July 17, 1916, entitled "An act to provide capital for agricultural development, to create standard forms of investment based upon farm mortgage, to equalize rates of interest upon farm loans, to furnish a market for United States bonds, to create government depositaries and financial agents for the United States, and for other purposes";

(14) Joint stock land banks as to income derived from bonds or debentures or other joint stock land banks or any federal land bank belonging to such joint stock land bank;

(15) Express companies which now pay an annual tax on their gross receipts in this state and insurance companies which pay an annual tax on their gross

premium receipts in this state;

(16) Trust created by an employer and employees as part of a stock bonus, pension or profit-sharing plan, for the exclusive benefit of employees, to which contributions are made by such employer or employees, or both, for the purpose of distributing to such employees the earnings and principal of the fund accumulated by the trust in accordance with such plan, or a trust consisting solely of one or more restricted retirement funds created for one or more self-employed persons as part of a retirement plan for the exclusive benefit of such self-employed person or persons, to which contributions are made by such self-employed person or persons, for the purpose of distributing to such self-employed person or persons the earnings and principal of the fund accumulated by the trust in accordance with such plan and the amount actually distributed, or made available to any distributee; shall not be taxable under any tax ordinance enacted pursuant to the provisions of sections 92.210 to 92.300.

2. The following income, regardless of who receives it, shall be exempt from such tax:

(1) The proceeds of life insurance policies paid to the individual beneficiaries upon the death of the insured;

(2) The amount received by the insured as a return of premium or premiums paid by him under life insurance or endowment contracts, either during the term or at the maturity of the term mentioned in the contract or upon the surrender of the contract;

(3) Any amount received under workers' compensation acts, as compensation for personal injuries or sickness, plus the amount of any damages received whether by suit or agreement on account of such injuries or sickness, or through the war risk insurance act or any law for the benefit or relief of injured or disabled members of the military or naval forces of the United States;

(4) The value of property acquired by gift, bequest, devise or descent, but the income from such property shall be included as income;

(5) Interest upon the obligations of this state or of any political subdivision thereof, or upon the obligations of the United States or its possessions;

(6) Any income derived from any public utility performing functions of national government or those incident to the state or any political subdivision thereof, or from the exercise of any essential government function accruing to any state, territory or the District of Columbia; provided, that whenever any state, territory or the District of Columbia, or any political subdivision of a state or territory has, prior to the passage of chapter 143, RSMo, entered in good faith into a contract with any person or corporation the object and purpose of which is to acquire, construct, operate or maintain a public utility, no tax shall be levied under the provisions of chapter 143, RSMo, upon the income derived from the operation of such public utility, so far as the payment thereof will impose a loss or burden upon such state, territory or the District of Columbia, or a political subdivision of this state; but this provision is not intended to confer upon such person or corporation any financial gain or exemption or to relieve such person or corporation from the payment of a tax as provided for in chapter 143, RSMo, upon the part or portion of said income to which such person or corporation shall be entitled under such contract.

92.230. The tax on salaries, wages, commissions and other compensation of individuals, subject to tax, and on the net profits or earnings of associations, businesses or other activities, and corporations, subject to tax, shall not be in excess of one percent a year.

92.240. The net profits or earnings of associations, businesses or other activities, and corporations shall be ascertained and determined by deducting the necessary expenses of operation from the gross profits or earnings.

92.250. The earnings or net profits subject to tax of any nonresident individual, of any association or business conducted by nonresidents, or of any corporation, in any case in which the work done, services performed or rendered, and business or other activities conducted or done, performed, rendered or conducted both within and without the city may be ascertained by formulae set forth in any ordinance enacted pursuant to sections 92.210 to 92.300 or prescribed by rules or regulations.

92.260. The municipal assembly of the city may provide for deductions, exemptions and credits.

92.270. In order to facilitate the collection of the tax herein authorized, the city may by ordinance create wage brackets within which the tax shall be uniform for taxpayers entitled to the same number of exemptions.

92.280. The city is hereby authorized to impose upon employers the duty of collecting and remitting to the city any tax that may be levied upon the earnings of employees pursuant to sections 92.210 to 92.300, and to prescribe penalties for failure to perform the duty. In the event that the city should impose the duty on employers, each employer shall be entitled to deduct and retain three percent of the total amount collected to compensate the employer for collecting the tax. The governing body of the city may, by ordinance, reduce, eliminate, or reimpose, if eliminated, the fee allowed to employers by this section.

92.290. No tax ordinance enacted pursuant to the provisions of sections 92.210 to 92.300 shall require any taxpayer to file copies of his state or federal income tax returns with any city officer, employee or other person designated by the ordinance to collect or otherwise administer any tax imposed thereunder.

92.300. No ordinance enacted pursuant to the authority granted in sections 92.210 to 92.300 shall be effective unless the legislative body of the city shall have submitted to the voters of the

Big weekend at Big Lake Resort

Big Lake Resort near Bigelow, MO, will be having a big weekend. The second annual Oktoberfest and Fall Chili Cook-Off will be held this Saturday, October 16.

From 11 a.m. to 7 p.m., hay rides, live music, a beer tent, vendors, games and an abundance of food will be available for spectators to enjoy. Halloween costumes are welcome with prizes given for the best costumes. Admission is free and all are welcome to participate.

From 2 to 4 p.m., public tasting and voting on the best chili will take place. Votes may be made in the contest for \$5 each. The Big Lake Fire Department will make the official ruling on the winner of the contest with a trophy being presented. Contestants are still needed for the chili cook-off and participants may sign up by calling 660-442-5432 or stopping by the Big Lake Store.

Added Feature This Year

An added feature of this year's event will be the showing of the Nebraska/Texas football game during the chili cook-off. In an effort to accommodate all contestants, officials at Big Lake Resort wanted to make sure the game was shown during the day's festivities.

A nondenominational church worship service will be held at 3 p.m. in conjunction with the Oktoberfest activities. Everyone is invited to attend.
