Mound City Mausoleum's fate up in the air; options to be presented to county court

For years, the mausoleum at the entrance to Mount Hope Cemetery in Mound City has been neglected. The need for a new roof and ceiling tiles is desperate. The Holt County Court is looking for options concerning the fate of the mausoleum.

Steps are being taken to determine if it would be affordable to move the entombed caskets to plots in the cemetery. This would only occur if the descendants of the entombed or living owners of a crypt agree. "There must be 100% of the parties in agreement in order for the court to even consider this option," stated the county commissioners. Expenses for this solution would include opening the crypts, removal of the caskets, purchase of underground vaults and purchase of a plot for each of the entombed. The mausoleum would then be demolished and the lot leveled. The area would then be donated to the Mount Hope Cemetery. All of these expenses are estimated to be between \$20,000 and \$30,000. These expenses would be incurred by the county.

The other option is to replace the roof and ceiling tiles, clean the interior and install new doors

to the mausoleum. An A-frame roof would be needed to prevent the current problem with the flat roof holding water. An estimate of a metal A-frame roof is \$15,000-\$16,000. The other expenses would be a new ceiling and bronze doors (or repair the existing doors). The mausoleum should also be inspected and resealed, a maintenance that should be done every 45-50 years.

The Mound City Mausoleum was built in 1957 by Terry Noah, a native of New Point, MO. He also built the Oregon, MO, mausoleum and the Maitland, MO, mausoleum in or around 1957. The mausoleums were then deeded to the county. Each mausoleum was left with a small maintenance fund. Only the interest from that fund can be used for maintaining the buildings. Several years ago, the roof on the Oregon mausoleum was replaced with private funds.

The Holt County commissioners are searching for the best solution to the dilemma of the Mound City Mausoleum. Whether refurbishing or eliminating the building is the solution, the commissioners will need to find the funds in the county's budget to take care of the problem.

The vaults in the Mound City Mausoleum - Have remained fairly unscathed from the extreme deterioration of the structure's roof over of the years. Granite and marble are very durable with minimum maintenance if the roof keeps out the elements.

Much of the ceiling in the Mound City Mausoleum - Has fallen onto the tiled floors below due to a deteriorated roof, left unattended for years, that has allowed rainwater to damage the ceiling. The marble plates at each burial chamber are unharmed.

Tiffany Heights and Oregon Care Center earn 2016 Bronze National Quality Award

Tiffany Heights in Mound City and Oregon Care Center in Oregon, MO, have been recognized as 2016 recipients of the Bronze - Commitment to Quality Award for their dedication to improving the lives of residents through quality care. The award is the first of three distinctions possible through the National Quality Award Program, presented by the American Health Care Association and National Center for Assisted Living (AHCA/NCAL), the leading association for long-term and post-acute care. The program honors providers across the nation that have demonstrated their commitment to improving quality of care for seniors and persons with disabilities.

"It's an honor for the staff at both facilities to be recognized for their hard work and quality of care their teams provide every day," said Kris Gibson, Vice President Business Development, Tiffany Care Centers. "Tiffany Care Centers has been committed to providing high-quality, person-centered care to our residents and their families since 1976. We are proud of the staff at Tiffany Heights

and Oregon Care Center for being recognized at a national level, it is very well-deserved." Kristine added that McLarney Manor, Brookfield, MO, also received this designation, as well as Pleasant View in Rock Port, MO. Both are Tiffany Care Centers nursing facilities.

Implemented by AHCA/NCAL in 1996, the National Quality Award Program is centered on the core values and criteria of the Baldrige Performance Excellence Program, which is the foundation of the metric-based AHCA/NCAL Quality Initiative. The program assists providers of long-term and post-acute care services in achieving their performance excellence goals.

The program has three levels: Bronze, Silver, and Gold. Providers begin the quality improvement process at the Bronze level, where they develop an organizational profile with essen-

tial performance elements such as vision and mission statements and an assessment of customers' expectations. Bronze applicants must also demonstrate their ability to implement a performance improvement system. Trained examiners review each Bronze application to determine if the center has met the demands of the criteria. As a recipient of the Bronze - Commitment to Quality Award, Tiffany Heights and Oregon Care Center may now move forward in developing approaches and achieving performance levels that meet the criteria required for the Silver - Achievement in Quality Award.

"I applaud the women and men of Tiffany Heights and Oregon Care Center for their commitment to improve quality care," said the AHCA/NCAL National Quality Award Board of Overseers Chair, Christine Boldt. "This award is the first step in a program that serves as an essential guide to performance excellence. I encourage both organizations to continue their quality journey."

The awards will be presented during AHCA/NCAL's 67th Annual Convention and Exposition in Nashville, TN, October 16-19, 2016.

Notes from Tiffany Heights

Residents at Tiffany Heights in Mound City enjoyed the day on Monday, May 30, with the many memories of those who have sacrificed for freedoms and loved ones who have passed away. Theresa Jordan provided Memorial Day Bible study during the morning as well.

On Tuesday, May 31, residents had a session with Shannon Tharp, Occupational Therapist-Registered, for therapy fun. This month they enjoyed a memory game that included tossing a ball with questions on it, and kicking a ball with questions on it. Everyone got a chance to pick a question and the group all got a chance to answer each question. During the afternoon, residents enjoyed cards and popcorn as they prepared for a new month. Dinner and a movie night featured a western movie with John Wayne, just perfect to start out the Father's Day month of June.

Barbara Deatz and Dorothy Sommer each achieved a two mile certificate during the "Walk and Roll" program. The many different events that happen during the month of June made up the theme of the day on Wednesday, June 1. Residents were challenged to add two events to the discussion. Everyone did a great job and even brought three well-known events to the discussion. These events included Father's Day, D-Day, and the beginning of summer. The rest of the days of June were discussed to include

some of these events: Natioanl Strawberry Rhubarb Pie Day; Peaches and Cream Day; and Ice Cream Soda Day. Also discussed was the World's Ugliest Dog Contest on June 24 in California and the Midnight Sun Baseball Game in Alaska.

Dee Ann Heck provided piano music before lunch on Thursday, June 2. Bingo volunteers during the afternoon were Shirley Jackson, Jean McCall, Britney Wright, Lydia Markt and Brayden Schremser. The winners of the games were Jean Crouse and Margaret Voltmer. Britney Wright provided "News and Views" after the game.

Glamour nails were provided on Friday morning, June 3. During the afternoon, residents enjoyed an outing. They ventured to the Hollingsworth Peony Gar-

dens near Maryville, MO. The storm that had occurred recently damaged the many blossoms, but there were still a few to observe. The outing group enjoyed a tour and informative guide. Residents are looking forward to next year and, hopefully, seeing all the gorge ous flowers in full bloom. A side trip to Dairy Queen made the outing extra special. Those enjoying the outing were Dorothy Heck, Dorothy Sommer, Velma Kunkel, Delores Hawkins, Inez VanOrman, Jeannie Young and Jeanie Edwards.

Games of choice were encouraged during the afternoon on Saturday, June 4. Communion was provided by the First Christian Church on Sunday, June 5. Afternoon worship was conducted by the Church of God.

OBITUARIES

Margaret Fuhrman

Margaret Elizabeth (Pilkington) Fuhrman arrived in this world on May 30, 1963, the only child and "princess" to parents, Willodean L. (King) and Omer Pilkington. They lived in Forest City, MO. Margaret graduated from South Holt High School in Oregon, MO, in 1981.

On September 10, 2011, Margaret was united in marriage to Chris A. Fuhrman at the Rock Port, MO, United Methodist Church by Pastor Bruce Jeffries. The entire ceremony was lovingly put together by their closest friends who even picked the date deliberately (9-10-11) so Chris could remember - and he always did! The bond between Chris and Margaret was forged almost 20 years ago by a chance meeting at a church auction in Mound City.

Margaret passed away Tuesday, May 31, 2016, less than a day after her 53rd birthday. A celebration of life memorial service for Margaret will be held at 2 p.m. on Sunday, June 12, 2016, at the United Methodist Church in Rock Port. The service will be conducted by Reverend Bruce Jeffries. A private family inurnment will be held at a later date at Mt. Hope Cemetery in Mound City. The family will receive friends in the church fellowship hall following the service.

Margaret was preceded in death by her parents; Aunt Julia Pilkington; and Uncle Grover Pilkington. Survivors include her husband, Chris, of Rock Port; sister-in-law, Marlene, of Paso Robles, CA; "mom and dad", Janice and Ralph Phelps; and an amazing host of dear friends across several counties.

Margaret was always genuinely interested in the people in her communities, both past and present, and attended numerous life events of countless individuals, from birthdays and graduations to funerals, and attended most school functions. She was 'everywhere' checking on folks and their families as well as volunteering tirelessly, while being an exceptional caregiver and loving companion to her husband, Chris. Her unique expressions and smile can be summed up as she was "quite a Margaret".

Margaret was a member of the Rock Port United Methodist Church and sang in the chancel choir. She was secretary of the United Methodist Women's Unit of the Rock Port United Methodist Church. She loved music, both hymns and country, and also expressed herself in baking, a variety of crafts, and applying brilliant combinations of colors in adult coloring books. While the mountain of books in her home attests to her love of reading, and the outpouring of love attests to the dedicated relationships she forged, her priority was always the Lord, in whose care she now resides.

Memorials may be directed to the Margaret E. Fuhrman Memorial Fund. Services are under the direction of Minter Funeral Chapel of Rock Port. An online obituary and condolences may be found at www.minterfuneralchapel.com.

This Week's History

From the *Mound City News* archives

50 Years Ago - 1966

- Plans were well underway for the Maitland Blue Grass Festival which was again being sponsored by the Chamber of Commerce. The festival would start June 22 with the usual impressive beauty pageant.

- Neighbors, friends and relatives took 20 tractors, eight plows, eight disks and four planters to the farm of Mr. and Mrs. Rex Shunkwiler and planted their 53 acres of soybeans. Mr. Shunkwiler was a patient for 16 days in Methodist Hospital and Medical Center.

- William Rehm, son of Mr. and Mrs. Arnold Rehm of Craig; and Jimmy Ohlensehlen, son of Mr. and Mrs. Vernon Ohlensehlen, also of Craig, were selected to attend Missouri Boys' State.

- The 38th annual Bellevue alumni banquet was held in the Mound City school cafeteria, with 88 persons attending. Duane Nauman had charge of the business meeting. The ladies of the Methodist Church served a delicious ham and turkey dinner to the group.

25 Years Ago - 1991

- The heat probably held down the size of the crowds at the 3rd annual Big Lake Arts and Crafts Fair over the weekend. The turnout of both vendors and visitors for the two-day affair sponsored by the Mound City Chamber of Commerce was disappointing, chamber members said, and it was questionable whether there would be a 4th annual version of the event.

- The community Vacation Bible School, sponsored by the Mound City Ministerial Alliance, ended with a program at the First Christian Church. There were 67 children who attended, said Joyce Pecora, superintendent.

- Fifty-four members and guests gathered at the Mound City Nutrition Site for the 64th annual Bellevue Alumni Banquet.

- The State Theater production of "Seven Nuns at Las Vegas" drew about 100 people to a special afternoon performance. OATS buses brought audience members from as far as 120 miles away. Rick Miller, State Theater Arts Council president, said all performances over two weekends attracted a total of nearly 700 people - which set a record.

10 Years Ago - 2006

- The sixth annual Holt County Relay for Life the prior weekend at the Mound City rodeo grounds raised close to the \$10,000 goal, said Karen Cotton, chairman.

- Julia Gilland wasn't around when Bigelow was founded in 1868, but she had been there a long time - virtually all of her nearly 89 years - and she had many memories of what it was like as a thriving community. She talked about those memories at a Holt County Historical Society meeting at the society's Methodist Church in Fortescue.

- The 79th annual Bellevue Reunion was held in the Fellowship Hall of the Mound City Methodist Church. It was attended by 77 guests. Alumni recognized included the oldest at 91, John Busch and Edwin Prather; coming the greatest distance - Esther VanWormer Helfers and Dorothy VanVormer Lovelady; and three members of the 1936 class attended - Ted Andrews, Esther Helfers and Eleanor Seitz.

- The 4th annual Fogg Arena Youth Rodeo Series was to begin for the summer.

What do you remember?

The Holt County Historical Society is looking for answers to these questions that have been submitted by researchers.

FORTESCUE 8TH GRADE GRADUATES 1952

Ralph Eddie Bradbury, Casper, WY, brought this photo to the Fortescue School Reunion to share. It was the year of the 1952 flood and school was dismissed when families had to move in early April. Eddie reminded everyone that when the water went down and everyone returned home there were no more classes, but the 8th grade graduation was held. Left to right, front row: Elizabeth Ann Jones (Burnsides), Joyce Ann Butcher (Hall), Rosemary Henry (Stewart), Patty Lou Hinkle (Derr), Betty Sue Hinkle (Clark), and Nancy Stone (Siron). Back row: Ralph Eddie Bradbury and Rex Bradbury. Only four now survive.

RECENT DONATIONS TO THE CENTER

* "The History of Christopher Columbus Akin in Holt County, Missouri, His Life and Times as Told in Holt County Newspapers" was sent to the Genealogy and Research Center recently by his grandson, Paul Akin, Shawnee, KS. He writes that in 2014 he visited the Holt County Historical Society Genealogy and Research Center and researched this story and wanted it available to Holt County residents as part of the county history.

* Fortescue school photos came from graduates Carl "Sonny" (1948) and Darlene Elder Adkinson (1949), Galva, IL. She writes that she and David Winslow are the only ones left from the last graduating class of Fortescue High School.

* Large photos of early day Corning were received from Jo Ann Hatten, a 1951 Craig graduate. Several show floodwaters and also the large brick buildings that were once on Corning's streets. They have been framed and are now on display in the center.

BIG LAKE LAKEFEST

From the **FRONT**

The Big Lake Lakefest added a car and motorcycle show - To the festivities on Saturday, June 4. One unique car at the show was a Henry J from the early 1950's. Henry J. Kaiser set out to make an affordable car for the average buyer, with a goal of not exceeding a selling price of \$1,300 (\$12,786 in 2016 US dollars). To keep costs low, early Henry Js did not have rear trunk lids; owners had to access the trunk by folding down the rear seat. Another cost-saving measure was to offer the car only as a two-door sedan with fixed rear windows. Also lacking in the basic version were glove compartment, armrests, and passenger-side inside sun visor. Because of low sales, in 1952, Kaiser began selling rebadged Henry Js through Sears and Roebuck, under the nameplate of Allstate. Allstates carried a unique grille, hood ornament, hubcaps, identification badges and interior trim. After two years of disappointing sales, Sears dropped the car.

Craig FFA officers attend LEAD Conference

To kick off the summer, the Craig, MO, FFA officers for the 2016-2017 school year attended the Learn-Educate-Advance-Develop (LEAD) Conference in Trenton, MO, on Wednesday, June 1. Shortly after arrival, the conference began with an exercise to get to know one another better. After a few speeches and a couple more group exercises, the first session began.

The first session consisted of creating a code of conduct and how the officer team would treat certain scenarios that conflict with the rules. A short time was allotted for a break; then on to session two. This session dealt with sending the wrong messages. After an activity, the officers worked together to complete three inaccurate

messages about agriculture or FFA and an accurate alternative message along with how they planned on showing the community the accurate message.

Session three was all about the Program of Activities (POA). The officers learned new facts about the POA and how to incorporate these into the chapter. Soon after a lunch of either hot dogs or hamburgers, the break-out sessions began. The officer team split up and visited three out of the five sessions. Some things learned in the breakout sessions were event planning, exploring careers, or service leadership. A closing session took place afterwards ending the LEAD Conference.

South Holt FFA officers attended the LEAD Conference - In Trenton, MO, on Wednesday, June 1. Pictured are, left to right, Hunter Logan, President; Brianna Justice, Sentinel; Cassidy Miller, Historian; and Sophie Richards, Reporter.

Theater camp ends with production of "The Apple"

The State Theater Arts Council sponsored a two-week theater camp at the State Theater in Mound City from Monday, May 23, through Friday, June 3. "Ten campers came to the theater ready to learn and have a fun time," said Ginny Smith, Fairfax, MO, the camp director.

On Friday, June 3, the theater camp presented the one-act play, "The Apple" by Jimmy Brunelle, for families and friends. The scene opens with the janitor...custodial engineer (Blade Wright of Mound City) making his rounds in the art gallery. As he sweeps the floors, he dreams of being famous someday. As he was about to eat an apple, he was interrupted by an anxious, nerdy young man (Oliver Smith of Fairfax, MO) in a desperate search for a pen. Setting his apple down on a nearby pedestal, the custodial engineer leaves the room to help the young man find a pen.

Throughout the hilarious scene, people see "the apple" in all its glory, deeming it a work of art. Each character demonstrates a unique attitude about "the apple," with the mysterious woman with the pancake spatula (Sophie Richards of Oregon, MO) stealing the show. A rein-

arnation of Elvis Presley (Britney Wright of Mound City) and little miss know-it-all with the never-ending talking (Courteney Gordon of Mound City) added to the laughter, both in the audience and on stage. The remainder of the cast complemented the scene with great lines and wonderful acting.

After the art gallery empties, the custodial engineer returns, unaware that his afternoon snack had created such a fervent scene. Before the closing of the curtain, he picks up his apple, repeats his wish to be famous someday and walks off the stage.

Ms. Smith did a great job teaching the campers about the many facets of stage performing. The performers spoke clearly and reacted well to others on stage. The audience could tell this group of campers had a fun time during camp.

Other members of the camp were Maddie Dulcan (Oregon), Faith Schwebach (Maitland, MO), Charlie Smith (Fairfax), Lydia Markt (Oregon) and Trisha Murphy (Big Lake, MO).

The State Theater Arts Council is looking forward to next year's camp.

Faith Schwebach (Maitland, MO), left, and Courteney Gordon (Mound City), right - Are the first two characters to discover "The Apple" in the one-act play performed by the 10 State Theater Camp participants on the camp's final day. Hilarious antics entertained the campers' families and friends as a chance placement of an apple set the scene for the 30 minute play.

Oliver Smith (Fairfax, MO), left, and Blade Wright (Mound City), right - Start the scene in the one-act play, "The Apple," at the State Theater in Mound City on Friday, June 3. The performance was given to families and friends on the final day of theater camp. Smith's character "needs a pen, needs a pen, needs a pen" and Wright interrupts his work to help find a pen. Wright's actions set the play in motion.

Summer reading program off to great start

The Mound City Public Library kicked off its summer reading program, "Going for the Gold" - With guest performer, Will Stuck, at the Mound City State Theater on Tuesday, May 31. The popular storyteller, pictured on stage, brought back to Mound City by popular demand, kept the 82 children and adults enthralled with his stories and got the crowd in on the action. After the program at the theater, everyone went to the library to check out books and sign up for reading logs. Summer reading program director, Susan Nauman, was thrilled with the turnout, counting 46 pre-kindergarten through third grade readers, 11 fourth grade and up readers and 25 adults at the opening event. Each Tuesday morning through July 12, the summer reading program will hold great activities for the children at the library. Awards and prizes will be handed out on Tuesday, July 19, at the State Theater for the program's closing ceremony. Watch the *Mound City News* for the weekly schedule.

Mound City Public Library Summer Reading Program

On your mark, get set, read!

"On your mark, get set, read!" sets the "Going for the Gold" olympic theme for this summer's reading program at the Mound City Public Library. The program is underway with six more weeks of special reading events set for Tuesdays at 10 a.m. and 11 a.m. All programs will be held at the library except for the last one on Tuesday, July 19, which is at the State Theater.

The summer reading program is sponsored in part by a grant from the Institute of Museum and Library Services. The remaining schedule for the special reading events follows:

Tuesday, June 14 - Those attending this program are invited to get up close and personal with horses in this equestrian encounter event. Bonita Haer of Craig, MO, will be at the library with her horses. Prekindergartners through third graders are scheduled at 10 a.m., while fourth graders and up are invited at 11 a.m.

Tuesday, June 21 - The Stone Lion Puppet Theatre will be at the library to present "The Great Race and the Puppet Makers". All age groups are invited to attend at 10 a.m. with a puppet making workshop to follow for all age groups at 11 a.m.

Tuesday, June 28 - Thrills, skills and audience participation will be on the agenda in this "Double Play" program given by Jay and Leslie's Laughing Matters (back by popular demand). All age groups are welcome to attend at 10 a.m. with a juggling workshop presented to all age groups at 11 a.m.

Tuesday, July 5 - There will be lots of special activities at the library with a storytime and crafts. Prekindergartners through third graders are invited to attend at 10 a.m., while fourth graders and up are invited at 11 a.m.

Tuesday, July 12 - Brian Messer and his student athletes from Mound City R-2 will be on hand to present a run, jump and throw track and field program to attendees. All age groups are welcome at 10 a.m. with storytime, crafts and book checkout following at 11 a.m.

Tuesday, July 19 - Awards and prizes will be given at the closing ceremonies at the State Theater. Guest presenter, Kevin Horner, will also be at the theater with his ventriloquist/illusionist act. He is coming back by popular demand. All age groups are welcome to attend this final event at 10 a.m.

"They kept me educated. As a teacher, that was helpful."

Cindy Sons, a preschool director, had been living with constant knee pain and was unable to get up and down with the kids. When it became time for knee replacement surgery, she knew just where to go - SSM Health St. Francis Hospital.

"The doctor did a great job explaining things to me," she says, "And the nurses talked me through what was going to happen, like teachers."

The results were everything Cindy had hoped for. So much so, she recently had her other knee replaced. As she puts it, "I was confident this group of people would take excellent care of me again."

Holt County Relay For Life Small in numbers - Great in spirit

(ABOVE)

The "Not So Newlywed Game" was played - At the Holt County Relay for Life event on Saturday, June 4, at Oregon, MO. Oregon residents, Byron and Dana Fink, left to right, found that being married 50 years doesn't make it any easier to win the game. After a close battle to end, the Fink couple pulled out a victory.

(MIDDLE RIGHT)

A new feature at the Holt County Relay For Life - In Oregon, MO, was several small bounce houses for children. The minimal charge to jump kept the little ones busy most of the evening on Saturday, June 4. Catching some air while going down an inflated slide is Sophie Mendenhall of Oregon, MO.

(BOTTOM RIGHT)

The winners of the Scrabble game at the Holt County Relay For Life - On Saturday, June 4, at Oregon, MO, gathered for a picture before snatching up pocketsful of candy as prizes. The five youngsters that won the group prize are, back row, left to right, Meghan Markt, MaKayla Bohart, Kenton Dudeck, Trent Markt and May-sen Bohart. Katie Mendenhall, front, won the individual prize.
