## **Letters to the editor**

Dear Editor and Citizens of Holt County,

2011 Relay For Life of Holt County has officially begun! We had our Kickoff March 7 and some very good plans are in the making.

My last letter outlined some changes for 2011 which were a bit intimidating at first, but our great committee chairs have kicked into high gear and are ready for the challenge. Keep your eyes open for some great fundraisers coming our way soon including the Annual Cuts For A Cure, a potato bar, and possible canned food drive to name a few.

I do have a bold plea for our citizens. Step forward, don't wait to be invited, help us in our fight against cancer for 2011. We need committee people (we still don't have an accounting chair), but we also need people to do small things. A bake sale at Cuts For A Cure maybe. Ask your favorite club members to help with Luminaria sales at a club meeting. Challenge someone to shave their head if a certain amount of money is raised. Craig challenge Mound City, Maitland challenge Forest City in penny wars. The options are endless.

Again, don't wait to be asked! We need volunteers on every level. Our core group is unbelievable, but a bigger core would be awesome. Team Captains, remember each person has a \$10 registration fee but then are asked to raise \$100 to be recognized with a Relay t-shirt. Registrations can now be made online at www.relayforlife.org and click on 'Register for your local Event' at the top.

I understand there are always concerns when a large organization is involved. I will have a summary of where the funds have been used in a forthcoming letter. We can hopefully put some of these concerns to rest. We will also have a personal story or two of how the American Cancer Society helped make a cancer journey less stressful and in many cases helped conquer the disease. If you have a story you would like to share, please email or call me anytime. These stories make this a more personal, meaningful event.

Let us know of any Survivors and Caregivers that need to be recognized. The ceremonies honoring them are so moving and inspirational.

Remember, we do this for our friends and family who have lost their lives to this disease, but we also do it for the thousands that are alive and well because of organizations and fundraisers like our own Relay For Life.

June 3-4, 2011 • Oregon Square

Thank you all, Brynda Cotton Howell, 2011 Event Chair brynda\_relay@yahoo.com, 816-387-3593

Friends,

our area include disaster prevention and preparedness, health and safety education, and armed forces emergency

I am appealing to you to ing a hero! support this organization. A campaign is underway to raise \$61.000 toward the agency's emergency services budget. I believe that the citizens of Holt and Atchison counties will again demonstrate their caring attitude by making a contribution to this organization. To that end I am leading a heroes' team with the goal of raising a minimum of \$1,000.

Please make a contribution with the knowledge that it will directly impact our communities. I am appealing to individuals, organizations, and businesses to provide monetary support for the Red Cross. An online dona-

Plan on bringing in your treasures for appraisal and have a fun-filled afternoon at Norma's Antique Mall. More information call 402-245-4338.

## Minor injuries in accident Jeffery L. Taylor, 31, of by the Atchison-Holt Am-

Pittsburg, MO, was involved in a one-vehicle accident on Thursday, March 3, at 1:30 p.m. The accident occurred on U.S. Highway 59 two and a half miles south of Oregon, MO.

The accident occurred as Taylor, the driver of a 1994 Oldsmobile, was travelling northbound on U.S. Highway 59 and traveled off the right side of the roadway. The vehicle overturned multiple times and came to rest on its top, blocking the northbound lane. The vehicle was totaled and was towed by R & W Towing of Mound City, MO.

Taylor, who was wearing a seat belt, sustained minor injuries in the accident and was transported to Heartland Regional Medical Center in St. Joseph, MO, bulance Service.

The accident was investigated by Tpr. K. F. Jeffers of the Missouri State Highway Patrol. He was assisted by Tpr. J. E. Peabody, the Holt County Sheriff's Department and the Holt County Fire Department.

## **Holt County** arrest report

Cam S. Eash, 21, of Columbia, TN, was taken into custody by the Missouri State Highway Patrol on Sunday, March 6, at 2:40 p.m. for failure to drive on right half of roadway; no valid operator's license; and misdemeanor drug paraphernalia. He was taken to the Holt County Jail in Oregon, MO.

## **Mound City Kiwanis Club**

The Mound City Kiwanis Club met at the United Methodist Church in Mound City, MO, on Wednesday, March 2, 2011, with 12 members and 2 guests present - Annette Weeks, Northwest Missouri Enterprise Facilitation, and Dr. Roy Wilson, DVM.

Roy presented a program about Rafter Cross Veterinary Service that he owns and manages in Craig, MO. There will be a business celebration for his business Wednesday, March 16.

A pancake feed fund raiser for the Nutrition Center will be Saturday, March 26, with a free will offering. There was some discussion about the tractor pull this summer.

## Tuesday's scheduled annual Thursday, March 10, at 1:30 tornadoes struck. p.m. The weather forecast calls for sunshine on Thursis for the entire state of Mis-

The 37th annual statewide tornado drill is part of Missouri 2011 Severe Weather Awareness Week, which runs

souri.

through Friday, March 11. Weather Awareness Week has one goal: to save lives, as from snow and ice to severe once everyone is accounted for thunderstorms and flooding.

"The state tornado drill is important because it reminds all of us to plan for weather emergencies that are a common threat across Missouri," said State Emergency Management Agency Director Paul D. Parmenter. "The drill provides a designated time for schools, businesses and others to practice taking shelter when a tornado warning is issued."

Weather Service, Missouri the safest shelter location.

#### Due to the weather forecast experienced 65 tornadoes bile home to seek shelter in a calling for precipitation on in 2010, including multiple Tuesday, March 8, the Nation-tornadoes on Dec. 31, which al Weather Service postponed were responsible for five deaths and 13 injuries. Four statewide tornado drill. The of the five people killed were new date for the drill will be in mobile homes when the

postponed until today, Thursday, March 10

The entire drill can be completed in 15 minutes. Once day. The change to Thursday Missourians hear broadcast drill messages or outdoor warning sirens, they should practice seeking shelter. The safest shelter location is an interior room without windows in the lowest level of a building. Other safe locations Missouri's 2011 Severe for businesses and schools include basements, hallways, underneath staircases the threat for severe weather and designated tornado safe across the state transitions rooms. The drill is complete in the designated shelters.

Remember:

- Tornado Watch means tornadoes are possible. Remain alert for approaching storms. Watch the sky and stay tuned to NOAA Weather Radio, commercial radio, or television for information.
- Tornado Warning means a tornado has been sighted or indicated by weather radar. Take shelter immediately.
- According to the National windows on the lowest floor is
  - Do not seek shelter in a cafeteria, gymnasium or other large open room because the roof might collapse.
  - Immediately leave a mo- of flash flooding.

nearby building.

- If you are driving, you should stop and take shelter in a nearby building.
- Overpasses are not safe. An overpass' under-the-girder-type construction can cause a dangerous wind tunnel effect. In some cases bridges have collapsed, killing and injuring those who are seeking shelter underneath them.
- If you are driving in a rural area and spot a tornado, driving away from the tornado's path may be the safest option if the tornado is far away. If the tornado is bearing down on you, stop your vehicle off the traveled section of the roadway and seek a sturdy shelter or lie flat in a ditch or other low spot. If you are outside, remember to cover your head with your arms, a coat or blanket to protect yourself from flying debris. Be prepared to move quickly in case the ditch fills with water. Also, remember that stopping near the roadway increases the chance of being struck by other motorists—so be alert and exercise caution.
- · Never drive into standing water. It can take less An interior room without than six inches of fast moving water to sweep a vehicle into a river or creek. If your vehicle does become stuck in rising water, get out quickly and move to higher ground. Always heed signs that warn

## **News from Tiffany Heights**

in Mound City enjoyed ending the month of February with a round of "Name Game". This month they used the words Valentine Cupid. The residents were able to make one hundred thirty different words using these letters.

During the walk and roll program, Beverly Quimby received her six mile certificate; Dorothy Gilland, three miles; Ruth Swymeler, six miles; Dora Routh, six miles; and Arnold Rehm, eight miles.

On Tuesday, the residents decided that the month came in like a lamb. They held their monthly resident council meeting. The residents chose Patty Judy as employee of the month. Patty works in the laundry department and has worked for Tiffany Heights for almost 31 years. During her spare time, Patty enjoys reading, crossword puzzles and spending time with her family.

With the beginning of the Holy season coming up, the residents enjoyed a game of "Bible" jingo. The game had many questions that led them to the stories from the Bible that all grew up with. Winners of the games were Marguerite Beggs and Alice Meyers. Volunteers assisting with the game were Janice Phelps and Margaret Pilkington.

Bingo volunteers on Thursday were Shirley Jackson, Jean McCall, Lucille Stull, Gordon Robbins and Pat Johns.

Residents enjoyed a mornlike further information about ing social on Friday. They were this program or would like treated to donuts from the Nutrition Site along with some stories from the Chicken Soup FCCLA advisor, at Mound City book. "Did you know?" was held during the afternoon. The resi-

Residents at Tiffany Heights dents went over the many different and interesting things that have happened during the month of March. They are alwavs surprised to find things that they did not know. Among several of these interesting tidbits were the invention of the telephone, founding of the Girl Scouts of the U.S.A., the birthday of the Pillsbury dough boy, National Cherry Blossom Festival, and National Kite Month.

> Larry Brickey and family provided Sunday morning services. Afternoon worship was conducted by the New Life Apostolic Church.

## **Nurse practitioners** expand available care

who will conduct military funeral honors' training.

An advantage of living in a sible to see patients that I feel close-knit community is seeing a familiar face every time you visit the doctor's office. One of the ways a doctor can ensure patients see a familiar face is to enlist the help of a nurse practitioner. A nurse practitioner is an advanced practice nurse who patients enables doctors to care for more complicated and acute situations, while a nurse practitioner can concentrate on urgent care, follow-up care and routine management of chronic condi-

A nurse practitioner can diag-Mary Jane Waggoner; Chris, Jean Davis; and Harold and nose conditions, prescribe medication, provide referrals, order and interpret lab and blood tests and results, as well as perform

> available has proven to be a valuable option for patients. According to the American Nurses' Association, 60 to 80 percent of primary and preventive care traditionally done by doctors can be done by a nurse practitioner. an area with limited healthcare

She says teaming up with Dr. Aron Burke at Rock Port Medical treat their patients in the com-

together for ten years. He is always available to me if I have a question, concern and, in some cases, he has been easily accesneed additional attention," Pam explained. The nurse practitioners who

work in the Emergency Department at Community Hospital-Fairfax, MO (CH-F), agree with Pam and explained they too are able to work closely with physi-"I work closely with Dr. Burke,

Dr. Fernandez and Dr. Espejo (Northwest Health Services in Mound City). Nurse practitioners are very knowledgeable and if there is something that requires a physician, we are quick to get patients that additional care," said Connie Anderson, FNP, the ER Nurse Manager of CH-F.

It is required by Missouri law that a nurse practitioner works in collaboration with a physician, so a physician is always on call should questions arise.

Melissa Masonbrink, FNP, is a nurse practitioner who works at the Atchison County Health Center and Northwest Health Services in Mound City as well as the Emergency Room at Community Hospital-Fairfax. On the list of things she enjoys most about being a nurse practitioner is the one-on-one time she gets to spend with patients.

"I know them by name and recognize their faces. It is important for patients and caregivers to have such a close relationship," Masonbrink said. Samantha Brown, FNP, en-

courages patients to take advantage of the care nurse practitioners provide and explains why they are important. "We provide a unique blend of

nursing and medical care to our patients. When medical doctors are limited in a rural area, nurse practitioners can help bridge the gap between patients and healthcare.

The meeting was opened with the DAR ritual. The Constitution minute, President General's message, National Defense report, mentary Moment were all given. State Conference will be held next month in Cowill be co-hosts to the District meeting at Hamilton in September.

Evonne Wright was presented a certificate honoring her 40 years of membership to become the United States in William White Chapter, of America.

The next meeting will be the annual meeting, Tuesday, April 5. This will be an evening dinner meeting at Sharp's Grove. Reservations for the meeting should be made with Regent Privett.

Anyone interested in becoming a DAR member should contact a local member for information or Regent Privett at 660-442-6126. It is an organization open to those that can prove an ancestor had an active part in the establishment of this new nation, which was

# **New e-Permits** for hunters

Conservation's (MDC) new e-Permits' system began enabling Missouri hunters, anglers and trappers to purchase, print and immediately use most permits. All sport-fishing and sporthunting permits are now available through e-Permits, along with trapping permits and the Apprentice Hunter Authorization. Commercial permits and lifetime per-

access to a computer and printer. They can still buy by phone by calling toll-free 1-800-392-4115. Phone purchases are subject to a \$2 fee for online permit purchases is \$1.

Hunters, anglers and trappers also can save e-Permits on their computer and print extra copies of permits in case one is lost or ruined. As always, permits may not be shared, and additional copies of a permit do not provide also reduces costs as we additional valid permits for the buyer or others to use.

Missourians have been able to buy permits online since 2002. However, under the old online system, buyers received only confirmation at the time of purchase. They used this confirmation approximately \$500,000 anwhile waiting to receive the nually." For more informaactual permits through the mail, which could take up to two weeks. This was no help

On Tuesday, March 1, the to turkey and deer hunters, Missouri Department of who need actual permits to tag game. With e-Permits. turkey and deer hunters are able to buy permits, print them and have valid permits immediately.

Deer and turkey tagging procedures changed with the change to e-Permits. The main difference is that permits no longer include a transportation removable tag. Instead, the permit itself is the transportation mits will continue to be sold tag. Deer and turkey perthrough MDC's Central Of- mits have months printed fice by calling 573-751-4115. along one edge and dates on Hunters, anglers and trap- another edge. Hunters notch pers are now able to buy per- the month and day as part mits online and print them of recording their harvested 24/7 anywhere they have game and attach the permit to the animal. They will continue to check harvested anpermits from vendors, and imals through the Telecheck system.

E-Permits are not printed on adhesive-backed mateconvenience fee, while the rial, so hunters need to provide a means of attaching them to harvested game. Hunters are encouraged to put e-Permits inside zippertype sandwich bags and attach them to deer or turkeys with string, twist-ties, wire, plastic cable ties or tape.

"Our change to e-Permits phase out software, hardware and special permit material used in the old Pointof-Sale permit system," said MDC Director Bob Ziehmer. "When fully implemented, e-Permits will reduce the cost of issuing permits by tion on e-Permits and how to buy them, visit www.mdc. mo.gov/epermits.

## **JAC** winners from Holt and Atchison counties

Every year, the William White Chapter of the DAR the Junior American Citizens' (JAC) program. The JAC contests are designed not only to encourage good citizenship amongst America's youth, but to also give educators a tool for teaching about this country's great history and the preservation of history. From Atchison and Holt counties' students this year, there were 91 JAC entries and from those entries the following chapter winners were chosen:

1st place - Riley Vogler, grade 4, Rock Port Elemen-

1st place - Kendey L. tary Eaton, grade 7, Mound City Middle School

**Creative Expression** 1st place - Josie Watkins, grade 4, Rock Port Elemen-

1st place - Madeline Prussman, grade 5, South Holt Elementary

1st place - Bryan Nowling, grade 6, South Holt Elemen-

1st place - Tasha Ritchie, grade 7, Mound City Middle School

**Community Service** Fairfax Kindergarten, sponsors local contests of Fairfax Elementary

South Holt Kindergarten - Runner-up, South Holt Elementary

The winning entries were sent on to the Missouri DAR Junior American Citizen contest. The following William White Chapter winners were chosen as 1st place state winners.

Missouri State DAR winners for JAC:

1st place - Riley Vogler, grade 4, Rock Port Elementary

**Creative Expression** 

1st place - Josie Watkins, grade 4, Rock Port Elemen-

1st place - Madeline Prussman, grade 5, South Holt Elementary

1st place - Bryan Nowling, grade 6, South Holt Elemen-

1st place - Tasha Ritchie, grade 7, Mound City Middle School

**Community Service** Fairfax Kindergarten, Fairfax Elementary

All state winning entries have advanced for divisional competition.

## • An estimated crowd of 500 people attended the Holt County Music Festival. Solos from each of the schools were featured.

- Money, cigarettes and watches were taken from three Maitland stores. Yates Grocery, Hall Lumber Company and the Pickering Store suffered losses.
- The Mound City, Fairfax and Oregon bands were partnering to perform exchange band concerts.
- Miss Frances McQueen of Craig travelled to Washington, D.C., to report to President Kennedy on 4-H Club work. She was one of four other club members across the nation to make the trip.
- The annual Gold and Blue Banquet was held at the Maitland School. A large number of members received awards and badges.
- Army Sgt. John O. Jones of Skidmore participated with other personnel from the 1st Division's 5th Cavalry in Operation Snow Tiger II, a command post exercise in Korea. Sgt. Jones is a supply sergeant in the cavalry's Headquarters Company.

## 25 Years Ago - 1986

- The MFA Oil Company purchased Buckles Oil Company of Mound City from Calvin and Maisie Buckles, who owned and operated it for nine years.
- Members of Mound City's science classes competed in the Science Olympiad held at NWMSU in Maryville, MO. Jeff Davis and Sean Scarbrough, advanced biology lab team, placed second. Sally Bomar, advanced biology test competitor, took sec-
- Two more public forum meetings were scheduled for discussion on the water project, sales tax, library levy and with the candidates for city council.
- Mrs. Pyeatt's sixth grade class at Craig received two rats, Skeeter and Skooter. The rats will be used to conduct an experiment on nutrition.
- With a coupon, a Hunt's 32 oz. bottle of ketchup sold for \$.69, a 2L bottle of Coke was \$.49, and a 4-pack of Charmin was \$.49 at Thomas Markets.
- The Oregon Kiwanis began considering a project to rebuild the stage on the courtyard bandstand.

## 10 Years Ago - 2001

- The Golden Triangle Ethanol plant produced and shipped its first 8,000 gallons of ethanol. Some of the product went locally to Craig Supply for sale at the gas station in Craig, with the majority going to St. Joseph Petroleum.
- Conservation Agent Russ Shifflett returned to his old job as an agent, after leaving it for a year to work at a job created by the Missouri Department of Conservation as a private lands' conservationist.
- A man was being held in a Kansas jail on \$600,000 bond in connection with two home burglaries in Holt County during broad daylight. Guns, electronic equipment and jewelry were his main target.
- An unoccupied mobile home burned to the ground in Bigelow. This and three other suspicious fires over the past eight months were under investigation.
- Both the 2000-2001 Mound City Panthers and the South Holt Knights claimed their respective district titles. Mound City lost to Jefferson and South Holt lost to St. Joseph Christian in regional play.

Helps Relieve Arthritis, Muscle and Joint Pain, Psoriasis and Eczema, Pain from Shingles, Burns and Sunburns, Cuts and Abrasions, Insect Bites (Including Chiggers). Emu Oil also thickens aging skin and moisturizes. Emu Oil is currently being researched for the treatment of skin cancer.

## **Search for Missouri Century Farms continues**

your family since December 31, 1911, you can apply to have it recognized as a Missouri Century Farm. To qualify, farms must meet the following guidelines: The same family must have owned the farm for 100 consecutive years. The line of ownership from the original settler or buyer may be through children, grandchildren, siblings. and nephews or nieces, including those through marriage or adoption. The farm must be at least 40 acres of and make a financial contribution to the overall farm income.

"It is important to honor and respect our history," said Michael Ouart, vice provost for University of Missouri Extension. "These farms represent both Missouri's cultural heritage and the good stewardship that our farmers strive for."

In 2008, the Missouri Farm Bureau joined the University of Missouri (MU)Extension and the MU College of Agriculture, Food and Natural Resources as a program sponsor. "Missouri Farm Bureau is a proud partner in the recognition of century farms," said Blake Hurst, Missouri Farm Bureau president. "We applaud the hard-working farm families that have kept us fed and clothed for generations. They represent an important part of our heritage and laid a foundation for the bounty Americans enjoy ev-

Applicants certified as owners of a 2011 Missouri Century Farm will be recognized by the local MU Extension office

If your farm has been in in the county where the farm is located. Applicants are presented with a sign and a certificate. Since Missouri began the program in 1976, more than 7,500 Century Farms have been recognized.

For applications received by May 1, a \$50 fee covers the cost of a certificate, farm sign and booklet for approved applicants. If the application is received between May 1 and May 16, the cost is \$60. Applications must be postmarked by May 16, 2011, to be considered. For application forms the original land acquisition and information, call Extension Publications toll-free at 1-800-292-0969, contact your local MU Extension office, or visit the program website at http://extension.missouri. edu/centuryfarm.

In addition to being recog-

nized locally, there is a new opportunity for Missouri Century Farm owners. This year's applicants and existing Century Farm owners can have their farms featured in a 35th anniversary commemorative book honoring Missouri's historic farms. It's free to have your Century Farm featured in the book, which will include regional histories; a special feature on how agriculture has changed through the years, including technology, crops and equipment; and the 35-year history of the Missouri Century Farm program. For more information about including your farm in the book and buying your own copy, visit the Missouri Century Farm website at http://extension. missouri.edu/centuryfarm or call Acclaim Press toll-free at 1-877-427-2665.

Road and Bridge Supervisor Daryl Biermann joined the commission to discuss matters of the Road and Bridge Department. The commissioners will take applications for a Road and Bridge employee position through February 18, 2011.

County Clerk Kathy J. ues to work on the 911 Addressing update projects for Holt County. She, along with the commissioners and Mr. Biermann, are auditing the county road names and address ranges with Midland GIS, Maryville, MO. This project will clean up issues with dispatching and incorrect addresses throughout the county. The project is expected to be complete by early summer.

The commissioners made plans to attend the Great Northwest Day at the Capitol. The commission did not meet on Monday, February 14, 2011.

Being no further business, the commission adjourned until Tuesday, February 22, 2011.

The Holt County Commission met Tuesday, February 22, 2011, at 9:00 a.m. with Presiding Commissioner Mark Sitherwood, First District Commissioner Bill Gordon and Second District ning hay ride on the refuge present.

chase and installation.

Kunkel reviewed the 2011 women 14 years of age and Worker's Compensation Insurance with the commission. new skills involving out-The Missouri Association of Counties' Worker's Compensation program is working archery, birding identificaon a quote and the Missouri Rural Services Company will provide a renewal rate. Loss ratios were reviewed and policy and procedural changes discussed. No action was taken. The policy renews on April 1, 2011.

The commissioners reviewed a letter to the contractor for the Uplinger Bridge replacement project. Commissioners agreed with the Andrew County Commission and signed a letter to decline additional change orders related to rock application at the site. No approval was given to the contractor to make said change; therefore both counties decline to pay additional fees.

Brenda Nelson, R.N., Health Department Administrator, presented memorandums of understanding renewals for various contracts. Commissioners signed and authorized the agreements.

Collector-Elect Donna Cotton approached the commission to report she has hired Karma Buck as her new deputy effective March 7, 2011. Mrs. Cotton requested that Mrs. Buck retain her years of service credit from the assessor's office and that her salary at \$16,771 remain the

## Craig/Fairfax drops two in last week of regular season

nets dropped a pair of contests to close out their last week of the regular season. The Hornets lost 59-47 to DeKalb on Tuesday, February 22, and fell to Mound City in a tight contest on Friday, February 25, by a 61-60 final.

The Hornets started their week by hosting the #8 team in Class 2, the Dekalb Tigers, during Senior Night at Craig. Missed layups and one for six shooting from the charity stripe prevented the Hornets from taking a first quarter lead. The Tigers led 14-9 after the first period of play. The second period saw the visitors begin to pull away. DeKalb hit on 9 of 15 field goal attempts, while CFX managed just three field goals. CFX trailed 34-18 at the break.

The Hornets came out in the second half and played much better, outscoring the Tigers in both the third and fourth quarters. CFX cut down on the number of turnovers committed and outscored the Tigers 29-25 in the final sixteen minutes of play. It wasn't enough, however, and DeKalb emerged with the 59-47 victory.

Leading the CFX offense was Graham Scarbrough with 17 points, Nathan Hinrichs with 11 points, Jordan Sipes with eight points and six rebounds, Tristan Ray with six points, Thauan Andrade with three points and Jordan Stoner with two points.

CFX closed out its regular season with a close 61-60 loss at Mound City on Friday night. The contest was close throughout, with neither team able to take control. The Hornets connected on three three-point field goals in the first period and trailed by one at 16-15 after the first quarter of action. The lead went back and forth during much of the second period before a late Panther surge gave the hosts a 30-26 advantage at the half.

The CFX offense came alive in the third quarter, scoring 22 points. Tristan Ray led the charge by scoring nine points in the period and helped to give the Hornets a 48-44 lead going into the final stanza. Mound City quickly erased the four point deficit by going on a 10-0 run to open the fourth quarter. CFX slowly crept back into the game and took its first lead of the period with just over two minutes remaining. The Hornets' inability to convert free throws proved costly from that point on, as they hit just 3 of 8. With 14 seconds remaining, CFX had the lead at 60-58 and was shooting two free throws with a chance to ice the game. The Hornets failed to connect on either free throw, however, and Lucas Schawang then hit a big three-pointer with four seconds to give the Panthers the win at 61-60.

CFX was led by Jordan Sipes with 19 points and 12 rebounds. Nathan Hinrichs had 14 points and three assists, Tristan Ray had 11 points, Graham Scar-

The Craig/Fairfax (CFX) Hor-brough had 10 points, and Thauan Andrade had six points and eight rebounds.

CFX Coach Terry Petersen commented at season's end, "I was pleased with the way we played the last six quarters of the week. Our second half against DeKalb was a solid effort and we played well in most aspects of the game against Mound City Our poor free throw shooting, however, finally caught up to us. We have not shot well from the line since January, and it cost us against Mound City. I was happy with our effort, though and hopefully we can take that with us into district play."

## **Nodaway-Holt Lady Trojans finish with** an 18-9 season in semifinal district play

The Nodaway-Holt Lady Trojans finished a very successful season with a loss to the state ranked Jefferson Lady Eagles during semifinal District 16 play at Stanberry, MO. The Nodaway-Holt Lady Trojans opened district tournament action on Tuesday, March 1, with a contest against the North Nodaway Lady Mustangs.

The Lady Trojans struggled with their shooting from the field in the first half. Jodi Holmes was the big scoring threat in the half recording 10 points and the Trojans led 21-17. In the third quarter, the Lady Trojans started hitting their shots and took a 40-32 lead. The Mustangs closed the gap to 44-42 in the final period, but the Trojans, behind Megan Rosenbohm's 14 fourth quarter points,

Trojan Megan Rosenbohm- Headed up and over this Jefferson Lady Eagle defender during semifinal action in District 16 action at Stanberry. Megan finished the game with 27 points and five steals.

went on to win 58-46.

Trojans with 27 points, six assists and five steals. Jodi Holmes scored 14 points and pulled down 10 rebounds. Krysta Beattie scored six points. Amanda O'Riley scored five points and Darcy Brown scored four points. Darci Gallagher scored two points and pulled down nine rebounds.

Trojans played Jefferson in semifinal action Thursday, March 3, at the district tournament.

The first quarter was a back and forth affair with the score being 13-13 after one quarter. The game stayed this way and was tied 21-21 halfway through the second quarter. Jefferson then went on a 15-0 run to take a 36-21 halftime lead.

The Trojans fought hard not overcome the advantage and lost 57-37.

Megan Rosenbohm led the Trojans with 27 points thank the parents for their and 10 steals. Jodi Holmes scored five points and pulled down five rebounds. Darcie Gallagher scored four points. Krysta Beattie scored one point and had five rebounds. The loss closed out the Trojans' season.

their season with an 18-9 record. They finished 5-2 in the 275 Conference.

## **District loss ends** season for Trojans

The Nodaway-Holt Trojans finished their season in a first round district loss against the Stanberry Bulldogs in Stanberry, MO, on Monday, February 28.

Stanberry jumped out to a 20-9 first quarter lead. The Trojan offense kicked in during the second period to close the Bulldog lead to 33-27 at the break. The Trojan offense struggled in the second half, scoring nine points and four points in the final two quarters. The result was a 55-40 district loss.

Zach Lemar led the Trojans with 11 points, three rebounds, three steals and two assists. Brandon Saxton had 10 points, five rebounds, a steal and an assist. Blake Hinrichs and Tristan Ray Shamberger had eight points, pulled down a team high 12 rebounds and had five assists. Josh Schafer had six points and an assist. Nick Patterson had three points, six rebounds, two steals and three assists. Stephen Schniedermeyer had two points, four rebounds and two steals. Derek Lemon recorded two rebounds and two

The Trojans finished the season with an 8-18 record. They had a 3-4 record in the 275 Conference.

Hornets' season came to a 6-0 lead and appeared to be close Wednesday evening, in control, but a three minute scoring drought enabled the Trojans to pull within two at ons by a final score of 58-52. 10-8 heading into the second quarter. The Hornets continued to struggle offensively ber three seed, with St. Joe in the second period. Union Christian seeded second. Star used a triangle and two CFX defeated the Union defense to stymie the CFX Star Trojans in the opening attack and the Hornets led

Union Star tied the game The CFX Hornets began for the first time midway before Graham Scarbrough field goals to give CFX a 31-26 edge with eight minutes to play. In the fourth quarter, Tristan Ray widened the CFX lead with consecutive treys, while Jordan Sipes added six to take the Hornets to a double digit lead. The final score read 47-35.

Leading the CFX Hornets was Jordan Sipes with 16 points and 11 rebounds. Tristan Ray had 15 points, Nathan Hinrichs had 10 Graham Scarbrough added drade had two points and eight rebounds. The win drade had four points. propelled the Hornets into the semifinals, where they faced the Lions of St. Joseph Christian.

CFX came out shooting well in the game with St. Joe Christian as Nathan each connected on a threepoint field goal for an early 6-0 lead. The Hornets only added four more points over the next six minutes however, and the first period ended with the score knotted at 10 apiece. The second quarter was tightly contested. Neither team was able to achieve a lead of more than four points, and CFX was able to take a 20-18 lead into the halftime break.

proved to be the difference in the game during the third

CFX jumped out to a quick quarter. The Hornets had been successful in stopping the St. Joe Christian offensive attack by double teaming the Lions' 6'5" center, Forrest Hicks. Early in the third quarter, Evans connected on three consecutive trevs from the field and staked the Lions to a ten point advantage. Forced to abandon its double team on Hicks, the Lions' post player responded by scoring nine points in the period. The third quarter ended with St. Joe Christian holding a 42-31 lead. Although the Lion lead grew to as many as fifteen, the Hornets mounted a late rally and trimmed the lead to just six with one minute left to play. CFX was unable to make up any more ground, however, and the game ended with a Hornet 58-52 loss.

Nathan Hinrichs led the CFX offense with 20 points. Jordan Sipes had his second consecutive double-double by adding 14 points and 10 rebounds. Tristan Ray points and three steals, had nine points and nine rebounds; Graham Scarfour points, and Thauan An- brough had five points and four steals; and Thauan An-

> "I was really pleased with the effort of the team in our final game. St. Joe Christian is a very talented team, who went on to win the District Tournament. Our guys executed the game plan well, but we couldn't account for their outside shooting in the third quarter. We outscored the Lions in the other three quarters but it just wasn't enough," stated CFX Coach Terry Petersen about the Hornets' final loss. "Overall, I was pleased with our season. Having lost four starters and our sixth man from last year's squad, I thought our seniors did a nice job of stepping up this year."

The CFX Hornets finished The Lions' Levi Evans the year with an overall record of 13-13 and a conference mark of 3-4.

## **South Holt Lady Knights fall in** second round of districts

The Lady Knights of South Holt faced off against the King City Lady Wildcats in their first round of district competition on Tuesday, March 1, in Rosendale, MO.

The Lady Knights found themselves in a close contest with the Lady Wildcats who had a 12-11 lead at the end of the first quarter. A second quarter stalemate ensued, as scoring for either team was obsolete until the final minutes of the half. South Holt picked up five points late in the quarter to leave the half with a 16-14 advantage.

The Lady Knights picked up steam in the second half outscoring King City 11-6 in the third quarter and 17-12 in the final frame. The Lady Knights

finished with a 46-32 first March 3. round district win.

Leading the Lady Knights' offensive scoring was Toshia themselves down 18-2 in the Jones with 26 points. She pulled down nine rebounds and had two steals. Cami Scroggins and Chelsea Acton had six points, four rebounds and a steal each. Cami added five assists and Chelsea added three assists. Blair Million had five points, a rebound, two assists and three steals. Darien Fouts had a point, three rebounds and two assists. Sarah Costello had three rebounds and Alex steal. Cami Scroggins and Alex Ripley had two rebounds. Dar-

ian Kurtz added two points. The Lady Knights played their second round of district action against the Mound City

The South Holt girls got a slow offensive start and found first frame. The Lady Knights outscored Mound City 15-13 and 11-7 in the second and third quarters respectively. The Lady Knights failed to score in the final period, however, and suffered a 49-28 loss. Toshia Jones led the Lady

Knights with 14 points, ten rebounds and two steals. Blair Million had four points, six rebounds, two assists and a Ripley added five points each. Cami also had two rebounds, three assists and a steal. Alex pulled down two rebounds. Darien Fouts and Chelsea Acton had two points and four rebounds each. Chelsea also had five assists and a steal. Darian Kurtz recorded five rebounds and Sarah Costello pulled down two rebounds.

Toshia Jones finished the season with a record breaking 1,483 points, surpassing the old Lady Knight record.

The Lady Knights finished their season 14-11 overall and 4-3 in the 275 Conference.

## St. Francis Family Health Care expands patient access with walk-in clinic

On Monday, February 21, St. Francis Family Health Care launched a service enhancement by expanding patient access to medical professionals. In addition to same-day appointments and open appointment times for new patients, St. Francis fers a Walk-In Clinic for patients with minor illnesses or injuries. No appointment is necessary.

34/2tc

On Monday through Thursday, noon to 6:30 p.m., and Friday, noon to 4:30 p.m., primary care (family practice and internal medicine) physicians and family nurse practitioners are providing services at the Walk-In Clinic, located across from the Emergency Room at St. Francis Hospital in Maryville, MO.

"We value preserving the continuity of care between a patient and his or her physician," states Ty Griffith, VP of Operations and Planning at St. Francis Hospital & Health Services. "In making appointments, we strive to make sure every patient can be accommodated according to his or her schedule while, at the same time, trying to keep consistent care with the same provider. However, we hope to balance the need for continuity with availability. For that reason, we have started the Walk-In Clinic."

Acute medical problems are being treated at the Walk-In Clinic. Patients with the following are some of the conditions that are being seen:

- · Fever,
- · Ear ache,
- · Sore throat,
- · Cold or flu, · Minor allergic reactions,
- · Newly strained muscles, · Sprained joints,
- · Minor lacerations,
- · Extremity fractures, · Nausea and vomiting,

- · Foreign body in the eye,
- · Infected toenail, · Boil and cyst care,
- · Rashes,
- · Bladder infections,
- · Small burns, and · Minor workers' compensa-

tion injuries. Should patients with other medical conditions present at the clinic, they will be evaluated or triaged and directed to appropriate medical services. The Walk-in Clinic is not intended to be a substitute for the Emergency Room. In a true emergency, dial 911 or

go to the emergency room. "We encourage you to schedule a same-day appointment with your physician for general health care needs," Griffith says. "We intentionally start each day with empty appointment slots. If those slots are not convenient for you, we invite you to try the Walk-In Clinic."

For more information, contact Community Relations/ Development at St. Francis Hospital & Health Services at 660-562-7933.

## THANK YOU/REMEMBERING

A very appreciative "Thank You" to all of my relatives and friends who helped me celebrate my 94th birthday. Thank you for remembering me with your cards, calls and gifts. They meant so much! Alois Wilkinson

35/1tc

#### THANK YOU

Wish I could personally thank everyone who helped make my 90th birthday celebration at the First Christian Church such a success. Linda Nauman decorated the tables and prepared a delicious punch to accompany the lovely cakes. Cindy Reule helped with all the plans. Helen Derr took the many steps I couldn't take. Thanks to our children and their families, relatives, friends, and everyone who took time to stop by

and say Happy Birthday. Roy is in the Oregon Care Center and could not

be with us. Outside of that sad fact everything, including the weather,

was beyond perfect. Again, thanks to everyone.

**Evelyn Sims** 

#### **THANK YOU**

The families of Jack Martin wish to thank each of you for your expressions of sympathy that have helped to ease our pain of missing him. The visits, phone calls, words of support, cards. food, flowers and memorials have been overwhelming. We want to thank the American Legion members involved with the military rites: Rev. Bruce Jeffries for his words of comfort: and Shawn & Jodee Minter for their

professional guidance. Special thanks go to Jack's doctors. nurses, and staff of the Auburn Good Samaritan Society for helping to make his final years a little brighter and more comfortable.

## Craig ABC team gets to compete

The Craig Academic Bowl Club (ABC) Team- Lost in an overtime round against the Tarkio varsity team on Thursday, February 17, in Tarkio. The team had already defeated North Nodaway varsity and the North Nodaway junior varsity to give them a 2-3 finish. Members pictured above include, left to right, Alyssa Kling, Rachel Lewis and Brook Voltmer. Meets scheduled for Mound City and South Holt had been cancelled due to bad weather. Other Craig ABC team members include: Nathan Hinrichs, Alex Rowland, Holly Howard, Jordan Sipes, Kelsie Sipes and Kelly Dougherty. The team is coached by Tracy Sipes and assisted by Brian Weidmer.

## **Application closing date for** noninsured crop disaster assistance program is March 15

"It is especially important for producers to consider having all of their crops covered by crop insurance or NAP in policy that expired and want to order to stay eligible for FSA's disaster programs," said Jackie VanGundy, Holt County Farm Service (FSA) Agent.

Spring-seeded crops for grazing need to have NAP or crop insurance coverage to maintain eligibility for the Livestock Forage Disaster Program. To qualify for the Supplemental Revenue Assistance (SURE) program, Tree Assistance Program (TAP) and Emergency Livestock Assistance Program (ELAP), producers must meet the risk management purchase requirement by either obtaining a policy or plan of insurance, under the Federal Crop Insurance Act or NAP cover-

Coverage requirements vary slightly depending on the disaster program listed above. Please check with the Holt County office on the specific

VanGundy said the Tuesday, March 15, deadline also applies to persons who have a 2010 renew coverage for 2011. NAP coverage is available for crops only where insurance coverage is not available under Federal Crop Insurance policies provided by private insurance agents.

NAP is designed to cover losses due to damaging weather conditions. The program covers losses of more than 50 percent of normal yields or the farm's yield calculated using actual production histories. Payments for production lost in excess of 50 percent are paid at 55 percent of the values established for the crop.

The cost per policy is \$250 per crop per producer with a \$750 cap per county. NAP coverage begins 30 days after the application is filed and the \$250 administrative fee has been paid. The \$250 administrative fee is non-refundable.

## and is eligible for CDBG funding A regular meeting of the County officials would like a in closed session for interviews tract or \$5,250 for a twoyear Board of Aldermen for the City of Mound City, MO, was held

on Thursday, March 3, 2011, at 5:30 p.m. The following minutes are from that meeting:

Mayor Larry Russell called the meeting to order. Those present were Larry Russell, Jim Krueger, Duane Nauman, Robert Heck, Stan Seitz, City Clerk Patsy Smith, City Collector Kelly Miller, City Employee Vince Beyer, Police Chief John Panning, Building Inspector Chris Krueger, Arnie Kreek, Derek Brown, Terry Campbell, Holt County Clerk Kathy Kunkel, Kris Gibson, Phil Blazer and City Attorney Brian Tubbs. **Minutes** 

There being no additions, deletions or corrections, Alderman Nauman moved to waive the reading of the minutes from the February 10, 2011, regular meeting and approved them as presented, Heck seconded. Approved unanimously.

Presentations/Guests Great Northwest Wholesale Water Commission - Derek Brown, Chairman, and Terry Treasurer, present to provide information on the Great Northwest Wholesale Water Commission. The commission is a political subdivision organized in 2010 under Chapter 393, RSMo, as a joint utility commission to provide a water source to systems in a twelve county area. Its plan is designed for the future to provide a water grid so that everyone in northwest Missouri has a source of water if they need it. The commission currently has 24 members representing 20,000 water meters. Every member has a seat on the Board of Directors, no matter their area's size. The draft plan identified three sources for water purchase, i.e. Missouri American, City of Savannah and the Atchison County Wholesale District. Mr. Brown said economic development is the number one reason the commission was formed. The federal and state governments are pushing for joint water systems as a more economical way to provide safe and adequate water to rural areas. All members pay an annual fee of \$3 per meter starting in 2009. If Mound City were to join, the initial fee would be \$9/meter. Once the Producers are encouraged to commission starts selling waseat on the board. Mayor Russell stated State Senator Brad Lager mentioned the commission to him and questioned why Mound City wasn't involved. Although Mound City may not want to purchase water, the commission could provide an emergency backup to Mound City's water supply. Mr. Brown said none of the studies have included Holt County at this point, but he invited the council to attend the next meeting scheduled for Thursday, March 10, at 2:00 p.m. at the Clasby Center in Savannah, MO.

Holt County Clerk Kathy Kunkel: 911 Addressing - Mrs. Kunkel discussed 911 services and plans for use of the 1/4 percent sales tax approved in November 2009. The main objective is to get addressing up to date so that emergency services can easily identify where calls are coming from. The county has contracted Midland GIS to audit all addresses in the county, including within each city. A lot of changes will need to be made, mostly within the rural areas, but Midland officials will also consult with the city clerk for questions and changes within the city. Once the changes are made, the practice of every entity in the county assigning addresses will end. The county has offered to take over the task of assigning all addresses within the county, including cities, in order to keep them current. Kunkel will develop the protocol for requesting addresses and estimated it might take 3-5 days to get a new address assigned. Council members agreed to have all future addressing done

by Holt County. Sign Standards - County Clerk Kunkel discussed new federal regulations that requires all signs to be retro reflective by 2018. A written plan on how entities are going to maintain compliance with these new regulations is required by January, 2012. The county is looking at several grant sources specifically for rural areas to purchase a sign making ma- narrowed down and the council chine with standard templates.

collaborative effort where the city would partner with them to replace signs, too. Midland GIS is working on a proposal to provide a full inventory of county signs, including data fields in the GIS. Kunkel hopes to write a plan that could encompass Mound City and other communities if there is enough interest. Council members felt the grant was a good idea. Kunkel will come back at a later date

with more information. Stuart Disposal: Schedule Spring Clean-Up Day – Phil Blazer, Stuart Disposal, recommended scheduling Spring Clean-Up Day for Sunday, May 22, from 1-3 p.m. at the pool parking lot.

Arnie Kreek, NW MO Regional Council: CDBG Funding Mr. Kreek reported the city survey has been completed and the results show that Mound City is eligible for CDBG funding with 63% of families and 57% of individuals being in the low/moderate income (LMI) range. At least 51% LMI is required. The maximum grant amount is \$400,000 and the city could add in-kind services and matching funds to increase its score on the application. Grant officials also look at how much undesignated cash is available and could be used for the project. A preliminary engineering report is needed prior to the public hearing which will be held in April. Applications are due May 1 and grants are awarded in July or August. The required environmental review can take up to 4 months so it would be next spring before the project is bid. Only one application is permitted at a time. A resurface of the bridge deck is considered maintenance and would not qualify for funding but if the deck is rebuilt or replaced then the project would be eligible. The council also discussed a larger project of an asphalt overlay on city streets. After much discussion, Alderman Krueger moved to submit a CDBG application for funding an asphalt overlay on city streets, Nauman seconded. Approved unanimously. Mr. Kreek will conduct the public hearing on April 7, at 5:30 p.m., with the council meeting following at 6:00 p.m. Mayor Russell will Associates, about preparing the and Aldermen Heck will attend (PER). Mr. Kreek suggested the vited. PER include a base plan with alternates for additional streets Season: Three bids were opened depending on funding. Alderman Krueger and staff will work with the engineer on drafting the PER. Council members will need to complete a Needs Assessment and include the top five needs for the community.

Alderman Nauman left the meeting.

Old Business

Community Building (The Klub) Portico Addition - City Attorney Brain Tubbs had no further information.

Hotel/Motel Tax – Alderman Seitz reported further on implementing a Hotel/Motel tax in Mound City. After further research, he has found that in cities with a population under 7,500, the tax can be used for purposes other than just promoting tourism, such as capital improvements and general revenue, provided it is presented that way on the ballot. The first step is getting authorization by introducing state legislation that specifically targets Mound City. Alderman Seitz moved to pursue state legislation to authorize a Hotel/Motel tax in Mound City, Heck seconded. Approved unanimously. Seitz and Mayor Russell will work together to draft language for a Bill to present to State Representative Mike Thomson and/or Senator Lager.

Department Reports Police - Monthly Report was reviewed and discussed.

Hiring Officer: Chief Panning has been reviewing applications and doing interviews for the position of a full-time officer. He received 13 applications for a full-time position and 4 applications for a part-time position. Panning has the applicants narrowed down to four possible candidates. Council members discussed a past practice of allowing an officer who lives outside of the city to take the patrol car home. This will not be allowed this time and needs to be addressed prior to any employment. Seitz and Panning will work on getting the applicants

will meet at a special meeting

Mound City completes LMI survey

Grant for Patrol Vehicle -Clerk Smith reported that she has contacted Jeremy Brady, USDA Rural Development, about applying for a grant for a patrol vehicle. He is concerned about any excess funds in the general revenue account that are not designated for a specific purpose which could disqualify Mound City for a grant. Brady will consult further with his office and get back to the council in a few weeks. Tabled for further information.

 $Sewer\ Department-MoDOT$ Sewer Line: The clerk reported that she sent a letter advising MoDOT that the city definitely wants to cost-share the new sewer line. Nothing further to report at this time.

Davis Creek Drainage Tube: Alderman Heck reported that he met with Greg Hall and the city maintenance crew to look at the drainage tube into Davis Creek. Hall suggested that the existing concrete be dug up, put a 45° elbow on the existing pipe and run new pipe underground until it dumps into the creek at the water line. Council members agreed to get cost estimates for discussion at the next meeting.

Water Department – Sell Old Meter Carts: Council members agreed to advertise for sale the two old meter carts with bid opening at the April meeting.

Street Department - Salt Dome: Front Enclosure - J & J Products has completed the tarp covering for the front of the salt dome at a cost of around \$500. City personnel will go pick it up and install it.

Park/Pool Department - Park Board Meeting Minutes/Report - Minutes from the Park Board meeting held Monday, February 21, were reviewed and discussed. Donnie Ireland was elected President of the Board. The board recommends the purchase of a new diving board with the Monsanto grant funds and pool manager Jill Asher is checking on prices and looking at fund raising ideas to help with the purchase.

Schedule Monsanto Grant Presentation - Clerk Smith reported that the Monsanto Grant check presentation will be Monday, March 21, at 7:00 contact Bob Burnett, Snyder & p.m. at city hall. Mayor Russell preliminary engineering report and the Park Board will be in-

> Bids: Park Mowing for 201 for mowing of the city parks as follows:

Thomas Shifflett bid \$8,900 for the season.

Yocum Lawn Service bid \$450 per each time of mowing all three parks.

T-Cozz Mowing bid \$5,425 for the season for a one-year con-

contract.

There were concerns expressed about accepting the low bid from T-Cozz Mowing because of complaints were expressed last year with the quality of his work. Council members agreed they do not want a long term contract. Alderman Heck moved to accept the bid from T-Cozz Mowing for \$5,425 for one year, Seitz seconded. After requesting that Alderman Heck contact Mr. Costello with the concerns from last year, a vote was taken. Motion carried.

Nuisance Violations/Dangerous Building

501 State Street: Pre-Bid/ Bid Opening – Chris Krueger, Building Inspector, and Chief John Panning will be at the mandatory pre-bid conference on March 16 so contractors will be able to inspect the building. City Attorney Brian Tubbs will notify the owner that the building will be demolished and she should remove any and all contents that she wants.

801 Savannah St: Report of Non Compliance to Board of Code Appeals- No repairs have been made to the structure at 801 Savannah St. City Attorney Tubbs will schedule a hearing before the Board of Code Appeals (BOCA). If ordered demolished by the BOCA, it is possible this property and the property at 601 Railroad can be demolished under one contract.

**Appointments** 

Library Board: Unexpired Term of Karen Wedlock - The Library Board recommended the appointment of Carly Edwards to fill the unexpired term of Karen Wedlock on the Library Board. Alderman Krueger moved to appoint Carly Edwards to the unexpired term of Karen Wedlock on the Library Board, Heck seconded the motion. Motion carried.

Administration

Financial Reports: The financial reports were reviewed and discussed.

Meeting Date: Council members set the next regular meeting for Thursday, April 7, 2011, at 6:00 p.m. with a public hearing for the CDBG grant at 5:30

Misc.: The Clerk reported that Mound City's 2010 census count indicates a loss of 34 residents, for a total of 1,159.

Accounts Payable Alderman Krueger

approve the bills paid subsequent to the February 10, 2011, meeting and to approve and pay the current month's bills as presented, Heck seconded. Motion carried.

<u>Adjournment</u>

Alderman Seitz moved to adjourn the meeting at 8:15 p.m., Krueger seconded.
