Community blood drive July 23

The last opportunity to give blood in Holt County this month is on Monday July 23, in Mound City. From 2 p.m. to 6 p.m. at the McRae Community Building at 1720 Nebraska Street, residents can give blood and be entered into a weekly drawing to win a \$50 gift card!

To make an appointment go to savealifenow.org and enter sponsor code: moundcitycomm1. By making an appointment online, donors are instantly registered to win a grand prize giveaway! Donors may also contact Elaine Bledsoe at 660-442-5235.

Squaw Creek Travel Plaza grand opening this Saturday

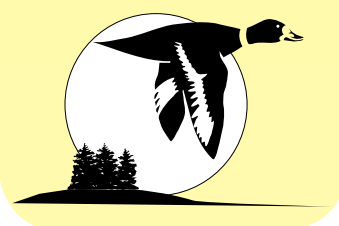

Join the new Squaw Creek Travel Plaza staff in celebrating its grand opening on Saturday, July 21, from 10 a.m. to 6 p.m. Stop by to check out the store and enter a drawing to win a chance at a 42" flat screen T.V. and Phillips 66 gift cards. The travel plaza is located off I-29 at Exit 79 near Mound City.

Everyone can enjoy a grand buffet, 29¢ fountain drinks (all sizes) and the "What Will Fuel the Future" energy roadshow. CarterEnergy's Roadshow is an interactive learning experience about all things energy! For more information on the roadshow, visit WhatWillFuelTheFuture.com.

Junior Naturalists Thursday

The ninth event to be presented for the Junior Naturalist Program will be held this Thursday, July 19, at 6:30 p.m. at the Squaw Creek Refuge near Mound City, MO. This week's theme is "Sound Hound". Naturalists will learn new ways to listen to wildlife as well as understand what it's saying. Students will talk to owls and howl with the coyotes.

Following the next week on Thursday, July 26, the theme for the program will be "Tree's a Company". A chance to swing from the branches should entice the arborist, who will learn types of animals one would find when exploring a tree.

Walker drops in 2 holes-in-one in 8 days

Daryl Walker of Mound City couldn't help but show his elation as he pulled not his first, but his second, hole-in-one out of the #3 green cup on Sunday, July 8, at the Mound City Golf Course. The feat was the second of two memorable shots on hole #3.

Daryl's first hole-in-one occurred while golfing with his son, Willy, on Saturday, June 30. Daryl pulled out his 6 iron that day on hole #3, and with a bit of a south wind, struck the ball. Willy started 'going crazy' when he thought that the ball had dropped into the cup. Daryl, however, thinking he just couldn't see the ball, made Willy hit his ball before the two-some went to check. Willie blasted his ball elsewhere and the two raced toward the green. Sure enough - no ball. It *was* in the cup. The excitement of Daryl's

first ever hole-in-one after 36 years of golf so ignited the duo that they couldn't finish their round of golf.

On Sunday, July 8, Daryl and his father, Gary, were playing best ball with Daryl's other son, James, and his friends, Dylan and Hayden Marrs. This round, on hole #3, Daryl pulled out his 7 iron, struck the ball, and it fell into the cup again.

"I had never expected to get a hole-in-one in my life, but now I've had two in 8 days. It's exciting," remarked Daryl. "Now, you start thinking, 'It's possible!'."

The golfing exploits may be carrying over to other family members, as Daryl stated that when he and his dad played a few days later, his dad hit and was just 2" from the cup on hole #5.

Dredge in place and ready for action at Big Lake

The arduous task of dredging Big Lake is drawing nearer. Steps made the week of July 9-13 show the earnestness of Holt County farmer, Tom Tubbs, in making this project a reality. On Thursday, July 12, the dredge was put into place by a crane, and a Kansas City, MO, company had arrived to begin fusing together the 12" pipes that will carry the sludge.

Tom Tubbs purchased the dredge at an auction in Blue Springs, MO, in February, 2012, with a two-fold purpose in mind: to remove silt and deepen the lake that has silted in after three years of flooding, and to use the sludge to fill in the acres and acres of scour holes created on his farmland as a result of the flood.

Approximately 2-3 acres of soybeans were recently shredded at the south end of Big Lake in Tom's field to set up the pipe fusing operation. A Kansas City company called Dredge America was hired to work onsite.

The dredge was placed on the lake- At Big Lake on Thursday, July 12, and tested for functionality the same day by Marty Wennihan and Josh Dean, employees of Tom Tubbs. The dredge appeared to be working properly and now awaits the second phase before being ready to pump.

The pipes are faced with a sharp blade to smooth the face. Then, the facing plate machine heats the faces up to 425 degrees and they're pushed together (fused). The fuse is then allowed to cool for 15-20 minutes before being handling by a forklift. Josh Dean and Robert Browning, Tubbs' farm employees, were at the site to

Golden Triangle Energy appeals tax assessment to Board of Equalization

Stockholders, employees and the lawyer for Golden Triangle Energy (GTE) in Craig, MO, appeared before members of the Holt County Board of Equalization (BOE) on Monday, July 16, to appeal the county's 2012 \$22 million property assessment. Present at the hearing were BOE members Mark Sitherwood, Bill Gordon, Don Holstine and Barry Kreek (member Anna Lou Doebbling was absent). Also present were Holt County Assessor Carla Markt, Holt County Clerk Kathy Kunkel, and more than a dozen other interested individuals.

Wayne Tenenbaum, lawyer for Golden Triangle Energy, preempted his address to the BOE stating, "The ethanol industry is in the dumps, plain and simple."

Tenenbaum then articulated the dismal state of the ethanol industry, citing the closings of 31 small plants across the nation. He tossed out figures from a few of the sales of plants that closed, attributing the economic obsolescence that those companies experienced to be the same position that Golden Triangle Energy may soon be in, if trends don't change.

This economic obsolescence has resulted from the unforeseen high corn prices, the oversupply of ethanol and other contributing factors. Estimates made 4-5 years ago did not foresee corn prices above \$8 a bushel.

Tenenbaum contended

Herb Derks, left- Of Gentry County, MO, laid down his 'golden shovel' (shown on table) as he addressed the Board of Equalization (BOE) on Monday, July 16, regarding the value of Golden Triangle Energy to the county and what he felt should be the board's obligation to do whatever it could to keep industry in the county. He spoke to the BOE, which was taking into consideration the reduction in the tax assessment for Golden Triangle Energy (GTE). Herb is a past board member of GTE. Second from left to right, Holt County Clerk Kathy Kunkel, and BOE members Bill Gordon and Mark Sitherwood listened to Herb's comments.

that the taxes assessed by the county on the entirety of the Golden Triangle Energy plant far exceed the basis of fair market value. He stated the taxes should be based on what someone would be willing to come in and buy the plant for. He contended that the county fails to acknowledge the facts regarding the value of the Craig plant, stating that in addition to the fair market value, the plant showed a combined net income over the last four years of \$228,270, as certified by multiple public accountants. Asking the business to pay property tax on an assessed valuation of \$22 million, resulting in a property tax bill of over \$500,000, is simply impossible. Golden Triangle Energy stated that it was appealing to the BOE for a reduction in assessment to \$15 million.

The attorney went on to state that should the company's financial contributing factors change for the 'upside', the company would indeed expect the county to reassess and increase its taxes. GTE is only asking for a fair assessment.

BOE member, Barry Kreek, asked for additional input from any of those present at the July 16 hearing. Herb Derks, Dwight Rosenbohm, Byron Fink and Robert Drewes each asked the county for fairness in assessment, restating the value that the business brings to the county.

GTE was built in 2001 under 10-year Chapter 100 bonds. For nine years, the company paid \$32,000 per year in lieu of taxes that was divided between the school district, the ambulance district and the fire district. In 2007, because of the plummet in ethanol value, GTE chose to diversify and began adding a high quality alcohol operation (which did not increase the production capabilities, it is still a 19,500,000 gallon/year plant).

According to the GTE

newsletter, the company was offered by the county, the Chapter 100 bonds for tax abatement on the 2008 addition. However, the offer hinged on other aspects, that in the end, GTE decided the bonds would, 'offer little relief'.

According to county officials, the county had set the assessment of the new addition at \$9.2 million. GTE paid \$210,802 in 2009 taxes under protest. Then, in 2010, the State Tax Commission ruled on the protest and placed the valuation at \$10.6 million on the new operation. GTE then paid an additional \$32,434 in 2009 taxes, coupled with 2010 taxes of \$260,277.

In November of 2011, GTE made the balloon payment to the county for the end of the Chapter 100 bonds in the sum of \$294,000. The plant then paid \$255,775 in taxes under protest in 2011. In all, GTE has paid to date, \$1,415,925 in taxes to Holt County.

The company's newsletter indicated that despite meetings with the county assessor, where GTE employees felt they were very transparent with the company's audited financials, no resolution was made, and an appeal was the necessary next step.

The Craig R-3 School District stands to profit most from the taxes garnered from GTE. The difference in the \$22 million assessment and the \$15 million assessment could mean roughly a \$108,000 difference for the district. Craig Superintendent Mike Leach would not comment on the district's opinion of the appeal, stating only that the school has a good rapport with GTE and that it is a 'good booster'. He stated that he would 'take whatever he gets and budget accordingly'.

The BOE will meet again before the end of July and stated that it would make a determination on the request for a reduction by July 30.

Informal News Beat

Holt County BOE faced with tough economic decision

The Holt County Board of Equalization (BOE) is faced with a tough decision concerning Golden Triangle Energy (GTE) in Craig, MO, and its property assessment. Golden Triangle officials have asked the BOE to reduce its assessed valuation. Based on several factors, Golden Triangle put on a good argument for lowering the assessment at a hearing with the BOE on Monday, July 16.

The BOE is probably looking at the fact that Golden Triangle had a tax abatement for nine years from the county to help get the business established, and now that the abatement is over, GTE should start paying additional property tax.

Golden Triangle isn't asking for a free ride - only a reduced tax assessment from \$22 million to \$15 million; so the question is whether the BOE feels that it is in the best interest of the taxpayers to agree on a reduced tax assessment or not.

Several factors the BOE must take into account include the economic impact of the facility for Holt County, i.e. 30+ employees receiving reasonable wages and spending some of their income in Holt County; increased corn prices for local producers; increased benefits for other businesses in the county (truckers, utility companies, suppliers, hardware stores, building centers, etc.); support to area fund raisers; and the inevitable increased property tax receipts well above the first nine years from GTE for the Craig school, county funds and other taxing entities.

It's a tough call, but apparently, according to the balance sheets of GTE will have a tough time paying for any tax increase. GTE officials believe that the plant and property should be assessed at around \$15 million instead of the \$22 million currently assessed. In my opinion, this would be a fair compromise for Holt County in order to retain GTE's facility and the economic benefits it brings with it.

I never received any tax abatement for my printing plant project, but I never asked. I believe that every situation is different and should be looked at accordingly. Holt County must continue to look for ways to help businesses survive and locate in our county.

HCHS to hold afternoon program July 22

The Story-Hardin American Legion Post #164, in Craig, MO, will host the Holt County Historical Society on Sunday afternoon, July 22. The afternoon program at 2 p.m. will give a look back at the history of the organization that is located in the former First Christian Church building on the corner of Frame and Third streets in Craig. Legion Post #164 is named for George Story, who was killed in the

service of his country November 5, 1918, and Roy W. Hardin, who died while serving in France on July 19, 1918.

Highlights will be a display of the early records and ledgers of the Legion, along with photos and other memorabilia. Those with historical items or documents are encouraged to bring them to share. Anyone interested is welcome to attend. The legion will serve refreshments.

Mound City Kiwanis news

The Kiwanis Club met at the United Methodist Church in Mound City on Wednesday, July 11, 2012, with 15 members and 4 guests present - William Seay (KQ2), Jonathan Miller, Jeremy Blevins and Ernest Hester.

There was no program, and a business meeting followed the meal. Treasurer Dave Frede distributed a

profit and loss sheet from the Tractor Pull, Party in the Park, the July 4th Parade and flags. There was considerable discussion about the many positive results from the Kiwanis effort on these events as well as changes proposed for next year. Kiwanis members donated 246 hours toward all of these events.

Mound City Nutrition site news

Volunteers at the Nutrition Site in Mound City during the week of July 9, 2012, were: Walt and Pat Groves, Sue Schmidt, Addie Trimmer, Lela Boyd, Dee Ann Heck, Richard and Alita Meyer, Carolyn Roberts, Yogi Swymeler, Anne Dudeck, Bev Kreek, Corey and Danielle Gordon, Courteney and Hunter Gordon; Art Davis, Tami Paulson, Keith Knaak, Roma Chaney, Mary Belle Carter, Greg Biermann, Marj Field, Ernest Hester, Gailen Robbins, Betty Bendure, Virgil and Trish Miles, Russ and Rita Northup, Marge Polaski, Fred and Kim Kling, Ramona Pulliam, Marcia Kurtz and Duane Baker.

Sharing fruits and vegetables were Glen Brown, Shirley Jackson and J. Ernest and Linda Hester.

Delivering meals the week of July 23, 2012, will be:

Craig - Monday - Pat Groves and Sue Schmidt.

Mound City - Monday and Tuesday - Lutheran Church; Wednesday - Open; Thursday and Friday - Methodist Church (Ellen Kunkle).

Oregon and Forest City - Monday and Tuesday - Oregon Manor; Wednesday and Thursday - Yogi Swymeler; and Friday - Open.

The Mound City Nutrition

Site recycles cell phones, ink cartridges, and aluminum cans for cancer (Helping Hand) in two purple cans by the front door. There are also drop boxes for box tops for the school and donations to the food pantry.

The July product of the month is green beans. The drawing will be held Tuesday, July 31.

Upcoming activities at the Mound City Nutrition Site are:

July 23 - Exercises from 8:30 a.m. - 9:30 a.m.

July 24 - Birth date of Amelia Earhart, 1898.

July 25 - Exercises from 8:30 a.m. - 9:30 a.m.; Andy from Three-Rivers Hospice will provide music at 11:00 a.m.

July 26 - Oregon Care Center, Blood Pressure Screening at 11:00 a.m.

July 27 - Cinnamon rolls and donuts, 8:00 a.m. until gone; Mini garage sale from

8:30 a.m.; Bingo at 11:40 a.m.

If anyone can volunteer with preparing or serving cinnamon rolls and/or donuts, please call Addie Trimmer at 660-442-5889.

The upcoming menu at the site is:

Monday, July 23 - Spaghetti with meat sauce, lettuce salad, garlic bread and peaches.

Tuesday, July 24 - Baked potato bar with chili or turkey and cheese, broccoli, juice and peanut butter cookies.

Wednesday, July 25 - Roast beef, mashed potatoes and gravy, California blend, hot rolls and ambrosia (mandarin oranges, pineapple chunks and bananas).

Thursday, July 26 - Meatloaf, spinach, scalloped potatoes, lime and pear gelatin and baked apples.

Friday, July 27 - Chicken fillet, lettuce and pea salad, sliced tomatoes, oven potatoes and mandarin oranges.

News from Tiffany Heights

Residents at Tiffany Heights in Mound City enjoyed the start of the week on Monday afternoon, July 9, by making a patriotic craft. They enjoyed putting together a symbol of an American flag and then added it to a fancy star to put on their doors. Shirley Jackson and Joan Smith assisted with the craft. Everyone enjoyed the homemade breads and jams made special by Shirley after the craft.

On Tuesday, residents discussed the month with a "Did you know?" session. They always learn many different things about each month and some seem a little far fetched, but are interesting. Did you know that July is a national month for baked beans, blueberries, horseradish, picnics, hot dogs and ice cream? On the lighter side of the month, did you know that on July 2 it is National Postal Workers' Day and July 4 is Caesar Salad Day? This is because in 1924, a large number of customers arrived at Caesar Cardini's restaurant and he was running out of food so he decided to make up the difference with a bit of showmanship. Caesar brought

to the table ingredients for what later became know as caesar salad and assembled the dish with dramatic flourishes. People started coming to Caesar's restaurant just to order the salad. Last but not least, July 5 is the anniversary of Spam.

The residents' favorite mind stretching game was held on Wednesday. They enjoyed the Name Game. This month, the residents used the words ice cream month. They were able to make more than 140 different words using these letters.

Dee Ann Heck played the piano before lunch on Thursday morning. Bingo volunteers on Thursday were Shirley Jackson, Jean McCall, Barbara Hanlon, Gordon Robbins and Mary Lee Privett.

Barbara Hanlon volunteered during the afternoon on Friday. She cut up the watermelon and the residents enjoyed a refreshing afternoon. Games of choice were held on Saturday afternoon.

Larry Brickey and the Baptist Church family provided Sunday morning worship. Afternoon services were conducted by the Methodist Church.

Dream Big, Read!

Summer Reading Program presents

Out-Of-This-World Astronomy

Wednesday, July 25th @ 8:00 p.m.

at the Squaw Creek National Wildlife Refuge

Dr. David Richardson of Northwest Missouri State University will be giving a short presentation followed by, weather permitting, a guided observation of the night sky.

The presentation will look at what the night sky holds for the amateur astronomer while using naked eye observations, binoculars, and telescopes. Dr. Richardson will be giving his audience a demonstration on telescope operation and how to use a telescope to view astronomical objects in the night sky. Readers will be given the opportunity to look at some interesting out-of-this-world objects such as the moon, Mars, and Saturn.

Bill Stone

William Eugene "Bill" Stone, 81, died Friday, July 13, at his home near Forest City, MO. Born February 28, 1931, in Big Springs, TX, Bill was the son of Harvey William and Virginia (Hartnett) Stone. Bill attended school in Fortescue and was a member of the class of 1949, the last graduation class of Fortescue High School.

Bill attended Northwest Missouri State College in Maryville, MO, before joining the U.S. Navy in November, 1951.

In September of 1952, Bill married Peggy Mitchell at St. Patrick's Catholic Church in Forest City. After Bill's discharge from the U.S. Navy in 1955, they returned to the family farm where he lived the rest of his life.

Bill served on the Fortescue Special Road District, the Canon Drainage District, Levee District #9 and the Craig R-III school board. He was a charter member of the NFO and a member of the Holt County Historical Society.

Bill was a Eucharist Minister and had served as president of the parish council at St. Patrick's Catholic Church, where he was a lifelong parishioner.

Bill was preceded in death by his parents; and a son-in-law, Dennis Huey.

Survivors include Bill's wife, Peggy, of the home; and their eight children, Becky Derks (Paul), Bobby (Ginny), Harvey (Mary), Rachel Vandever (Danny), Kirby (Jeannie), Katie, Mary Helen Huey, and Shannon; twenty-four grandchildren, Sarah (Jeff) Nolder, JoAnne (Johnnie) Anderson, Michele (Kevin) Tadlock, Nathan, Joseph, William, Gabriel, Ffiona, Rafe and Killian Stone, Adam Jungk, Amanda (Terry) Troncin, Meghan Vandever, Heather (Justin) Smith, Mary Katherine (Dustin) Dockery, Eric Stone, Lori (Harry) Covert, Beth Stone, Mitchell, Matthew, Ellie and Alex Huey and Nick and Hannah Stone; twelve great-grandchildren, Jack and Tyler Nolder, Cole, Brodie, and Jude Anderson, Cadence Buckler, Chance, Sydney, Owen and Lila Rae Smith, Christian Stone, and Conner Stone; and numerous nieces, nephews, and cousins.

Bill loved his family, farm, church, and community. He will be greatly missed by all who knew him.

Mass of Christian burial was held on Wednesday, July 18, at 10:00 a.m. at St. Patrick's Catholic Church, Forest City. Interment was held at Mount Olivet Cemetery in St. Joseph, MO.

Memorials may be made to: Sisters of Saint Francis, Savannah, MO, or Conception Abbey, Conception, MO.

Care was entrusted to Chamberlain Funeral Home & Monuments, Oregon, MO. Online condolences may be left at www.chamberlainfuneral.com.

Terri E. Rails

Terri E. Rails was born April 19, 1963, in St. Joseph, MO, and graduated from Lafayette High School. On June 30, 1990, she married Darin Lee Rails in Big Lake, MO. They lived in Big Lake for 12 years, and then moved to Craig, MO. They have lived in Craig for the past six years.

Terri passed away on Thursday, July 12, 2012, at her home at the age of 49.

In addition to her husband, survivors include Terri's children, Melissa (Kyle) Livengood of Craig, Joshua (Telesa) Lundy of Tarkio, MO, Tannah Rails (Jake Knapp) of Craig, and Makayela Rails (Dalton Nowling) of Craig; her mother, Norma Jean (Foulk) Pinkerton of Craig; brothers, Rick (Loretta) McPhail of Edwardsville, KS, and Greg (Cheryl) Allen of Parkville, MO; sisters, Pam Pinkerton of Dearborn, MO, and Tierra (Dean) Rails of Sedalia, MO; five grandchildren, Kyleigh and Kaitlyn Panning, Trevor, Quinton and Kaysten Livengood, and anticipating baby Lundy; and numerous nieces and nephews.

Terri was preceded in death by her father, William Powell; stepfather, Victor Pinkerton; and brother, Gary Pinkerton.

Terri enjoyed family, cooking, cleaning, and redecorating her home.

Memorial services were held on Sunday, July 15, 2012, at 2:00 p.m. at the Craig Community Church of the Nazarene. A private family inurnment was held at the Craig I.O.O.F. Cemetery. Care was entrusted to Chamberlain Funeral Home & Monuments, Mound City. Online condolences may be left at www.chamberlainfuneral.com.

C & M Seed Center to host farm technology expo August 2-3

C & M Seed Center in Mound City, MO, invites its customers to the Monsanto Camden Point Research Farm Technology Expo on Thursday, August 2, from 4 to 7 p.m., with supper served, or Friday, August 3, from 9 a.m. to 1 p.m., with lunch served. The expo will be located 2.1 miles east of Camden Point, MO, on Highway E.

Topics to be discussed are: DEKALB® Brand Corn and Germplasm; DroughtGard Hybrids - Drought Study; Soybean Best Management Practices and Weed Management; and Precision Planting and MD Plot Discussion.

Gov. Nixon surveys impact of extremely dry conditions on farms, communities throughout Missouri

All Missouri counties declared disaster areas due to ongoing drought

Gov. Jay Nixon recently surveyed the severe drought conditions devastating crops and livestock throughout the state. The tour of hard-hit areas began Tuesday morning, July 17, in northeast Missouri at a farm near Ewing, MO, followed by an afternoon visit to Tarkio, MO. Gov. Nixon also visited an operation in Bolivar, MO, later that afternoon.

"My administration will continue to work with Missouri farmers as they endure a drought that is severely affecting our crops and livestock," Gov. Nixon said. "Secretary Vilsack issued that designation for all 114 counties affected by drought, providing access to low interest loans and other assistance that will help our farmers recover. As a state, we will continue to stand with Missouri farmers at every step of this disaster and throughout the recovery process. Together, we will ensure that a strong agriculture industry remains the backbone of Missouri's economy."

While near Tarkio, Gov. Nixon toured the Hurst family farm and met with Brooks Hurst and other area farmers to assess the hardships they have faced so far during these extremely dry conditions. The Hurst family farms more

than 5,000 acres of corn and soybeans in northwest Missouri.

The governor also said it was important to remember that the hardships for farmers also are coming at the same time that the prolonged heat and drought have led to hundreds of fires across the state.

"I've stood up the State Emergency Management Agency for the coordination of the state response to the fires, and we've seen hundreds of firefighters, both professional and volunteer, as well as conservation agents and others, responding to these threats with tireless efforts," Gov. Nixon said. "The long-range forecast means not only will our fire responders need to continue their vigilance, Missouri farmers also must be ready for the long haul with this weather, even as we head into harvest season."

All of Missouri's 114

counties have received disaster designations resulting from drought, providing farmers there with access to low interest loans and other assistance to help them recover from losses. Because it is contiguous to St. Louis County, the City of St. Louis also has been designated.

A disaster designation allows eligible farmers to be considered for assistance from the USDA Farm Service Agency (FSA), including FSA emergency loans.

In addition to keeping an eye on crops and livestock, producers should document any losses or additional costs experienced as a result of weather events, including drought. That information is often required for producers to be eligible for physical and/or production loss loan assistance from the FSA, as well as other assistance programs.

Attention Farmers:

• **REDUCE STRESS DURING GRAIN FILL AND IMPROVE STALK QUALITY DURING HARVEST TIME** •
High stress during grain fill reduces yield and can severely reduce stalk quality which can lead to down corn at harvest. Headline Amp is the leader in plant health and disease control.

Now is the time to talk to Garold Kurtz about treating your corn acres with Headline Amp Fungicide.

Headline Amp provides powerful protection for your corn:

- Maximize Yield - (11.9 bu/Ac. increase in 2011) in over 3,200 side-by-side comparisons
- Minimize Risk - Plant Health benefits improve the corn's tolerance to heat and drought stress
- Improve standability and harvest efficiency with healthier and stronger corn stalks

We are taking fungicide application orders, and therefore will be glad to meet with you and go over your field maps and answer any questions or concerns.

There is a reason why growers use Headline Amp and Headline Fungicide on more corn and soybean acres than all other fungicides combined!

We look forward to working with you in making 2012 a prosperous year in agriculture.

Construction begins on River of Hope Fellowship's Worship and Ministry Center

The congregation at River of Hope Fellowship has stepped out in faith to build a new facility on 6 acres of land at the crossroads of I-29 and Highway 159 near Mound City. Construction of the new building began on Monday, June 25. The site was dedicated on Sunday, July 1, and cement began streaming from a 120' boom truck on Thursday, July 12, pouring the floor of the building.

River of Hope Fellowship was planted four years ago, when the fellowship rented the downstairs area of the Squaw Creek Truck Plaza for its first four months. In January, 2009, the Mound City Church of the Nazarene graciously offered its vacant facilities to the River of Hope Fellowship.

"We are extremely thankful for the people here at the Church of the Nazarene, as well as the district office, for helping River of Hope Fellowship get started and established," commented River of Hope Pastor David Showalter, appreciatively.

However, it became evident early on that the fellowship would have to find a larger building to help meet its growing needs. After several months of searching and researching existing buildings in northwest Missouri and southeast Nebraska, it seemed apparent that the fellowship was not going to be able to find what it deemed workable for its fellowship and ministry. When the fellowship was

presented with the possibility of purchasing 6 acres of land from the Iowa Tribe, it became apparent that the Lord was leading the congregation back to where it began.

"Half of our leadership team is from northwest Missouri and half is from southeast Nebraska," stated Pastor Showalter. "The intersection of I-29 and Highway 159 is somewhat centrally located for our fellowship and ministry radius and is very accessible for people from the surrounding communities."

The fellowship intentionally chose to call its new facility a worship and ministry center rather than a church. For one thing, the fellowship believes "THE CHURCH" is the body of Christ, the fellowship of believers, and the community of faith, not a building. Buildings and facilities constructed are merely tools to help the

A 120' boom truck- Was delivering cement to the new site of River of Hope Fellowship near Mound City on Thursday, July 12. The fellowship will build at the junction of I-29 and Hwy. 59 near the New Squaw Creek Travel Plaza. Many workers and volunteers were on hand to assist with the large pour on a very hot day. Sprinklers were set up on the site to keep the cement cool after the pour.

night retreats, camps, conferences and meetings.

On one side of the multi-purpose room there will be a 48' x 96' area with a kitchen, bathrooms, offices, nursery and children's room. This area will eventually have classrooms upstairs as well.

On the other side of the multi-purpose room there will be a 20' x 96' area that supplies space for the worship platform, additional classroom, bathrooms/showers and storage. This area will eventually accommodate classrooms upstairs as well.

The people at River of Hope Fellowship have one primary goal, purpose and mission: "We want to know and experience Jesus Christ and we want others to know and experience him too." The fellowship is building the new facility with that purpose and mission in mind. Congregation members are building a building that will help them raise, teach and nurture their children in the faith, and to share the message of Jesus Christ with their families, friends, and communities. The worship and ministry center is being built to accommodate the fellowship's growing congregation, to better serve the needs of others, and to help share the message and love of Jesus Christ.

Naomi Furnas of Brownville, NE- Stands among the beautifully framed artwork she and her husband, Jerry, hung on Tuesday, July 10, at the Mound City McDonald's, where Naomi works as shift manager.

New wildlife at Mound City McDonald's

Creating cherry berry chillers and beautiful artwork doesn't necessarily fit together, but for Naomi Furnas, shift manager at the Mound City McDonald's, this is all in a day's work.

Naomi Furnas of Brownville, NE, has been doing artwork for about 30 years. Naomi taught at Southeast Consolidated School in Stella, NE, for 16 years. She obtained her master's degree in Art Education at Peru State College in Peru, NE.

Naomi brought some pictures she had previously done for a show in Brownville to McDonald's to show co-worker, Rhonda Roseman. The pictures were then shown to McDonald's owner, Chris Habiger, who commissioned Naomi to create a series of pictures for the business with a 'Mound City theme', which soon turned into waterfowl hunting pictures.

Naomi created four pictures that depict duck hunting, a familiar pastime in

this area. Each print took approximately 20-25 hours to complete. The intricate pictures were created on grey charcoal using the mediums of black ink, white charcoal and colored pencils.

Naomi's artwork was hung in the Mound City McDonald's on Tuesday, July 10. Patrons may view the new decor anytime and visit with the artist as well!

Road work for northwest Missouri, July 16-July 20

The following is a listing of general highway maintenance and construction work in the northwest Missouri region for this week of July 16 - July 20, from the Missouri Department of Transportation (MoDOT). Weather conditions may cause postponements in planned work schedules. Other construction or maintenance work may occur on other roadways throughout the area. Many projects will include lane closures, and delays can be expected. MoDOT reminds the public to buckle up, slow down, and drive with extreme caution through work zones.

Holt County

- Route 111 - CLOSED from Craig to Route 118, ongoing flood repairs
- Route 111 - From Route E

(Atchison County) to Route W, pothole patching, July 16-17

- U.S. Hwy. 159 - From Nebraska state line to Route P, ongoing pavement repairs
- Route P - From U.S. Hwy. 159 to Fortescue, MO (north city limit), ongoing pavement repairs
- Route 113 - From U.S. Hwy. 59 to one mile north of Route B, ongoing pavement repairs and overlay July 13

For more information about a project, please contact MoDOT at 1-888-ASK-MoDOT (888-275-6636) or log onto www.modot.mo.gov/northwest/. One can also follow MoDOT's Northwest Missouri District on Twitter at twitter.com/ModotNorthwest or on Facebook at www.facebook.com/MoDOTNWDistrict.

Seminar to assist current and future small business owners in developing a functional business plan

Business Development Specialist Tom Kelso will be teaching a class that will show you how to put your business plan together on Thursday, July 26, 2012, at the Holt County Extension Office, 101 East Missouri, Oregon, MO. You will be shown the basic parts of a business plan and what a lending institution will be looking for in each of those sections. You will be shown how to make your business plan look professional, and

how to avoid common mistakes when building your plan. Moreover, this seminar explains how your business plan can help you in the day-to-day operation of your business. As the name suggests, it is a PLAN for your business.

The seminar will be held from 9 a.m. to 12 noon. Space is limited. To register for "The Basics of Writing a Business Plan", call the Holt County Extension Office at (660) 446-3724.

At the south end of Big Lake- Large sections of 12" pipe are being fused together for use with the dredge that will pump silt from Big Lake. Pictured, left to right, helping with the fusing operation were Cameron Coulter, Josh Dean, Robert Browning (in bobcat) and Tommy McBride with Dredge America.

Dredge in place and ready for action at Big Lake

From the front page

Tom's corn field (destroying more crops), and into position for final fusing. These pipes will then be hooked up to the dredge. Roughly 1,700' of pipe will be needed to carry the sludge from the lake to the sludge pit (scour hole). The piping will run through the flumes under Lake Shore Drive at the Rick Barnes property adjacent to Tubbs' soybean field at the south end of the lake near Highway 111. A shallow levee has been erected around the scour hole, which will aid in letting the sediment filter out. Once settled out, the water will be piped back to the lake through the Tubbs corn field to the north and back through flumes by the Prop In. Approximately 4,000' of pipe has been fused for that portion of the process.

The sludge is desperately needed by Tom to fill the gaping 20 acre scour hole that exists in his field from the Flood of 2011. In addition, scour ditches and

smaller holes account for another 20-30 acres of cropland that has been taken out of production.

The project will also serve as a viable resource for the residents and visitors to Big Lake. The dredge can add up to ten feet of additional depth to the lake, which is greatly needed for the future survival of the lake.

Expectations about how much sludge can be pumped in an hour, or even a day, have not yet been determined. The actual cost of operating the dredge has not been determined at this time either.

"I'm not sure how much money has been collected by the village to date," remarked Tom, "so, I guess I'll just run until the costs get too extreme."

The fusing of the pipe was near completion by press time, and dredging was expected to begin by August 1. Anyone wishing to donate to the project may take or send donations to the Village of Big Lake at 481 Lake Shore Dr., Big Lake Village, MO, 64437.

Atchison-Holt Electric Coop 74th annual membership meeting July 26

The 74th Annual Membership Meeting of the Atchison-Holt Electric Cooperative will be held at the Rock Port, MO, City Park, Thursday, July 26, 2012, at 7:00 p.m. Registration will be held from 5-6:30 p.m. with a meal served from 5:30-6:30 p.m. Swimming will be available at the Rock Port pool with complimentary tickets at the registration desk. Atchison-Holt Electric Cooperative is owned by customer members and members' voices count. So, mark those calendars and be sure to attend the cooperative's annual meeting.

Beginning at 6:00 p.m., guests will be treated to the entertainment of American Pie, featuring Randy and Kathy Burris, 50s and

60s Rock n' Roll and Classic Country. The business meeting will commence at 7 p.m. Reports from the manager, board president and board treasurer will be given followed by the election of three directors. Directors Marvin Gubser and Larry Lauman from District 1 and Director David Frede from District 3 will be seeking reelection.

Upon completion of the business meeting, the drawing for great prizes will be held. Some of the great prizes include credit toward Atchison-Holt bills, and the grand prize of a \$500 credit on an electric bill. For children 12 and younger, a special drawing will be held for an iPod Touch.

Adventures on Promise Island

The First Christian Church in Mound City- Held its Vacation Bible School (VBS) on Friday and Saturday, July 13-14, with the theme, "Adventures on Promise Island". 'Cooper, the Firehouse Dog', took part in the church's VBS program for the third year in a row. Cooper is part of Standard Publishing's VBS curriculum. Pictured above, Cooper is trying to shake the tentative hand of Ashley Tubbs, while some of the younger kids look on with interest. The VBS hosted 36 kids, ages 3 years old to 12th grade.

Photo by Paige Kunkel

The high school and middle school kids- Who attended the First Christian Church's Vacation Bible School in Mound City, mentored the 4th, 5th and 6th grade students during the week. Besides learning promises of God, the junior and senior high VBS students did community service projects during the week. Pictured above, ready for some heavy brush action, were, left to right, back row: Adrienne Messer and Hayston Wilson. Front row: Kaitie Smith, Grant Nauman and Donovan Kemerling.

Proposed Constitutional Amendment

To be submitted to the qualified voters of the State of Missouri at the Special Election to be held on Tuesday, the 7th day of August, 2012.

CONSTITUTIONAL AMENDMENT 2

Proposed by the 96th General Assembly (First Regular Session) HJR 2

Shall the Missouri Constitution be amended to ensure:

- That the right of Missouri citizens to express their religious beliefs shall not be infringed;
- That school children have the right to pray and acknowledge God voluntarily in their schools; and
- That all public schools shall display the Bill of Rights of the United States Constitution.

It is estimated this proposal will result in little or no costs or savings for state and local governmental entities.

Be it resolved by the House of Representatives, the Senate concurring therein:

That at the next general election to be held in the state of Missouri, on Tuesday next following the first Monday in November, 2012, or at a special election to be called by the governor for that purpose, there is hereby submitted to the qualified voters of this state, for adoption or rejection, the following amendment to article I of the Constitution of the state of Missouri: Section A. Section 5, article I, Constitution of Missouri, is repealed and one new section adopted in lieu thereof, to be

known as section 5, to read as follows:

Section 5. That all men and women have a natural and inalienable right to worship Almighty God according to the dictates of their own consciences; that no human authority can control or interfere with the rights of conscience; that no person shall, on account of his or her religious persuasion or belief, be rendered ineligible to any public office or trust or profit in this state, be disqualified from testifying or serving as a juror, or be molested in his or her person or estate; that to secure a citizen's right to acknowledge Almighty God according to the dictates of his or her own conscience, neither the state nor any of its political subdivisions shall establish any official religion, nor shall a citizen's right to pray or express his or her religious beliefs be infringed; that the state shall not coerce any person to participate in any prayer or other religious activity, but shall ensure that any person shall have the right to pray individually or corporately in a private or public setting so long as such prayer does not result in disturbance of the peace or disruption of a public meeting or assembly; that citizens as well as elected officials and employees of the state of Missouri and its political subdivisions shall have the right to pray on government premises and public property so long as such prayers abide within the same parameters placed upon any other free speech under similar circumstances; that

the General Assembly and the governing bodies of political subdivisions may extend to ministers, clergypersons, and other individuals the privilege to offer invocations or other prayers at meetings or sessions of the General Assembly or governing bodies; that students may express their beliefs about religion in written and oral assignments free from discrimination based on the religious content of their work; that no student shall be compelled to perform or participate in academic assignments or educational presentations that violate his or her religious beliefs; that the state shall ensure public school students their right to free exercise of religious expression without interference, as long as such prayer or other expression is private and voluntary, whether individually or corporately, and in a manner that is not disruptive and as long as such prayers or expressions abide within the same parameters placed upon any other free speech under similar circumstances; and, to emphasize the right to free exercise of religious expression, that all free public schools receiving state appropriations shall display, in a conspicuous and legible manner, the text of the Bill of Rights of the Constitution of the United States; but this section shall not be construed to expand the rights of prisoners in state or local custody beyond those afforded by the laws of the United States, excuse acts of licentiousness, nor to justify

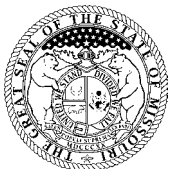

practices inconsistent with the good order, peace or safety of the state, or with the rights of others.

EXPLANATION—Matter enclosed in bold-faced brackets [thus] in the above bill is not enacted and is intended to be omitted from the law. Matter in bold-face type in the above bill is proposed language.

STATE OF MISSOURI }
Secretary of State } ss

I, Robin Carnahan, Secretary of State of the State of Missouri, hereby certify that the foregoing is a full, true and complete copy of Constitutional Amendment No. 2, to be submitted to the qualified voters of the State of Missouri at the Special Election to be held on the 7th day of August, 2012.

In TESTIMONY WHEREOF, I hereunto set my hand and affix the Great Seal of the State of Missouri, done at the City of Jefferson, this 25th day of May, 2012.

Veteran Trista Corbin, a Mound City High School graduate, right- Pats Tootsie, one of the shelter dogs from Central Missouri Humane Society, after Tootsie successfully sits at the Columbia Canine Sports Center. Tootsie has participated in the program for two weeks and has learned commands such as “stay” and “sit”.

Veteran pays it forward

Trista Corbin, a 2005 Mound City, MO, graduate who is now living in Columbia, MO, as a student at the University of Missouri (MU), found a resource to combine her love for animals and her fellow soldiers in an extraordinarily benevolent fashion. The two loves collide in a program Trista became involved in at the Humane Society Animal Shelter in Columbia last fall. Trista spent six months volunteering at the Research Center for Human-Animal Interaction (ReCHAI). ReCHAI started the Veterans and Shelter Dogs Initiative — a multifaceted program consisting of research programs directed at facilitating successful adoption of shelter dogs, and helping combat veterans fight the symptoms of Post Traumatic Stress Disorder (PTSD) to re-integrate into civilian life. The ReCHAI program is divided into three phases — basic obedience training, mentorship to families who adopt the dogs and training as service dogs for veterans with post-traumatic stress disorder (13-30% of returning soldiers will experience Post Traumatic Stress Disorder (PTSD). The goal is to help these veterans readjust to post-deployment life in their family and in their community, and to help the dogs become more adoptable.

In the first phase of the program, veterans like Trista teach dogs basic obedience skills. Dogs participate in this training for four weeks, unless they are adopted. If they are adopted, they are replaced with new dogs from the shelter. During the basic obedience classes, which take place twice a week, the dogs and their handlers train in two separate sessions for about 20 minutes. Trista enjoys training the dogs, as well as the time she has working side by side with other veterans in the training program. The expertise of training and the camaraderie of veterans has been a good experience for

her. “Knowing that I’m able to train a dog in basic commands is a great feeling; plus, then I know the dogs are more likely to go to a good home quicker,” remarked Trista. “I have my own dog, and I know how much it really helped me when I got back.” Trista served in the Army National Guard for eight years as a combat medic and did one tour of duty in Iraq. Trista had trouble sleeping after her tour and was also bothered by noises. Trista got a Jack Russell terrier when she got back from her tour and it really helped her with separation anxiety, and being alone without a support system. Now, she’s excited to be able to give other veterans the same opportunity that she had, plus, it helps get the dogs out of the animal shelters and adopted. “It’s been such a good thing for me,” remarked Trista. “I’m doing something good for other veterans, and it’s something good for the dogs, to get them adopted.” Trista completed two years at Northwest Missouri State University in Maryville, MO, then took a year off before transferring to MU, where she plans to graduate in two years with a major in biology and a minor in psychology. She continues to volunteer on a minimal basis at the shelter.

Participate in Boys’ and Girls’ State

Two Nodaway-Holt students participated in American Legion and American Legion Auxiliary sponsored premier programs for teaching how government works while developing leadership skills and an appreciation for their rights as citizens. As participants, they ran for office, learned public speaking, created and enforced laws and actively participated in all phases of creating and running a working government.

Salvation Army donates water to area firemen

Big Lake, MO, Fire Chief, Charlie Triggs, left- Received several cases of bottled water from Community Services Director and representative for Holt County’s Salvation Army, Cathy Davis, right, on Wednesday, July 11, 2012. The water was purchased with local Salvation Army funds in an effort to assist local ‘help’ organizations with the necessities they may need in helping at a local level.

Mound City, MO, Fire Chief, J.R. Rother, left- Received several cases of bottled water from Community Services Director and representative for Holt County’s Salvation Army, Cathy Davis, right, on Thursday, July 12, 2012. The water was purchased with local Salvation Army funds. During a fire, it is crucial for firefighters to stay hydrated, and the donated water by the Salvation Army is one way to assist the firefighters.

Southern Fire Protection District of Holt County in Oregon, MO, Fire Chief, Troy Cotton, left- Received several cases of bottled water from Community Services Director and representative for Holt County’s Salvation Army, Cathy Davis, right, on Wednesday, July 11, 2012. The water was purchased with local Salvation Army funds.

Pictured above- Left to right, are Vernon Coy; Community Services representative, Cathy Davis; and volunteer, Mary Hutchinson, during delivery of fans to Mound City Community Services, Inc.

KCP&L donates fans during heat wave

During the current heat wave, KCP&L is partnering with local service agencies to distribute fans to those in need. KCP&L volunteers will deliver fans directly to the agencies and, in some areas, will assist with fan distribution. Fans were delivered to the Mound City area to Community Services, Inc., on Thursday, June 28, for residents to pick up. The agency distributed the fans based on its policies. “The safety of our customers is our top priority during hot weather,” said Matt

Dority, KCP&L North District Manager. “In addition to providing fans, we want our customers to be aware of steps they can take to keep their homes cooler and help protect themselves during these intense temperatures.” For tips about how to stay cool and save energy during heat waves visit www.kcpl.com/storm/heat_safety.html. For information about assistance programs, KCP&L customers can call the Customer Care Center at (888) 471-5275.

CH-F to host Back-to-School fair August 1

Community Hospital-Fairfax, MO (CH-F), will be hosting the Holt County Back-to-School Fair on Wednesday, August 1, from 2 to 4 p.m. at The Klub in Mound City, MO. Organizations or businesses that would like to support this worthy event or have questions about the Back-to-School Fair may contact Ann Schlueter at (660) 686-2317 or anns@FairfaxMed.com. Monetary donations, volunteers and booths are all needed.

Graves continues mobile office tours

A member of U.S. Congressman Sam Graves' staff is holding mobile office stops. Graves' mobile office will tour the district giving constituents the opportunity to speak with a member of his staff.

"I have always believed you learn more by listening than talking. My priority in Congress is constituent service and the mobile office is an additional opportunity for me to stay in contact with the people of the Sixth District. I encourage everyone to come by these informal sessions to discuss their views or receive assistance with federal agencies," said Graves.

The Mobile Office provides regular contact for communities and individuals who have a question or problem with federal government agencies.

The mobile office schedule for July, 2012, includes:

- Tuesday, July 31, Mound City, MO, City Hall: 10:30 a.m.

ELECT

JULIE McCULLY

Candidate for

Holt County Assessor

I have been employed with Holt County Title Company for the past 5 years, and Hollisearch 1 1/2 years prior to that. Some of my duties at Holt County Title include:

- Record keeping of all property transfers and obituaries.
- Conducting closings and filing necessary documents.
- Searching public records in the Recorder's, Probate, Assessor's and Collector's offices.
- Drawing and Mapping out legal descriptions.
- Collecting tax information and assessed values for my reports.
- Managing three different business checking accounts.
- Working with the public, bankers, realtors, surveyors, attorneys and other title companies.
- Reading surveys, plat maps, GIS maps, deeds and other conveyances.
- Determining ownership of properties and easements.
- Meeting all of First American Title Insurance requirements and audits.

Although my opponent has been working in the assessor's office for a little over 1 year, I am confident that, with my 6 1/2 years in similar work, I will need far less training. With the economy being what it is, I believe it is vitally important that each government office is operated cost efficiently, professionally and, above all, accurately.

I do fully understand that the coming few years will be exceptionally challenging and feel, with my close attention to detail along with my experience, professionalism and strong work ethic, I am definitely up to the task. I look forward to this opportunity and look forward to serving Holt County in the assessor's position. Your vote would be appreciated.

Paid for by Campaign Committee to Elect Julie McCully for Assessor, Julie McCully, Treas.

Trojanettes finish 3rd at World Series

The Trojanette 10 and Under team played Thursday to Saturday, July 12-14, at the Class C World Series in Kansas City, MO. The World Series had a total of 168 teams in divisions from 8 and Under up to 18 and Under. The Trojanette team includes players: Maddyx Kirkland of Lathrop, MO, Emma Bohannon of Graham, MO, Madeline Saunders of King City, MO, Sydney Deen of Conception, MO, Keagan O'Riley of Hopkins, MO, Emma Hart of Hopkins, MO, Kiah Huitt of Lathrop, MO, Izzy CDeBaca of King City, MO, Shaley Swaney of King City, Riley McQueen of Stanberry, MO, and Braidy Hunt of Grant City, MO. Maddyx is the granddaughter of David Carroll of Maitland, MO, and her mother, Tiffany (also a coach), is a former Trojanette player. Emma Bohannon is from Graham, and her mother Tobie (Randall) Bohannon, was also a former Trojanette.

The Trojanettes began pool play Thursday with a game against the Side Kicks. The game was a pitcher's duel. The defense for both teams was outstanding. The game was scoreless going into the bottom of the sixth. Braidy Hunt led off with a walk for the Trojanettes. She then stole second. Sydney Deen then laid down a perfect bunt. The 3rd baseman for the Side Kicks made an errant throw to 1st and Hunt was able to score to give the Trojanettes a 1-0 win. Kiah Huitt picked up the win. She struck out 10 batters, allowed 1 hit and 1 walk.

The Trojanettes then had to play a back to back game against the Stars and Stripes team from Kansas City. Defense hurt the Trojanettes and they lost 8-1. Riley McQueen had the Trojanettes' only hit.

Tournament play started on Friday. The Trojanettes' first game was against the Lawrence Phoenix. The Trojanettes jumped on the Phoenix for 5 runs in the 1st inning and went on to win 6-2. Huitt picked up the win striking out 8, walking 2, and allowing 3 hits. Leading the offense was Maddyx Kirkland and McQueen with 2 hits each. Adding singles were Keagan O'Riley, Madeline Saunders, Emma Bohannon and Huitt.

The next game was against the Oklahoma Sidekicks. The Sidekicks had defeated a number of Class A and B

teams throughout the season. The Trojanettes knew they had to play their best to compete. The Sidekicks jumped out to a 1-0 lead in the 1st, but the Trojanettes tied it in the 2nd. The Sidekicks then scored single runs in the 3rd and 4th to take a 3-1 lead into the last inning. Shaley Swaney led the inning off with a walk for the Trojanettes. This was followed by another walk to Hunt. After a strikeout, Deen walked to load the bases. This brought up O'Riley. She worked the count to 3-2 and then fouled off 5 pitches. On the next pitch, O'Riley smacked a ball in the hole between short and 3rd. The shortstop, in a hurry to get O'Riley, who already had made it to 1st, threw the ball away. All 3 runners scored and the Trojanettes were ahead 4-3. The Sidekicks answered, however, with an inside the park home run to tie the score 4-4 to send the game to extra innings. With the international tie breaker in effect, O'Riley was placed at 2nd base. She scored on a single by Kirkland. Emma Hart then walked and Saunders followed with a bunt single. Swaney then grounded out to 2nd. Kirkland and the speedy Hart were able to score to give the team a 7-4 lead. The Sidekicks then scored one run in the bottom of the inning to make the final score 7-5 Trojanettes. Huitt went the distance to pick up the win. O'Riley and Kirkland led the offense with 2 hits each. Saunders and Bohannon added one hit each.

Saturday brought a game against the Kryptonites.

The Trojanette 10 and Under team that finished 3rd at the World Series- Includes, left to right, back row: Coaches Tiffany Kirkland, Tony O'Riley, David Carroll and Brian Huitt; middle row: Maddyx Kirkland, Madeline Saunders, Sydney Deen, Keagan O'Riley, Emma Hart and Kiah Huitt. Front row: Izzy CDeBaca, Shaley Swaney, Riley McQueen, Emma Bohannon and Braidy Hunt.

The Trojanettes jumped out to a 2-0 lead and held on to win 4-3. Huitt picked up the win. Bohannon hit a triple to lead the offense. Huitt and McQueen each collected two hits. Saunders and Deen had one hit each.

The next game was against the Magic in the winners' bracket finals. The Magic came out on fire and defeated the Trojanettes 11-0. The Magic went on to win the tournament.

In the finals of the losers' bracket, the Trojanettes took a 3-1 lead to the 4th inning over the Topeka Extreme, but the Extreme scored 5 runs in the 4th and went on to win 8-3. Hunt led the offense with 2 hits. Saunders and McQueen each had one hit. With the loss, the Trojanette team brought home the 3rd place trophy.

"This was a new team for our organization. None of the girls had played on a traveling fast pitch team before. They were probably the youngest team in the tournament with 4 girls only being 8 years old," Coach David Carroll commented. "When we started last fall, they were not very good, but they were willing to learn and their parents were just great in helping. Improvement was noticed each week and by the middle of May, the corner was turned and the girls started winning. Improved play continued through this national tournament. The biggest reason the girls did so well was that they had fun. I especially give a special thanks to coaches, Tiffany Kirkland, Tony O'Riley and Brian Huitt."

Staples participates in 73rd session of Missouri Boys' State

Spencer Edwin Staples of Mound City, MO, participated in the American Legion Boys' State of Missouri, June 16-23, on the campus of the University of Central Missouri in Warrensburg, MO. Staples was selected based on his leadership, citizenship, academics and character during his junior year at Mound City High School.

Boys' State is a pure democracy in that all citizens may vote and are eligible to hold office. The program is designed to educate and train Missouri's young leaders in functional citizenship, leadership and government. Nearly 1,000 student leaders build an entire state government in a single week.

Staples' accomplishments, positions held and awards earned at Missouri Boys' State include: Citizen of Lewis City; Member of the Federalist Party; Chaplain; Election Judge- County; Election Judge- Municipal; Election Judge- State General; and Election Judge- State Primary. Staples attended Law Enforcement School while participating at Boys' State.

Staples is the son of Chris and Janet Staples of Mound City and was sponsored by the Mound City Kiwanis Club; American Legion Post 121, Mound City; Nodaway Valley Bank, Mound City branch; and Parag Shah. Sponsors afford the opportunity for

students to participate in this nationally recognized program and are critical to its continued success. Organizations, businesses and individuals interested in becoming a sponsor are encouraged to contact the Missouri Boys' State Headquarters at 1-877-342-5627.

The entire Boys' State staff is comprised of educational, legal, professional and civic leaders who volunteer their time each year. Missouri Boys' State is a 501(c)(3) organization and is a Missouri

American Legion program.

Students who will be juniors during the 2012-13 academic year and are interested in attending should contact their high school counselor or visit the Missouri Boys' State website at www.moboysstate.org. The 2012 session will be held June 15-22. In-school informational presentations by a Boys' State staff member are available by contacting the Missouri Boys' State Headquarters at 1-877-342-5627 or email bettie.rusher@moboysstate.org.

Missouri 8-Man Coaches' Association Senior All-Star area football players include, left to right- Zach Kahle- Mound City, Lucas Schawang- Mound City, Kylynn Sisk- Oregon, and Trevor Boyd- Mound City.

Trevor Boyd of Mound City- Earned the Missouri 8-Man Coaches' Association's Defensive Most Valuable Player Award following the Missouri 8-Man Coaches' Association All-Star game on Saturday, July 7, at William Jewell College in Liberty, MO.

8-Man All-Star game close

The Missouri 8-Man Coaches' Association Senior All-Star football game was held on Saturday, July 7, at William Jewell College in Liberty, MO. In a game that was all too close, both in score and temperature, the Blue Team defeated the Red Team, 26-24.

The game, set to originally begin at 7:00 p.m., was postponed until 8:00 p.m. because of extreme high temperatures. The Red Team was coached by Brian Messer of Mound City. He was assisted by Dana Dill of South Holt, Kurt Thacker of Hardin-Central and Mark Juhl of St. Joseph Christian. Coach Chuck Borey of Worth County was head coach for the Blue Team. He was assisted by Dan Collins of Stanberry, Tyler Anderson of Southwest Ludlow, and Caleb Crooker of Northwest (Hughesville). The teams were "drafted" by the coaches; thereby pitting previous teammates against one another in certain instances. The draft appeared to have been a good one as an exciting game greeted spectators to the 4th annual event.

Mound City players Lucas Schawang, Zach Kahle and Trevor Boyd played on the Red Team, while South Holt player Kylynn Sisk played for the Blue Team.

The Red Team tallied the first points of the game on a 2-yard touchdown run with less than a minute on the first quarter clock. Conversion points from Mound City's Zach Kahle followed, giving the Red team an 8-0 lead. The Red team scored again, after Kyle Conover (Stanberry) picked off an Alex Maudlin (St. Joe Christian) pass and returned it 50 yards early in the second quarter. Conversion points by Red's Justin Lewis (Southwest) gave the Red a 16-0 lead.

The Blues countered with an interception that three plays later materialized into a score. With 1:56 on the second quarter clock, the Red still had a 16-6 lead. The re-energized Blue Team blocked a Lucas Schawang punt that finished in a score just before the half. Red went into the break with a 16-12 lead.

With only 1:08 left in the 3rd quarter, South Holt's Kylynn Sisk scored on a 22-yard run to give the Blue Team its first lead of the night. Mound City's Lucas Schawang answered for the Red Team racing 43 yards for a touchdown. The score put the Red Team back on top, 24-20.

Red had a chance to add to

its lead, but backfield stops by the Blue Team netted its position and a subsequent 44-yard score by Eli Mullock (Worth County) garnered a 26-24 Blue Team lead late in the game. The Blue defense swatted opportunities by the Red to take a late victory. The Blue Team held on for the win.

Trevor Boyd of Mound City was selected as the 8-Man All-Star Defensive Most Valuable Player of the game. Eli Mullock of Worth County was selected as the 8-Man All-Star Offensive Most Valuable Player of the game, a game that was stated by coordinators as 'probably the best all-star game they'd ever had'.

Funding available to establish cover crops on flooded land along Missouri River

The USDA Natural Resources Conservation Service (NRCS) has funding available to help landowners in Missouri establish cover crops on land adjacent to the Missouri River if that land was damaged by flooding in 2011.

NRCS State Conservationist J.R. Flores announced recently that parts of 11 Missouri counties are included in the Missouri River Corridor Cover Crop Initiative. The counties are Atchison, Holt, Andrew, Buchanan, Carroll, Platte, Ray, Saline, Howard, Lafayette and Cooper.

The funding is offered through NRCS' Environmental Quality Incentives Program (EQIP). It can be used for cover crops, critical area plantings, forage and

biomass plantings, nutrient management, residue and tillage management, or tree and shrub establishment.

"The primary intent of this initiative is to establish cover crops on areas adversely affected by flooding along the Missouri River," Flores said. "There are many areas where the floodwaters deposited large amounts of sand, and those areas could benefit from vegetative cover."

Flores said the application deadline is Friday, August 3. Landowners interested in applying for funding should contact their local NRCS offices. Information about EQIP and other NRCS programs and assistance offered in Missouri is also available on the NRCS website: <http://www.mo.nrcs.usda.gov>.

Rachel Kurtz of Oregon, MO, front row, third from left- Attended an intensive 4-H civic engagement program for high school youth call the Citizenship Washington Focus (CWF) at the National 4-H Youth Conference Center in Chevy Chase, MD.

Missouri 4-H delegates boost leadership skills and civic engagement at 4-H's Citizenship Washington Focus

Twenty-seven Missouri 4-H teen delegates learned about government processes during the week of July 1-6 in the vibrant, living classroom of the nation's capital as part of Citizenship Washington Focus (CWF), an intensive 4-H civic engagement program for high school youth held at the National 4-H Youth Conference Center in Chevy Chase, MD.

The Missouri delegates were an extremely focused and fun group this year. They faced challenges of extreme heat, no power in the 4-H Center for two nights due to extensive storm damage and lots of walking, but there were no complaints, just great positive attitudes!

They also were a part of the University of Missouri Extension's display on the mall celebrating the sesquicentennial of the Land Grant Act of 1862. A favorite activity was participating in the National Independence Day Parade proudly representing the state of Missouri and 4-H. Being in the nation's capital during the 4th of July truly deepens one's patriotism and citizenship.

Delegates shared their thoughts on their experiences: "It really helped me appreciate the importance of remembering. I also learned so much about bill writing." "I now have a better understanding on how to truly get involved with my community." "It helped me be

more open-minded." Highlights of the trip included touring the Capitol, Smithsonian museums, the Holocaust museum, Mount Vernon, Arlington, monuments, riding the METRO subway, visiting legislators' offices, and watching the 4th of July fireworks. After leaving Washington, DC, the group spent a day in New York City visiting Little Italy and Chinatown, taking a harbor tour to the Statue of Liberty, viewing the 911 memorial and seeing the city lights from the top of the Empire State Building.

For more than 50 years, the National 4-H Youth Conference Center has invited 4-H members from across the country to travel to Washington, DC, to participate in civic workshops, committees, and field trips before returning home to make positive changes in their own communities. CWF not only strengthens young people's

understanding of the government's civic process, but it also boosts their leadership skills, communication skills, and overall confidence.

During CWF, youth get a behind-the-scenes look at the nation's capital while meeting with members of Congress to learn more about how their government works. At the end of the program, youth draft step-by-step action plans to address important issues in their communities.

"CWF is a great opportunity for young people to come together, talk about the problems they see in their communities, and identify solutions to make their communities stronger," said Donald T. Floyd, Jr., National 4-H Council President and CEO. "The experiences these young people gain during CWF gives them the proper tools and confidence to become successful, articulate leaders in the future."

Lifeline Program NorthwestCell Customers in Missouri

Lifeline is a government program that offers qualified individuals a discount on their monthly local telephone bill. Each state has its own guidelines to qualify. Lifeline is available on one telephone service per household, whether wireline or wireless.

How much can I save on my phone bill?

NorthwestCell offers two Lifeline Plan options, a \$17.95 plan and \$21.95 plan. You will save up to \$9.25 on either of these selected plans.

How do I know if I'm eligible?

You're eligible for Lifeline if you participate in any of the following programs:

1. MO Health Net (Medicaid)
2. Supplemental Security Income (Food Stamps)
3. Supplemental Security Income (SSI)
4. Low-Income Home Energy Assistance (LIHEAP)
5. Federal Public Housing Assistance (Section 8)
6. Temporary Assistance for Needy Families (TANF)
7. National School Lunch Free Lunch Program
8. 135% of the Federal Poverty Level

Are there any restrictions?

Lifeline can only be used for one telephone per household—either wireless or wireline.

How do I apply?

Applications are available at social services offices, NorthwestCell's main office, all agent locations or online at www.nwmccl.com. You may also contact us at (800) 331-6341.

Other Information:

Discounts are available on select handsets. Please see retail office for more information.

How do I continue to receive Lifeline benefits?

Eligibility is reviewed periodically. Your benefits will be discontinued when you no longer meet the eligibility requirements or when proof of eligibility is not received. You are responsible for contacting NorthwestCell if you are no longer eligible for Lifeline Service.

Being a Lifeline customer does not protect you from being disconnected if you fail to pay your telephone bill. Normal collection practices apply.

Council members discuss sewer main, water line and retaining walls

The regular meeting of the Board of Aldermen for the city of Mound City was held on Tuesday, July 10, 2012. Mayor Chris Krueger called the meeting to order at 5:30 p.m. and led the Pledge of Allegiance. Those present were Mayor Chris Krueger, Jim Krueger, Jason Biermann, Robert Heck, Kristine Gibson, City Clerk Patsy Smith, City Collector Kelly Miller, Sewer Superintendent Kelly Graves, Police Chief John Panning, Derrick Fee, Boe Venable and child, Don Hall, B.P. Sharp and City Attorney Brian Tubbs.

There being no additions, deletions or corrections, Alderman Heck moved to waive the reading of the minutes from the June 5, 2012, regular meeting and approved them as presented, Biermann seconded. Approved unanimously.

Bids
Demolition of Dangerous Building at 501 State Street – Only one bid was received in response to the request for bids for demolition of the dangerous building at 501 State Street. Mayor Krueger opened the bid from Derrick Fee, owner of Red Rock, Hamilton, MO, who was present. Mr. Fee thinks the common wall on the north is a single wall, but the mayor has been told it is double wall construction. The bid of \$24,995 does not include fixing any holes in a common wall from floor joists or chimneys, but does include any repairs needed due to negligence. The building will be torn down, debris removed and hauled away and fill dirt placed to ground level. Fee will have a sub-contractor do the asbestos removal. It will take 10-14 days for the Department of Natural Resources (DNR) approval of the asbestos abatement before the notice to proceed can be issued. Tabled for approval later in the meeting.

Presentations/Guests
Don Hall: Sewer on Short Street – Mr. Hall discussed a sewer main he paid to have installed down South Street back in 1969-70. Don stated the main was given to the city and most of the development along South Street is connected to this main. He questioned whether a recent bill that included a sewer connection fee, which he paid under protest, had anything to do with this sewer main. His building is not connected to the sewer. Mayor Krueger explained that MO DNR requires the city to charge this fee annually and remit it to DNR. Hall said he understands the charge now and indicated the payment

is no longer under protest. Sewer Superintendent Kelly Graves will meet with Mr. Hall to try to determine the location of the sewer line.

Billy Sharp: Water Line on Kingsview Drive – Mayor Krueger reported that Mr. Sharp recently purchased a home on Kingsview Drive previously owned by Don Hall. This development is outside the city limits off of Route E. Don Hall developed the area and installed a 6” water line, which is connected to the city main on Route E. There are several private connections to this water line serving the development, but it was never accepted by the city because the water line was not placed adjacent to the roadway and easements were never obtained. Electric and telephone lines were also placed on top of the line as well as trees and driveways. As Mr. Hall has sold the property, it is uncertain who is responsible for maintenance of the water line. Aldermen agreed the property and water line are outside of the city, the water line is not to city specifications and the city is not responsible for its maintenance. Water Superintendent Crowley has said that if there is a problem, the city could fix the water line, but those connected to it would be responsible for the charges. Mr. Sharp joined the meeting later and stated he understands why the city doesn’t want to take over the water line, but is still concerned over who would pay for repairs.

Nuisance Hearing
Boe Venable, 402 Gillis, asked the council to reconsider the nuisance notice he received concerning the retaining wall on his property. He submitted a photo from when he purchased the property six years ago and stated the crack in the wall hasn’t changed in that time. Venable also stated if the wall is a nuisance, the city is responsible because water drainage has not been maintained by the city during those six years. Mr. Venable had to leave the meeting, but requested he be notified by letter of the council’s decision. Chief Panning noted a few other retaining walls in danger of collapse and council members also mentioned the walls around City Hall Park. Attorney Tubbs will consult with the building inspector, but said if the wall is dangerous, it is a nuisance and needs to be addressed at some point. Tubbs will write Mr. Venable a letter addressing the issue. Alderman Gibson suggested the city should also look into costs to repair

the walls at City Hall Park.

Department Reports

Police – The monthly report was reviewed and discussed. Chief Panning reported he has applied for a grant to purchase new bullet proof vests to replace those that expire next year.

Water Department – Bids: Remove/Replace Filter Media at Plant – Council members reviewed the two bids received for removing and replacing the filter media at the water plant as follows:

- ACCO Unlimited: Bid of \$25,905 for all 3 filters done in one day or \$27,410 if done in two days.

- Haynes Equipment/White Cloud Engineering & Construction: Bid of \$59,670.

Superintendent Crowley has researched both firms and contacted references. Alderman Biermann moved to accept the proposal from ACCO Unlimited for \$25,905-\$27,410, Gibson seconded. Approved unanimously.

Street Department – Quote: Lay Out and Stripe Pool Parking Lot – McFadden Construction, St. Joseph, MO, submitted a quote of \$2,225 for laying out and striping the parking lot at the north end of Nebraska Street. The proposal includes four handicap spaces. The council reviewed the layout which includes a “road” around the perimeter of the lot. Alderman Gibson moved to accept the proposal for \$2,225 with 50% paid each from the park and street funds, Krueger seconded. Approved unanimously.

Street Project: City Hall Parking Lot – Council members took the meeting outside to look at options for widening the entrance to the parking lot. It was agreed that once the old swing set is removed, the drive could be extended the same width as the parking lot up to Nebraska Street. City workers will complete the work. Alderman Krueger motioned to extend the width of the parking lot entrance and add a 1” asphalt overlay of the parking lot to the street project contract, Biermann seconded. Approved unanimously.

Alleys – Council members considered requests to asphalt a couple of alleys. Russ Northup requested the alley between the State Theater and his building on the north be paved. He said they provide handicap parking behind his building and had a previous agreement for the city to maintain the alley, but he is not opposed to sharing the cost. Larry Russell had also asked about paving the alley adjacent to his son’s house at 203 E. 5th Street. Russell would pay the costs. Council members expressed concern about future maintenance of asphalted alleys, which is a considerably higher cost than just to grade and rock an alley, and agreed they will not approve paving alleys.

Drainage at 7th and Railroad – Council members viewed the drainage concern at 7th and Railroad streets,

but agreed they do not want to cut the new asphalt. Alderman Krueger moved to have Hall Construction place a tube from the ditch on Railroad Street into the box drain on 7th Street for \$250, Heck seconded. Motion carried. This will not affect the new street. Alderman Heck moved to have Hall Construction repair two sections of streets that are sinking, one at 712 State Street and the other at 1501 Nebraska, with the city paying only for the concrete, Biermann seconded. Motion carried.

Park/Pool Department – Pool Bath House Plans/Cost Estimate: The council reviewed design plans submitted by Terry Clark, Creal Clark, for a new pool bath house. Clark feels block walls would be better and easier to maintain than a poured wall. Alderman Gibson reported Mr. Clark’s cost estimate is \$350,000, which includes demolition and sidewalks. The design is for a larger building than the existing structure. Gibson said she will be meeting with Clark to make some revisions in the design to reduce costs.

StarFish Reviews at Pool – Council members commended Pool Manager Jill Asher and the lifeguards for achieving a 4-Star Certificate of Excellence Award during a recent StarFish review. The review is an independent evaluation of compliance to proactive aquatic safety and risk management standards.

Escrow Funds: Diving Board and Chairs – The diving board has been ordered and should be here shortly. The council also agreed to pay for new deck chairs from the escrow account.

Park Signs: The clerk reported a deduction by Larry Knapp of \$50 per sign, due to the decreased size, for a final cost of \$700 each.

Nuisance Violations/Dangerous Building

Property at 106 E. 7th Street: Attorney Tubbs reported the property owner intends to demolish the building although a specific time frame was not given.

Ordinances

Bill No. 7-10-2012(1): Award Contract for Demolition of Dangerous Building at 501 State Street was placed on its first reading being for an ordinance entitled as follows:

An ordinance approving the contract for demolition and removal of the structure at 501 State Street, authorizing the mayor to enter into said agreement, and providing for an effective date upon passage.

Alderman Gibson moved to adopt the bill, Biermann seconded. After further discussion, the bill was placed on its second reading and final passage and was read by title, considered and discussed. Approved unanimously. The bill was duly numbered Ordinance #1201.

Bill No. 7-10-2012(2): Amend Budget for Fiscal Year Ending June 30, 2012,

Receive bid for demolition at 501 State Street

was placed on its first reading being for an ordinance entitled as follows:

An ordinance of the city of Mound City, MO, amending the budget for the fiscal year ending June 30, 2012, adopted by ordinance No. 1177, by amending certain revenue and expenditure accounts.

Alderman Heck moved to adopt the bill, Biermann seconded. After further discussion, the bill was placed on its second reading and final passage and was read by title, considered and discussed. Approved unanimously. The bill was duly numbered Ordinance #1202.

Administration

Financial Reports/Year End Reports: All financial reports were reviewed and discussed. It was noted that sales tax revenues from the first six months of the year have increased from last year.

Elected Officials’ Training: The council scheduled the Elected Officials’ Training for Monday, July 23, at 5:30 p.m. at city hall. This will be a 2-3 hour training course by Gary Markinson, retired Executive Director of MML.

Executive Safety Committee Meeting Minutes: Council members reviewed the Executive Safety Committee Meeting minutes.

Impounded Dogs: Clerk Smith reported that a dog was recently impounded at the city pound and when the owner claimed the dog three days later, it was discovered it had been injured prior to being picked up. The owner appreciated what the city had done for his dog, but questioned why it had not been taken to the veterinarian. City employees have taken dogs to the vet for treatment in the past when it was evident care was needed. The officer who picked up the dog and city employees caring for it thought the dog was old and down in the hips. The owner mentioned that the city’s permit for the pound requires an agreement with a veterinarian for care. The council agreed to continue current practices and if city staff or the dog catcher feels a call to a veterinarian is warranted, then they are the

ones to make that judgment call.

August Meeting Date: Council members set the August meeting date for Thursday, August 16, at 5:00 p.m.

Misc.: City Hall Roof - Alderman Heck and Mayor Krueger inspected the roof of City Hall and feel it needs to be replaced. Bids will be taken for a single slope steel roof as a design and build project.

Library: It was reported that there is still a leak in the library during a heavy rain and high winds. Terry Clark, engineer for the library renovation project, is to check the problem out again. Clark inspected it last year and it was felt workers had found the issue and fixed the problem. The library board also requested the city move the book drop box to the retaining wall on the west side of the library. Council members discussed the request, but do not feel this is the city’s responsibility.

Approve Special Tax Bill for Nuisance Abatement: Alderman Heck moved to approve special tax bills for nuisance abatement at 508 Mound, 1601 Nebraska and 601 Railroad streets, Krueger seconded. Approved unanimously.

Employee Time Cards/Summary of Hours per Department: Council members reviewed the new time cards and summary which they hope will provide more understanding of how to budget salaries.

Personnel Policy-Bereavement Leave: The council reviewed the current policy and will consider further at the August meeting.

Accounts Payable

Alderman Gibson moved to approve the bills paid subsequent to the June 5, 2012, meeting and to approve and pay the current month’s bills as presented, Biermann seconded. Motion carried. Council members also approved payment for the concrete at the equipment building once work is complete and approved.

Adjournment

On motion made and seconded, the meeting was adjourned at 8.15 p.m.

Lullabies and Bedtime Stories draws good crowd

The Mound City Public Library’s Summer Reading Program- “Dream Big, Read”, held its “Lullabies and Bedtime Stories” special event on Wednesday, July 11, at the Mound City Library. Mound City music instructor, Becky Reinig, was the special guest at the summer program. In the above picture, Becky, third from the left, passed out musical instruments that the students were playing to assist with various aspects of the stories. Two weeks full of summer library events remain. Students, be sure not to miss the astronomy class and the string band, yet to come.

**ADVERTISEMENT FOR BIDS
Corning Levee District/County of Holt
Project # 2011-EM-07**

Separate sealed bids for Corning Levee District will be received by the Holt County Commissioner's office, Holt County Courthouse, Oregon, Missouri, until 10:00 a.m., Tuesday, July 31, 2012, and then at said office publicly opened and read aloud.

The Information for Bidders, Form of Bid, Form of Contract, Plans, Specifications, and Forms of Bid Bond, Performance and Payment Bond, and other contract documents may be examined at the following:

Snyder & Associates, LLC, 802 Francis Street, St. Joseph, MO 64501

Pre-bid meeting will be held at the Holt County Courthouse, 102 West Nodaway, Oregon, MO 64473, on Tuesday, July 24, 2012, at 10:00 o'clock a.m. Attendance is not mandatory but highly recommended.

Copies may be obtained at the office of Snyder & Associates, LLC, located at 802 Francis, St. Joseph, MO 64501, upon payment of \$25.00 for each set. Any unsuccessful bidder, upon returning such set promptly and in good condition, will be refunded his payment, and any non-bidder upon so returning such a set will be refunded \$0.00.

The owner reserves the right to waive any informalities or to reject any or all bids.

Each bidder must deposit with his bid security in the amount, form and subject to the conditions provided in the Information for Bidders.

Attention of bidders is particularly called to the requirements as to conditions of employment to be observed and minimum wage rates to be paid under the contract, Section 3, Segregated Facility, Section 109, and E.O. 11246.

No bidder may withdraw his bid within 90 days after the actual date of the opening thereof.

Contractors and Subcontractors must be registered with the State of Missouri and have a valid certificate to do business in the State of Missouri.

The County of Holt and Corning Levee District is an Equal Opportunity Employer and invites the submission of Minority and Women-Owned Business Enterprises.

Total including advertising cost: \$503.06

I, Kelly Miller, Collector of the City of Mound City, State of Missouri, do hereby certify that the foregoing is a true and correct list of the land that will be offered for sale as set forth above.

Kelly Miller, Collector

**NOTICE OF MEETING OF LANDOWNERS OF
HOLT COUNTY LEVEE DISTRICT #15
FOR RETURN OF ASSESSMENT AND
LANDOWNER VOTE ON PROPOSED WORK**

Public notice is hereby given that a meeting of the Board of Holt County Levee District #15 will be held at the Legion Building in Craig, Missouri, on Thursday, August 23, 2012, at 6:00 p.m. At such meeting, landowners will be presented with the assessment of lands within the district completed by the Holt County Assessor. Reports and surveys of the engineer and board shall be presented to outline the proposed work and costs therefore and probable rate percent on assessed valuation. Landowners shall then cast their vote in favor or against completing the proposed work. Landowners may submit their vote by proxy, agent, or appointed power of attorney.

2/4tc **By Order of the Board, Johnny Haer, President**

**Public meeting will present
preliminary findings for
Cooper Nuclear Station facility**

The U.S. Department of Homeland Security's Federal Emergency Management Agency (FEMA) will host a public meeting on Friday, August 3, 2012. Participants will discuss the exercise process involved with a full-scale response exercise scheduled to be conducted July 31 through August 1, 2012, by federal, state, and local public safety organizations and the Cooper nuclear facility in Brownville, NE.

Members of the public and the media are invited to attend this meeting. It begins at 10:00 a.m. in the Nebraska Public Power District, Emergency Operations Facility Auditorium, at 902 Central Avenue, in Auburn, NE.

Representatives from FEMA Region VII will chair the meeting and explain the exercise process as well as the involvement of the states of Nebraska and Missouri and their respective risk and host counties. A representative from the Nuclear Regulatory Commission's (NRC) Region IV office, located in Arlington, TX, will also be present and discuss activities conducted on-site at the Cooper Nuclear Station during the exercise.

The two-day exercise will require the activation of emergency facilities for the states of Nebraska and Missouri, as well as Otoe, Nemaha, and Richardson counties in Nebraska and Atchison and Nod-

away counties in Missouri. The activities of participants from the state, county and local units of government will be observed and evaluated by the FEMA Region VII Radiological Emergency Preparedness (REP) Program. The Cooper Nuclear Station on-site performance will be observed and evaluated by NRC. Because no results will be finalized at that time, the outcomes of the exercise will not be discussed at the public meeting on August 3, 2012.

The exercise is a biennial requirement to determine the adequacy of the radiological emergency preparedness and response plans. The main goal is to test the ability of the state of Nebraska and Missouri, the utility and the participating counties to protect the health and safety of the public living in the vicinity of the Cooper Nuclear Station. The evaluated exercise provides reasonable assurance that the appropriate protective measures can be taken on-site and off-site in the event of a radiological emergency.

The NRC is the federal agency responsible for evaluating on-site emergency plans and exercises for nuclear power plants. FEMA Region VII REP Program staff is responsible for evaluating offsite plans and exercises for states and counties through the Radiological Emergency Preparedness Program.

**NOTICE OF SALE OF REAL ESTATE
TO SATISFY TAX LIEN**

TAKE NOTICE ALL PERSONS of the sale of the below-described real estate to discharge the taxes, interest and charges which are due thereon at the time of sale. The real estate will be sold at public auction at the North door of the Holt County Courthouse located in Oregon, Missouri, on the 27th day of August, 2012, commencing at 10:00 a.m. and continuing from day to day thereafter until all are offered for sale. All real estate is located in the City of Maitland, Holt County, Missouri. As many of the lots of any given owner as are necessary to pay the taxes for any given owner shall be sold. The following real estate, including the lawful owner thereof, a statement as to all taxes, penalties, interest and costs due for each year, and the land description are as follow:

HELP WANTED

EXECUTIVE DIRECTOR POSITION

Community Services, Inc. (CSI), in Maryville, MO, seeks qualified candidates for the position of Executive Director (ED). The ED provides leadership and management for the agency which covers a five (5) county area in northwest Missouri. The ED is responsible for achievement of CSI's vision, mission and action plan under the direction of the Board of Directors. Key areas of accountability include, but are not limited to, finance, human resource management, program planning and reporting, state and federal grant management, board development, fundraising, staffing and public relations. Preference given to candidates with a bachelor degree and three to five years of relevant work experience. Complete job description available at 1212-B South Main, Maryville, MO. Interested persons are asked to submit a cover letter and resume to Personnel Committee, Community Services, Inc., PO Box 328, Maryville, MO 64468. Persons with questions may call: Bob Westfall at 660-254-0603. The deadline for submission is July 25, 2012. Community Services is an equal opportunity employer.

Missouri Department of Conservation Position Open

The Missouri Department of Conservation is looking for part-time, hourly help in Atchison and Nodaway counties.

Applicants must be 18 years or older, licensed to operate a motor vehicle in Missouri, and willing and able to perform strenuous activity outdoors in adverse conditions. Job duties will include chemical application, farm machinery operation and maintenance, sign posting and other conservation area maintenance tasks.

If interested, please call Rick McClellan at 660-562-7674 or Joel Young at 660-442-6333.

Help Wanted

United States Department of Agriculture (USDA) - Holt County Farm Service Agency has a vacancy for a full-time permanent position. The open period is from Friday, July 13, 2012, to Friday, July 27, 2012. Grade potential will be based on education, work experience, agriculture knowledge, and background. The vacancy announcement and application may be viewed at www.usajobs.gov. USDA-FSA is an Equal Opportunity Provider and Employer.

If you have questions about this job, please contact Eric Redden, CED, (660) 442-3134, or e-mail at Eric.Redden@mo.usda.gov

HELP WANTED

THANK YOU/REMEMBERING

A special thank you to so many in helping us with our move to Virginia: First and foremost to our children flying in, Craig Gilland from New Kent, VA, and Chris and Kristi from Hyrum, GA.

A wonderful surprise on Friday, July 13, a delicious dinner was brought to our home from my fellow employees at Nodaway Valley Bank. Thank you Mari Ferguson, Jan Heck, Janet Staples, Lori, Randy and Shalin Miller, and Larry and Jennifer Thomas.

We could not have made it without the help of our cousins, Yogi Swymeler and Jacob, and to our mom, Julia Gilland, and sister, Peggy Wilson, for sharing their home and food.

Jerry and Karen Gilland

A special thank you to Alan Yocum for going the extra mile on sweet corn weed duty. You used all conventional and nonconventional methods to save our corn patch this year.

Love, Cameron and Elizabeth

A Community Thank You

On behalf of the Mound City Museum Board, we would like to thank all of those who renewed their memberships for the 2012 season. Your donations enable us to pay our utility and building insurance bills, provide maintenance and make improvements at the museum, a true treasure in our community.

Last season, through your donations, we were able to make much needed exterior improvements by painting and repairing the soffit and trim. This season, our goals include painting the interior rooms and purchasing a much needed air conditioner to help preserve the many artifacts in the museum.

Thank you again for your donations and continued support of the museum. We will continue to accept further donations throughout the year and these can be made at the Nodaway Valley Bank c/o Larry Thomas, Treasurer, Mound City Museum Board.

The Mound City Museum Board
Judith Long, Secretary

THANK YOU

The members of the TaYaTu Club would like to thank EVERYONE who made the Fourth of July Queen Contest such a success. A special thanks to the White Rose Restaurant and its superb hospitality; Rose Petals, Citizens Bank and Trust, Farmers State Bank, Nodaway Valley Bank, Elijah Poe and the State Theater; Edwin Knapp, who was a lifesaver at the last minute; Little Mr. and Ms. Firecracker; to all the businesses that supported the candidates; and last, but not least, thanks to all the participating contestants for we could not have a show without you.
